**Hearing Date:** 6/22/15

**Staff:** Kristen Fraser (786-7148).

**Background:**

In 1993 voters adopted Initiative 601, which established the state expenditure limit. The expenditure limit law restricts the amount that the state may spend from the State General Fund (GFS) each fiscal year. The expenditure limit for each year is the prior year's actual GFS expenditures, adjusted for inflation as measured by a ten-year rolling average of personal income growth, and further adjusted for revenue and program transfers into and out of the GFS.

The state Expenditure Limit Committee establishes, adjusts, and projects the expenditure limit. The State Treasurer is prohibited from making payments from the GFS that exceed the limit.

**Summary of Bill:**

The Legislature declares its intent to temporarily suspend the state expenditure limit during the biennia in which the state is phasing in funding of its Article IX obligations pursuant to chapter 584, Laws of 2009 (ESHB 2261), chapter 236, Laws of 2010 (SHB 2776) and *McCleary* court case, and in the ensuing biennium.
