
BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

NEW SECTION. Sec. 1. Creation of subchapter. Sections 3 through 9 of this act are each added to chapter 43.330 RCW and codified with the subchapter heading of "homeless youth prevention and protection act."

NEW SECTION. Sec. 2. Short title. This act may be known and cited as the "homeless youth prevention and protection act."
NEW SECTION. Sec. 3. Definitions. The definitions in this section apply throughout this subchapter unless the context clearly requires otherwise.

(1) "Child," "juvenile," "youth," and "minor" means any unemancipated individual who is under the chronological age of eighteen years.

(3) "Runaway" means an unmarried and unemancipated minor who is absent from the home of a parent or guardian or other lawful placement without the consent of the parent, guardian, or lawful custodian.

(4) "Street youth" means a person under the age of eighteen who lives outdoors or in another unsafe location not intended for occupancy by the minor and who is not residing with his or her parent or at his or her legally authorized residence.

(5) "Unaccompanied" means a youth or young adult experiencing homelessness while not in the physical custody of a parent or guardian.

(6) "Young adult" means a person between eighteen and twenty-four years of age.

NEW SECTION. Sec. 4. Legislative findings. (1) The legislature finds that every night thousands of homeless youth in Washington go to sleep without the safety, stability, and support of a family or a home. This population is exposed to an increased level of violence, human trafficking, and exploitation resulting in a higher incidence of substance abuse, illness, and death. The prevention and reduction of youth and young adult homelessness and protection of homeless youth is of key concern to the state. Nothing in chapter ..., Laws of 2015 (this act) is meant to diminish the work accomplished by the implementation of Becca legislation but rather, the intent of the legislature is to further enhance the state's efforts in working with unaccompanied homeless youth and runaways to encourage family reconciliation or permanent housing and support through dependency when family reconciliation is not a viable alternative.
Successfully addressing youth and young adult homelessness ensures that homeless youth and young adults in our state have the support they need to thrive and avoid involvement in the justice system, human trafficking, long-term, avoidable use of public benefits, and extended adult homelessness.

Providing appropriate, relevant, and readily accessible services is critical for addressing one-time, episodic, or longer-term homelessness among youth and young adults, and keeping homeless youth and young adults safe, housed, and connected to family.

The coordination of statewide programs to combat youth and young adult homelessness should include programs addressing both youth and young adults. However, the legislature acknowledges that current law and best practices mandate that youth programs and young adult programs be segregated in their implementation. The legislature further finds that the differing needs of these populations should be considered when assessing which programs are relevant and appropriate.

To successfully reduce and prevent youth and young adult homelessness, it is the goal of the legislature to have the following key components available and accessible:

(a) Stable housing: It is the goal of the legislature to provide a safe and healthy place for homeless youth to sleep each night until permanency can be reached. Every homeless young adult in our state deserves access to housing that gives them a safe, healthy, and supported launching pad to adulthood. Every family in crisis should have appropriate support as they work to keep their children housed and safe. It is the goal of the legislature that every homeless youth discharged from a public system of care in our state will not be discharged into homelessness.

(b) Family reconciliation: All homeless youth should have access to services that support reunification with immediate family. When reunification is not possible for homeless youth, youth should be placed in the custody of the department of social and health services.

(c) Permanent connections: Every homeless young adult should have opportunities to establish positive, healthy relationships with adults, including family members, employers, landlords, teachers, and community members, with whom they can maintain connections and from whom they can receive ongoing, long-term support to help them develop
the skills and experiences necessary to achieve a successful transition to adulthood.

(d) Education and employment: Every homeless young adult in our state deserves the opportunity and support they need to complete their high school education and pursue additional education and training. It is the goal of the legislature that every homeless young adult in our state will have the opportunity to engage in employment training and be able to access employment. With both education and employment support and opportunities, young adults will have the skills they need to become self-sufficient, self-reliant, and independent.

