
Education Committee

HB 2833

Brief Description: Establishing a competitive educational grant program to promote confidence, public speaking, and leadership skills in students.

Sponsors: Representatives Young, Santos, Magendanz, Stanford and Ortiz-Self.

Brief Summary of Bill

- Requires the Office of the Superintendent of Public Instruction, subject to the appropriation of specific funding, to establish a temporary competitive grant program to award grants to school districts for the promotion of confidence, public speaking, and leadership skills in students in grades two through five.
- Directs the Superintendent of Public Instruction to report findings and recommendations on the grant program to the education committees of the House of Representatives and the Senate by December 1, 2018.

Hearing Date: 2/2/16

Staff: Ethan Moreno (786-7386).

Background:

In addition to its constitutional charge of supervising all matter pertaining to public schools, the Superintendent of Public Instruction and its office has numerous and broad responsibilities prescribed in statute, including:

- making rules and regulations necessary for the administration of public education requirements;
- preparing courses of study and other materials and books for the discharge of education duties; and
- fulfilling financial responsibilities, including distributing legislatively allocated funds to districts for the operation of the public school system, and awarding numerous state and federally funded grants.

This analysis was prepared by non-partisan legislative staff for the use of legislative members in their deliberations. This analysis is not a part of the legislation nor does it constitute a statement of legislative intent.

Summary of Bill:

Subject to funds appropriated for this specific purpose, the Office of the Superintendent of Public Instruction (OSPI) must establish a competitive grant program to award grants to school districts for the promotion of confidence, public speaking, and leadership skills in students in grades two through five. The grant program, which expires June 30, 2019, must be developed according to a schedule that provides school districts with sufficient time to apply for and receive grants in the 2016-17 school year.

In awarding grants, the OSPI must give preference to school districts that have one or more after-school, privately-funded and administered programs in a majority of their elementary schools that promote confidence, public speaking, and leadership skills in students in grades two through five.

School districts applying for or receiving grants through the program are encouraged to seek partnerships with public and private entities for the purpose of enhancing student benefits and minimizing costs to recipient districts and schools.

By December 1, 2018 the Superintendent of Public Instruction must report findings and recommendations for the grant program to the education committees of the House of Representatives and the Senate. The report must include an assessment of whether the program accomplished established goals and should be renewed.

Appropriation: None.

Fiscal Note: Available.

Effective Date: The bill takes effect 90 days after adjournment of the session in which the bill is passed.
