Committee Activity: Natural Resources & Parks: 2/11/15.

SENATE COMMITTEE ON NATURAL RESOURCES & PARKS

Staff: Curt Gavigan (786-7437)

Background: No Child Left Inside Grant Program. In 2007 the Legislature established a grant program to provide funding for outdoor education and recreation programs by agencies, nonprofits, and school and after-school programs. This program has become known as the no child left inside grant program. The Director of the State Parks and Recreation Commission, in cooperation with an advisory committee, was charged with establishing grant priorities while considering factors such as:

- reduction of dropout rates;
- use of natural-resources based curriculum;
- contribution to health lifestyles through recreation and nutrition; and
- ongoing program evaluation and assessment.

The 2007 operating budget provided \$1.5 million to the grant program. In 2008, 26 grants were awarded from that appropriation.

Blue Ribbon Task Force on Parks and Outdoor Recreation. In February 2014, the Governor issued Executive Order 14-01 which established the Blue Ribbon Task Force on Parks and Outdoor Recreation (Task Force). The Task Force was directed to develop an action plan and recommendations on topics to include the management, transformation, and development of Washington's outdoor recreation assets and programs. The Task Force met throughout the interim, with plans and recommendations submitted in the fall.

This analysis was prepared by non-partisan legislative staff for the use of legislative members in their deliberations. This analysis is not a part of the legislation nor does it constitute a statement of legislative intent.

Summary of Bill: The list of considerations that must be considered in setting priorities for the no child left inside grant program is changed to include programs that use veterans for at least 50 percent of program implementation or administration.

The Governor must appoint and maintain a senior policy advisor to focus on promoting, increasing participation in, and increasing opportunities for outdoor recreation.

The following appropriations are made:

- \$1 million in GF-S is appropriated for the no child left inside grant program; and
- \$150,000 for each of the fiscal years 2016 and 2017 to the Office of the Governor.

Appropriation: \$1.3 million GF-S in total for the biennium.

Fiscal Note: Requested on February 7, 2015.

Committee/Commission/Task Force Created: No.

Effective Date: Ninety days after adjournment of session in which bill is passed.