(e) Social and emotional well-being: Every homeless youth and young adult in our state should have access to both behavioral health care and physical health care. Every state-funded program for homeless youth and young adults must endeavor to identify, encourage, and nurture each youth's strengths and abilities and demonstrate a commitment to youth-centered programming.

NEW SECTION. Sec. 5. Creation of office of homeless youth prevention and protection programs. (1) There is created the office of homeless youth prevention and protection programs within the department.

(2) Activities of the office of homeless youth prevention and protection programs must be carried out by a director of the office of homeless youth prevention and protection programs, supervised by the director of the department or his or her designee.

(3) The office of homeless youth prevention and protection programs is responsible for leading efforts under this subchapter to coordinate a spectrum of ongoing and future funding, policy, and practice efforts related to homeless youth and improving the safety, health, and welfare of homeless youth in this state.

(4) The measurable goals of the office of homeless youth prevention and protection programs are to: (a) Measurably decrease the number of homeless youth and young adults by identifying programs that address the initial causes of homelessness, and (b) measurably increase permanency rates among homeless youth by decreasing the length and occurrences of youth homelessness caused by a youth's separation from family or a legal guardian.

(5) The office of homeless youth prevention and protection programs shall (a) gather data and outcome measures, (b) initiate
data sharing agreements, (c) develop specific recommendations and
timelines to address funding, policy, and practice gaps within the

homeless youth, dependency status, family reunification status,

programs shall regularly consult with an advisory committee,

advocates, at least one representative from law enforcement, service

homeless youth prevention and protection programs regarding funding,

may occur before this date.

NEW SECTION. Sec. 6. Reporting and data gathering. (1) The
office of homeless youth prevention and protection programs shall
identify data and outcomes measures from which to evaluate future public investment in homeless youth services.

(2) By December 1, 2016, and in compliance with RCW 43.01.036, the office of homeless youth prevention and protection programs must submit a report to the governor and the legislature to inform recommendations for funding, policy, and best practices in the five priority service areas identified in section 4 of this act and present recommendations to address funding, policy, and practice gaps in the state system.

(2) The training must be provided where possible by an entity that has experience in developing coalitions, training, programs, and policy on homeless youth in Washington.

NEW SECTION. Sec. 9. The joint legislative audit and review committee shall conduct a review of state-funded programs that serve unaccompanied homeless youth under the age of eighteen, including dependent youth, to determine what performance measures exist, what statutory reporting requirements exist, and whether there is reliable data on ages of youth served, length of stay, and effectiveness of program exit and reentry. Where statutory reporting requirements do exist, the joint legislative audit and review committee shall review the programs' compliance with relevant statutory reporting requirements. The committee shall report on what services are provided to unaccompanied homeless youth including, but not limited to: Outreach and other nonshelter services, shelter services, and family reconciliation. If a petition has been filed the parent may not disband the team until the hearing is held under RCW 13.32A.179. The court may allow the team to continue if an out-of-home placement is ordered under RCW 13.32A.179(3).     (a) If a law enforcement agency has been contacted by the parent of the child that the child is absent from parental custody without consent; or
    (b) If a law enforcement officer reasonably believes, considering the child's age, the location, and the time of day, that a child is in circumstances which constitute a danger to the child's safety or that a child is violating a local curfew ordinance; or
    (c) If an agency legally charged with the supervision of a child has notified a law enforcement agency that the child has run away from placement; or
    (d) If a law enforcement agency has been notified by the juvenile court that the court finds probable cause exists to believe that the child has violated a court placement order issued under this chapter or chapter 13.34 RCW or that the court has issued an order for law enforcement pick-up of the child under this chapter or chapter 13.34 RCW.

(2) Law enforcement custody shall not extend beyond the amount of time reasonably necessary to transport the child to a destination authorized by law and to place the child at that destination. Law enforcement custody continues until the law enforcement officer transfers custody to a person, agency, or other authorized entity under this chapter, or releases the child because no placement is available. Transfer of custody is not complete unless the person, agency, or entity to whom the child is released agrees to accept custody.

