State of Washington 64th Legislature 2015 Regular Session

By Representatives Ryu, Moscoso, Ortiz-Self, and Tarleton

Read first time 02/05/15. Referred to Committee on Transportation.

1 AN ACT Relating to reducing traffic fatalities and serious
2 injuries through improved traffic safety education; amending RCW
3 46.20.285; adding new sections to chapter 46.20 RCW; adding a new
4 section to chapter 46.68 RCW; adding new sections to chapter 46.82
5 RCW; creating a new section; and providing an effective date.

6 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

7 NEW SECTION. **Sec. 1.** The legislature finds that the goals and
8 objectives of reaching zero fatalities and crashes on our highways
9 and roads by 2030 needs to start now. The legislature further finds
10 that the "Strategic Highway Safety Plan, Target Zero," has identified
11 motor vehicle crashes as a leading cause of death in young drivers
12 between ages sixteen and twenty-five, making this group a priority
13 level one, along with speeding, impaired driving, and distracted
14 driving of any driver age group in the state. The legislature further
15 finds that while some young drivers are receiving a driver's
16 education in their early teens, the research studies have shown young
17 drivers are more likely to crash for two principal reasons:
18 Inexperience and immaturity. For these reasons, it is the intent of
19 the legislature to not only help these young drivers save their lives
20 but to make our roads and highways safe for all drivers by requiring
21 that young drivers who have had no driver's education attend and pass

1 a young driver risk prevention traffic safety course before becoming
2 licensed to drive in Washington state.

3 NEW SECTION. **Sec. 2.** A new section is added to chapter 46.20
4 RCW to read as follows:

8 under RCW 46.20.100 must complete a young driver risk prevention
9 traffic safety course that complies with the requirements of section
