4 **Sec. 7.** RCW 70.47.100 and 2011 1st sp.s. c 9 s 4 and 2011 c 316 s
5 are each reenacted and amended to read as follows:

6 (1) A managed health care system participating in the plan shall do
7 so by contract with the (~~administrator~~) director and shall provide,
8 directly or by contract with other health care providers, covered basic
9 health care services to each enrollee covered by its contract with the
10 (~~administrator~~) director as long as payments from the
11 (~~administrator~~) director on behalf of the enrollee are current. A
12 participating managed health care system may offer, without additional
13 cost, health care benefits or services not included in the schedule of
14 covered services under the plan. A participating managed health care
15 system shall not give preference in enrollment to enrollees who accept
16 such additional health care benefits or services. Managed health care
17 systems participating in the plan shall not discriminate against any
18 potential or current enrollee based upon health status, sex, race,
19 ethnicity, or religion. The (~~administrator~~) director may receive and
20 act upon complaints from enrollees regarding failure to provide covered
21 services or efforts to obtain payment, other than authorized
22 copayments, for covered services directly from enrollees, but nothing
23 in this chapter empowers the (~~administrator~~) director to impose any
24 sanctions under Title 18 RCW or any other professional or facility
25 licensing statute.

26 (2) A managed health care system shall pay a nonparticipating
27 provider that provides a service covered under this chapter to the
28 system's enrollee no more than the lowest amount paid for that service
29 under the managed health care system's contracts with similar providers
30 in the state.

31 (3) Pursuant to federal managed care access standards, 42 C.F.R.
32 Sec. 438, managed health care systems must maintain a network of
33 appropriate providers that is supported by written agreements
34 sufficient to provide adequate access to all services covered under the
35 contract with the authority, including hospital-based physician
36 services. The authority will monitor and periodically report on the
37 proportion of services provided by contracted providers and

1 nonparticipating providers, by county, for each managed health care
2 system to ensure that managed health care systems are meeting network
3 adequacy requirements. No later than January 1st of each year, the
4 authority will review and report its findings to the appropriate policy
5 and fiscal committees of the legislature for the preceding state fiscal
6 year.

7 (4) The plan shall allow, at least annually, an opportunity for
8 enrollees to transfer their enrollments among participating managed
9 health care systems serving their respective areas. The
10 ((~~administrator~~)) director shall establish a period of at least twenty
11 days in a given year when this opportunity is afforded enrollees, and
12 in those areas served by more than one participating managed health
13 care system the ((~~administrator~~)) director shall endeavor to establish
14 a uniform period for such opportunity. The plan shall allow enrollees
15 to transfer their enrollment to another participating managed health
16 care system at any time upon a showing of good cause for the transfer.

17 (5) Prior to negotiating with any managed health care system, the
18 ((~~administrator~~)) director shall determine, on an actuarially sound
19 basis, the reasonable cost of providing the schedule of basic health
20 care services, expressed in terms of upper and lower limits, and
21 recognizing variations in the cost of providing the services through
22 the various systems and in different areas of the state.

23 (6) In negotiating with managed health care systems for
24 participation in the plan, the ((~~administrator~~)) director shall adopt
25 a uniform procedure that includes at least the following:

26 (a) The ((~~administrator~~)) director shall issue a request for
27 proposals, including standards regarding the quality of services to be
28 provided; financial integrity of the responding systems; and
29 responsiveness to the unmet health care needs of the local communities
30 or populations that may be served;

31 (b) The ((~~administrator~~)) director shall then review responsive
32 proposals and may negotiate with respondents to the extent necessary to
33 refine any proposals;

34 (c) The ((~~administrator~~)) director may then select one or more
35 systems to provide the covered services within a local area; and

36 (d) The ((~~administrator~~)) director may adopt a policy that gives
37 preference to respondents, such as nonprofit community health clinics,

1 that have a history of providing quality health care services to low-
2 income persons.

3 (7)(a) The ((~~administrator~~)) director may contract with a managed
4 health care system to provide covered basic health care services to
5 subsidized enrollees, nonsubsidized enrollees, health coverage tax
6 credit eligible enrollees, or any combination thereof. At a minimum,
7 such contracts issued on or after January 1, 2012, must include:

8 (i) Provider reimbursement methods that incentivize chronic care
9 management within health homes;

10 (ii) Provider reimbursement methods that reward health homes that,
11 by using chronic care management, reduce emergency department and
12 inpatient use; and

13 (iii) Promoting provider participation in the program of training
14 and technical assistance regarding care of people with chronic
15 conditions described in RCW 43.70.533, including allocation of funds to
16 support provider participation in the training unless the managed care
17 system is an integrated health delivery system that has programs in
18 place for chronic care management.

19 (b) Health home services contracted for under this subsection may
20 be prioritized to enrollees with complex, high cost, or multiple
21 chronic conditions.

22 (c) For the purposes of this subsection, "chronic care management,"
23 "chronic condition," and "health home" have the same meaning as in RCW
24 74.09.010.

25 (d) Contracts that include the items in (a)(i) through (iii) of
26 this subsection must not exceed the rates that would be paid in the
27 absence of these provisions.

28 (8) The ((~~administrator~~)) director may establish procedures and
29 policies to further negotiate and contract with managed health care
30 systems following completion of the request for proposal process in
31 subsection (6) of this section, upon a determination by the
32 ((~~administrator~~)) director that it is necessary to provide access, as
33 defined in the request for proposal documents, to covered basic health
34 care services for enrollees.

35 ~~(9) ((The administrator may implement a self-funded or self-insured
36 method of providing insurance coverage to subsidized enrollees, as
37 provided under RCW 41.05.140. Prior to implementing a self-funded or
38 self-insured method, the administrator shall ensure that funding~~

1 available in the basic health plan self insurance reserve account is
2 sufficient for the self funded or self insured risk assumed, or
3 expected to be assumed, by the administrator. If implementing a self
4 funded or self insured method, the administrator may request funds to
5 be moved from the basic health plan trust account or the basic health
6 plan subscription account to the basic health plan self insurance
7 reserve account established in RCW 41.05.140.

8 (10)) Subsections (2) and (3) of this section expire July 1, 2016.

12 establishing criteria for designating individuals or water purveyors as
13 qualified satellite system management agencies. The criteria shall set

15 management agency qualified to assume ownership, operation, or both, of
16 an existing or proposed public water system. The criteria shall

33 permit to one or more qualified satellite system management agencies
34 designated for the service area where the new system is proposed for
35 the purpose of exploring the possibility of a satellite agency either
36 owning or operating the proposed new water system.

1 (4) Approved satellite system management agencies shall be reviewed
2 periodically by the secretary for continued compliance with established
3 criteria. The secretary may require status reports and other
4 information necessary for such review. Satellite system management
5 agencies shall be subject to reapproval at the discretion of the
6 secretary but not less than once every five years.

7 (5) The secretary may assess reasonable fees to process
8 applications for initial approval and for periodic review of satellite

20 certified by the secretary to own or operate more than one public water
21 system on a regional or countywide basis, without the necessity for a
22 physical connection between such systems.

26 proceeds.

27 (iii) "Proceeds" means moneys collected and receipted by the county

34 Funds may be expended to make the system compatible with the automated
35 real estate excise tax system developed by the department and

27 the same time the county treasurer remits funds to the state under
28 subsection (1) of this section. The state treasurer must place money
29 from this fee in the real estate and property tax administration
30 assistance account. By the twentieth day of the subsequent month, the