(3) If a law enforcement officer takes a child into custody pursuant to either subsection (1)(a) or (b) of this section and transports the child to a crisis residential center, the officer shall, within twenty-four hours of delivering the child to the center, provide to the center a written report detailing the reasons the officer took the child into custody. The center shall provide the department of social and health services with a copy of the officer's report.

(4) If the law enforcement officer who initially takes the juvenile into custody or the staff of the crisis residential center have reasonable cause to believe that the child is absent from home
because he or she is abused or neglected, a report shall be made immediately to the department of social and health services.

(5) Nothing in this section affects the authority of any political subdivision to make regulations concerning the conduct of minors in public places by ordinance or other local law.

(6) If a law enforcement officer has a reasonable suspicion that a child is being unlawfully harbored in violation of RCW 13.32A.080, the officer shall remove the child from the custody of the person harboring the child and shall transport the child to one of the locations specified in RCW 13.32A.060 (as recodified by this act).

(7) No child may be placed in a secure facility except as provided in this chapter.

The parent may request that the officer take the child to the home of an adult extended family member, responsible adult, crisis residential center, the department of social and health services, or a licensed youth shelter. In responding to the request of the parent, the officer shall take the child to a requested place which, in the officer's belief, is within a reasonable distance of the parent's home. (ii) It is not practical to transport the child to his or her home or place of the parent's employment; or

(iii) There is no parent available to accept custody of the child; or

(c) After attempting to notify the parent, if a crisis residential center is full, not available, or not located within a reasonable distance, request the department of social and health services to accept custody of the child. If the department of social and health services determines that an appropriate placement is currently available, the department of social and health services shall accept custody and place the child in an out-of-home placement. Upon accepting custody of a child from the officer, the department of social and health services may place the child in an out-of-home placement for up to seventy-two hours, excluding Saturdays, Sundays, and holidays, without filing a child in need of services petition, obtaining parental consent, or obtaining an order for placement under chapter 13.34 RCW. Upon transferring a child to the department of social and health services' custody, the officer shall provide written documentation of the reasons and the statutory basis for taking the child into custody. If the department of social and health services declines to accept custody of the child, the officer may release the child after attempting to take the child to the following, in the order listed: The home of an adult extended family member; a responsible adult; or a licensed youth shelter. The officer shall immediately notify the department of social and health services if no placement option is available and the child is released.

(2) An officer taking a child into custody under RCW 13.32A.050(1)(c) or (d) (as recodified by this act) shall inform the child of the reason for custody. An officer taking a child into custody under RCW 13.32A.050(1)(c) (as recodified by this act) may release the child to the supervising agency, or shall take the child to a designated crisis residential center's secure facility. If the secure facility is not available, not located within a reasonable distance, or full, the officer shall take the child to a semi-secure crisis residential center. An officer taking a child into custody under RCW 13.32A.050(1)(d) (as recodified by this act) may place the child in a juvenile detention facility as provided in RCW 13.32A.065 (as recodified by this act) or a secure facility, except that the child shall be taken to detention whenever the officer has been
notified that a juvenile court has entered a detention order under this chapter or chapter 13.34 RCW.

(3) Every officer taking a child into custody shall provide the child and his or her parent or parents or responsible adult with a copy of the statement specified in RCW 13.32A.130(6) (as recodified by this act).

(4) Whenever an officer transfers custody of a child to a crisis residential center or the department of social and health services, the child may reside in the crisis residential center or may be placed by the department of social and health services in an out-of-home placement for an aggregate total period of time not to exceed seventy-two hours excluding Saturdays, Sundays, and holidays. Thereafter, the child may continue in out-of-home placement only if the parents have consented, a child in need of services petition has been filed, or an order for placement has been entered under chapter 13.34 RCW.

(5) The department of social and health services shall ensure that all law enforcement authorities are informed on a regular basis as to the location of all designated secure and semi-secure facilities within centers in their jurisdiction, where children taken into custody under RCW 13.32A.050 (as recodified by this act) may be taken.

