1 On page 3, line 14, after "movement" insert ". Restraint does not
2 mean physical guidance of students to transition between activities,
3 classes, and school to bus"

4 On page 3, beginning on line 38, after "intervention" strike ",
5 but" and insert "unless the parent or guardian and the
6 multidisciplinary team agree that restraint or isolation as a planned
7 behavior intervention is necessary for the student's safety. An
8 individualized education program or plan developed under section 504
9 of the rehabilitation act of 1973"

EFFECT: States in the definition of "restraint" that it does not mean physical guidance of students to transition between activities, classes, and school to bus.

Provides that an IEP or section 504 plan may include the use of restraint or isolation as a planned behavior intervention if the parent or guardian and the multidisciplinary team agree that it is necessary for the student's safety.
