

E2SSB 6194 - H AMD TO H AMD (H-4714.2/16) **952**
By Representative Gregerson

NOT ADOPTED 03/09/2016

1 On page 6, beginning on line 28 of the amendment, after
2 "allocated" strike all material through "state" on line 32 and insert
3 "to at-risk students"

EFFECT: (1) Requires, if capacity is insufficient to enroll all students who apply to a charter school, that the charter school, after granting an enrollment preference to siblings of students, allocate any remaining enrollments to at-risk students rather than through a lottery.

(2) Removes a provision in the underlying amendment authorizing a charter school to offer a weighted enrollment preference for at-risk students or to children of full-time employees of the school if the children reside within the state.