The court shall release the child after twenty-four hours, excluding Saturdays, Sundays, and holidays, unless:

(a) A motion and order to show why the child should not be held in contempt has been filed and served on the child at or before the detention hearing; and

(b) The court believes that the child would not appear at a hearing on contempt.

(2) If the court orders the child to remain in detention, the court shall set the matter for a hearing on contempt within seventy-two hours, excluding Saturdays, Sundays, and holidays.
Sec. 16. RCW 13.32A.090 and 2000 c 123 s 11 are each amended to read as follows:

   (i) Arrange transportation for the child to the residence of the parent, as soon as practicable, when the child and his or her parent agrees to the child's return home or when the parent produces a copy of a court order entered under this chapter requiring the child to reside in the parent's home; or

Sec. 18. RCW 13.32A.130 and 2009 c 569 s 1 are each amended to
read as follows:

(1) A child admitted to a secure facility located in a juvenile
detention center shall remain in the facility for at least twenty-
four hours after admission but for not more than five consecutive
days. A child admitted to a secure facility not located in a juvenile
detention center or a semi-secure facility may remain for not more
than fifteen consecutive days. If a child is transferred between a
secure and semi-secure facility, the aggregate length of time a child
may remain in both facilities shall not exceed fifteen consecutive
days per admission, and in no event may a child's stay in a secure
facility located in a juvenile detention center exceed five days per
admission.

(2)(a)(i) The facility administrator shall determine within
twenty-four hours after a child's admission to a secure facility
whether the child is likely to remain in a semi-secure facility and
may transfer the child to a semi-secure facility or release the child
to the department of social and health services. The determination
shall be based on: (A) The need for continued assessment, protection,
and treatment of the child in a secure facility; and (B) the
likelihood the child would remain at a semi-secure facility until his
or her parents can take the child home or a petition can be filed
under this title.

(ii) In making the determination the administrator shall consider
the following information if known: (A) The child's age and maturity;
(B) the child's condition upon arrival at the center; (C) the
circumstances that led to the child's being taken to the center; (D) whether the child's behavior endangers the health, safety, or welfare
of the child or any other person; (E) the child's history of running
away; and (F) the child's willingness to cooperate in the assessment.

(b) If the administrator of a secure facility determines the
child is unlikely to remain in a semi-secure facility, the
administrator shall keep the child in the secure facility pursuant to
this chapter and in order to provide for space for the child may
transfer another child who has been in the facility for at least
seventy-two hours to a semi-secure facility. The administrator shall
only make a transfer of a child after determining that the child who
may be transferred is likely to remain at the semi-secure facility.

(c) A crisis residential center administrator is authorized to
transfer a child to a crisis residential center in the area where the
child's parents reside or where the child's lawfully prescribed
residence is located.

(d) An administrator may transfer a child from a semi-secure
facility to a secure facility whenever he or she reasonably believes
that the child is likely to leave the semi-secure facility and not
return and after full consideration of all factors in (a)(i) and (ii)
of this subsection.

(3) If no parent is available or willing to remove the child
during the first seventy-two hours following admission, the
department of social and health services shall consider the filing of
a petition under RCW 13.32A.140.

(4) Notwithstanding the provisions of subsection (1) of this
section, the parents may remove the child at any time unless the
staff of the crisis residential center has reasonable cause to
believe that the child is absent from the home because he or she is
abused or neglected or if allegations of abuse or neglect have been
made against the parents. The department of social and health
services or any agency legally charged with the supervision of a
child may remove a child from a crisis residential center at any time
after the first twenty-four-hour period after admission has elapsed
and only after full consideration by all parties of the factors in
subsection (2)(a) of this section.

