11 On page 12, beginning on line 9, after "section." strike the  
12 remainder of the section

13  
14 On page 14, beginning on line 33, strike all of section 5

15  
16 Correct the title.

17

EFFECT: Removes all references to and efficiency standards for high light output double-ended quartz halogen lamps, small diameter directional lamps, state-regulated LED lamps, and HVAC air filters. Extends an exception from the efficiency standards established for battery charger systems to those used to charge autoettes or electric personal assistive mobility devices, golf carts, low-speed vehicles, and larger industrial motive equipment such as fork lifts, burden carriers, or person carriers. Removes the requirement for the Department of Commerce to report on standards for high light output double-ended quartz halogen lamps.