(5) Crisis residential center staff shall make reasonable efforts
to protect the child and achieve a reconciliation of the family. If a
reconciliation and voluntary return of the child has not been
achieved within forty-eight hours from the time of admission, and if the administrator of the center does not consider it likely that reconciliation will be achieved within five days of the child's admission to the center, then the administrator shall inform the parent and child of: (a) The availability of counseling services; (b) the right to file a child in need of services petition for an out-of-home placement, the right of a parent to file an at-risk youth petition, and the right of the parent and child to obtain assistance in filing the petition; (c) the right to request the facility administrator or his or her designee to form a multidisciplinary team; (d) the right to request a review of any out-of-home placement; (e) the right to request a mental health or chemical dependency evaluation by a county-designated professional or a private treatment facility; and (f) the right to request treatment in a program to address the child's at-risk behavior under RCW 13.32A.197.

(6) At no time shall information regarding a parent's or child's rights be withheld. The department shall develop and distribute to all law enforcement agencies and to each crisis residential center administrator a written statement delineating the services and rights. The administrator of the facility or his or her designee shall provide every resident and parent with a copy of the statement.

(7) A crisis residential center and any person employed at the center acting in good faith in carrying out the provisions of this section are immune from criminal or civil liability for such actions.

Sec. 19. RCW 74.13.032 and 2011 c 240 s 1 are each amended to read as follows:

(1) The department shall establish, through performance-based contracts with private or public vendors, regional crisis residential centers with semi-secure facilities. These facilities shall be structured group care facilities licensed under rules adopted by the department and shall have an average of at least four adult staff members and in no event less than three adult staff members to every eight children.

(2) Crisis residential centers must record client information into a homeless management information system specified by the department.

(3) Within available funds appropriated for this purpose, the department shall establish, through performance-based contracts with private or public vendors, regional crisis residential centers with
secure facilities. These facilities shall be facilities licensed under rules adopted by the department. These centers may also include semi-secure facilities and to such extent shall be subject to subsection (1) of this section.

((3)) (4) The department shall, in addition to the facilities established under subsections (1) and (2) of this section, establish additional crisis residential centers pursuant to performance-based contracts with licensed private group care facilities.

((4)) (5) The department is authorized to allow contracting entities to include a combination of secure or semi-secure crisis residential centers as defined in RCW 13.32A.030 and/or HOPE centers pursuant to RCW 74.15.220 (as recodified by this act) in the same building or structure. The department shall permit the colocation of these centers only if the entity operating the facility agrees to designate a particular number of beds to each type of center that is located within the building or structure.

((5)) (6) The staff at the facilities established under this section shall be trained so that they may effectively counsel juveniles admitted to the centers, provide treatment, supervision, and structure to the juveniles that recognize the need for support and the varying circumstances that cause children to leave their families, and carry out the responsibilities stated in RCW 13.32A.090 (as recodified by this act). ((The responsibilities stated in RCW 13.32A.090 may, in any of the centers, be carried out by the department.

((6)) (7) The secure facilities located within crisis residential centers shall be operated to conform with the definition in RCW 13.32A.030. The facilities shall have an average of no less than one adult staff member to every ten children. The staffing ratio shall continue to ensure the safety of the children.

((7)) (8) If a secure crisis residential center is located in or adjacent to a secure juvenile detention facility, the center shall be operated in a manner that prevents in-person contact between the residents of the center and the persons held in such facility.

Sec. 20. RCW 74.13.033 and 2009 c 569 s 3 are each amended to read as follows:

(1) If a resident of a crisis residential center becomes by his or her behavior disruptive to the facility's program, such resident may be immediately removed to a separate area within the facility and
counseled on an individual basis until such time as the child regains
his or her composure. The department may set rules and regulations
establishing additional procedures for dealing with severely
disruptive children on the premises.

(2) When the juvenile resides in this facility, all services
deemed necessary to the juvenile’s reentry to normal family life
shall be made available to the juvenile as required by chapter 13.32A
RCW. In assessing the child and providing these services, the
facility staff shall:

(a) Interview the juvenile as soon as possible;
(b) Contact the juvenile's parents and arrange for a counseling
interview with the juvenile and his or her parents as soon as
possible;
(c) Conduct counseling interviews with the juvenile and his or
her parents, to the end that resolution of the child/parent conflict
is attained and the child is returned home as soon as possible;
(d) Provide additional crisis counseling as needed, to the end
that placement of the child in the crisis residential center will be
required for the shortest time possible, but not to exceed fifteen
consecutive days; and
(e) Convene, when appropriate, a multidisciplinary team.

(3) Based on the assessments done under subsection (2) of this
section the center staff may refer any child who, as the result of a
mental or emotional disorder, or intoxication by alcohol or other
drugs, is suicidal, seriously assaultive, or seriously destructive
toward others, or otherwise similarly evidences an immediate need for
emergency medical evaluation and possible care, for evaluation
pursuant to chapter 71.34 RCW, to a mental health professional
pursuant to chapter 71.05 RCW, or to a chemical dependency specialist
pursuant to chapter 70.96A RCW whenever such action is deemed
appropriate and consistent with law.

(4) A juvenile taking unauthorized leave from a facility shall be
apprehended and returned to it by law enforcement officers or other
persons designated as having this authority as provided in RCW
13.32A.050 (as recodified by this act). If returned to the facility
after having taken unauthorized leave for a period of more than
twenty-four hours a juvenile shall be supervised by such a facility
for a period, pursuant to this chapter, which, unless where otherwise
provided, may not exceed fifteen consecutive days. Costs of housing
juveniles admitted to crisis residential centers shall be assumed by
the department for a period not to exceed fifteen consecutive days.

Sec. 21. RCW 74.13.034 and 2009 c 569 s 4 are each amended to
read as follows:

(1) A child taken into custody and taken to a crisis residential
center established pursuant to RCW 74.13.032 (as recodified by this
act) may, if the center is unable to provide appropriate treatment,
supervision, and structure to the child, be taken at department
time to another crisis residential center, the nearest regional
secure crisis residential center, or a secure facility with which it
is collocated under RCW 74.13.032 (as recodified by this act).
Placement in both locations shall not exceed fifteen consecutive days
from the point of intake as provided in RCW 13.32A.130 (as recodified
by this act).

(2) A child taken into custody and taken to a crisis residential
center established by this chapter may be placed physically by the
department (or the department's) of social and health services'
designee and, at their departmental expense and approval, in a secure
juvenile detention facility operated by the county in which the
center is located for a maximum of forty-eight hours, including
Saturdays, Sundays, and holidays, if the child has taken unauthorized
leave from the center and the person in charge of the center
determines that the center cannot provide supervision and structure
adequate to ensure that the child will not again take unauthorized
leave. Juveniles placed in such a facility pursuant to this section
may not, to the extent possible, come in contact with alleged or
convicted juvenile or adult offenders.

(3) Any child placed in secure detention pursuant to this section
shall, during the period of confinement, be provided with appropriate
treatment by the department of social and health services or the
department's designee, which shall include the services defined in
RCW 74.13.033(2) (as recodified by this act). If the child placed in
secure detention is not returned home or if an alternative living
arrangement agreeable to the parent and the child is not made within
twenty-four hours after the child's admission, the child shall be
taken at the department's expense to a crisis residential center.
Placement in the crisis residential center or centers plus placement
in juvenile detention shall not exceed five consecutive days from the
point of intake as provided in RCW 13.32A.130 (as recodified by this act).

(4) Juvenile detention facilities used pursuant to this section shall first be certified by the department of social and health services to ensure that juveniles placed in the facility pursuant to this section are provided with living conditions suitable to the well-being of the child. Where space is available, juvenile courts, when certified by the department of social and health services to do so, shall provide secure placement for juveniles pursuant to this section, at department expense.

Sec. 22. RCW 74.15.220 and 2011 c 240 s 2 are each amended to read as follows:

The ((secretary)) department shall establish HOPE centers that provide no more than seventy-five beds across the state and may establish HOPE centers by contract, within funds appropriated by the legislature specifically for this purpose. HOPE centers shall be operated in a manner to reasonably assure that street youth placed there will not run away. Street youth may leave a HOPE center during the course of the day to attend school or other necessary appointments, but the street youth must be accompanied by an administrator or an administrator's designee. The street youth must provide the administration with specific information regarding his or her destination and expected time of return to the HOPE center. Any street youth who runs away from a HOPE center shall not be readmitted unless specifically authorized by the street youth's placement and liaison specialist, and the placement and liaison specialist shall document with specific factual findings an appropriate basis for readmitting any street youth to a HOPE center. HOPE centers are required to have the following:

(1) A license issued by the ((secretary)) department of social and health services;

(2) A professional with a master's degree in counseling, social work, or related field and at least one year of experience working with street youth or a bachelor of arts degree in social work or a related field and five years of experience working with street youth. This professional staff person may be contractual or a part-time employee, but must be available to work with street youth in a HOPE center at a ratio of one to every fifteen youth staying in a HOPE center. This professional shall be known as a placement and liaison.
specialist. Preference shall be given to those professionals cross-
credentialed in mental health and chemical dependency. The placement
and liaison specialist shall:

(a) Conduct an assessment of the street youth that includes a
determination of the street youth's legal status regarding
residential placement;

(b) Facilitate the street youth's return to his or her legally
authorized residence at the earliest possible date or initiate
processes to arrange legally authorized appropriate placement. Any
street youth who may meet the definition of dependent child under RCW
13.34.030 must be referred to the department of social and health
services. The department of social and health services shall
determine whether a dependency petition should be filed under chapter
13.34 RCW. A shelter care hearing must be held within seventy-two
hours to authorize out-of-home placement for any youth the department
of social and health services determines is appropriate for out-of-
home placement under chapter 13.34 RCW. All of the provisions of
chapter 13.32A RCW must be followed for children in need of services
or at-risk youth;

(c) Interface with other relevant resources and system
representatives to secure long-term residential placement and other
needed services for the street youth;

(d) Be assigned immediately to each youth and meet with the youth
within eight hours of the youth receiving HOPE center services;

(e) Facilitate a physical examination of any street youth who has
not seen a physician within one year prior to residence at a HOPE
center and facilitate evaluation by a county-designated mental health
professional, a chemical dependency specialist, or both if
appropriate; and

(f) Arrange an educational assessment to measure the street
youth's competency level in reading, writing, and basic mathematics,
and that will measure learning disabilities or special needs;

(3) Staff trained in development needs of street youth as
determined by the department, including an
administrator who is a professional with a master's degree in
counseling, social work, or a related field and at least one year of
experience working with street youth, or a bachelor of arts degree in
social work or a related field and five years of experience working
with street youth, who must work with the placement and liaison
specialist to provide appropriate services on site;
(4) A data collection system that measures outcomes for the population served, and enables research and evaluation that can be used for future program development and service delivery. Data collection systems must have confidentiality rules and protocols developed by the ((secretary)) department;

(5) Notification requirements that meet the notification requirements of chapter 13.32A RCW. The youth's arrival date and time must be logged at intake by HOPE center staff. The staff must immediately notify law enforcement and dependency caseworkers if a street youth runs away from a HOPE center. A child may be transferred to a secure facility as defined in RCW 13.32A.030 whenever the staff reasonably believes that a street youth is likely to leave the HOPE center and not return after full consideration of the factors set forth in RCW 13.32A.130(2)(a) (i) and (ii) (as recodified by this act). The street youth's temporary placement in the HOPE center must be authorized by the court or the secretary of the department of social and health services if the youth is a dependent of the state under chapter 13.34 RCW or the department of social and health services is responsible for the youth under chapter 13.32A RCW, or by the youth's parent or legal custodian, until such time as the parent can retrieve the youth who is returning to home;

(6) HOPE centers must identify to the department of social and health services any street youth it serves who is not returning promptly to home. The department of social and health services then must contact the missing children's clearinghouse identified in chapter 13.60 RCW and either report the youth's location or report that the youth is the subject of a dependency action and the parent should receive notice from the department of social and health services;

(7) Services that provide counseling and education to the street youth; and

(8) The department shall award contracts for the operation of HOPE center beds ((and responsible living skills programs)) with the goal of facilitating the coordination of services provided for youth by such programs and those services provided by secure and semi-secure crisis residential centers.

Sec. 23. RCW 74.15.225 and 2008 c 267 s 10 are each amended to read as follows:
To be eligible for placement in a HOPE center, a minor must be either a street youth, as that term is defined in this chapter, or a youth who, without placement in a HOPE center, will continue to participate in increasingly risky behavior. Youth may also self-refer to a HOPE center. Payment for a HOPE center bed is not contingent upon prior approval by the department; however, approval from the department of social and health services is needed if the youth is dependent under chapter 13.34 RCW.

Sec. 24. RCW 43.330.167 and 2009 c 565 s 9 are each amended to read as follows:

(1)(a) There is created in the custody of the state treasurer an account to be known as the homeless Washington youth and families fund. Revenues to the fund consist of one-time appropriations by the legislature, private contributions, and all other sources deposited in the fund.

(b) Expenditures from the fund may only be used for the purposes of the program established in this section, including administrative expenses. Only the director of the department of commerce, or the director's designee, may authorize expenditures.

(c) Expenditures from the fund are exempt from appropriations and the allotment provisions of chapter 43.88 RCW. However, money used for program administration by the department is subject to the allotment and budgetary controls of chapter 43.88 RCW, and an appropriation is required for these expenditures.

(2) The department may expend moneys from the fund to provide state matching funds for housing-based supportive services for homeless youth and families (over a period of at least ten years).

(3) Activities eligible for funding through the fund include, but are not limited to, the following:

(a) Case management;

(b) Counseling;

(c) Referrals to employment support and job training services and direct employment support and job training services;

(d) Domestic violence services and programs;

(e) Mental health treatment, services, and programs;

(f) Substance abuse treatment, services, and programs;

(g) Parenting skills education and training;

(h) Transportation assistance;

(i) Child care; and
(j) Other supportive services identified by the department to be an important link for housing stability.

(4) Organizations that may receive funds from the fund include local housing authorities, nonprofit community or neighborhood-based organizations, public development authorities, federally recognized Indian tribes in the state, and regional or statewide nonprofit housing assistance organizations.

Sec. 25. RCW 43.185C.040 and 2009 c 518 s 17 are each amended to read as follows:

(1) Six months after the first Washington homeless census, the department shall, in consultation with the interagency council on homelessness and the affordable housing advisory board, prepare and publish a ten-year homeless housing strategic plan which shall outline statewide goals and performance measures and shall be coordinated with the plan for homeless families with children required under RCW 43.63A.650. To guide local governments in preparation of their first local homeless housing plans due December 31, 2005, the department shall issue by October 15, 2005, temporary guidelines consistent with this chapter and including the best available data on each community's homeless population. Local governments' ten-year homeless housing plans shall not be substantially inconsistent with the goals and program recommendations of the temporary guidelines and, when amended after 2005, the state strategic plan.

(2) Program outcomes and performance measures and goals shall be created by the department and reflected in the department's homeless housing strategic plan as well as interim goals against which state and local governments' performance may be measured, including:

(a) By the end of year one, completion of the first census as described in RCW 43.185C.030;

(b) By the end of each subsequent year, goals common to all local programs which are measurable and the achievement of which would move that community toward housing its homeless population; and

(c) By July 1, 2015, reduction of the homeless population statewide and in each county by fifty percent.

(3) The department shall develop a consistent statewide data gathering instrument to monitor the performance of cities and counties receiving grants in order to determine compliance with the
terms and conditions set forth in the grant application or required by the department.

The department shall, in consultation with the interagency council on homelessness and the affordable housing advisory board, report biennially to the governor and the appropriate committees of the legislature an assessment of the state's performance in furthering the goals of the state ten-year homeless housing strategic plan and the performance of each participating local government in creating and executing a local homeless housing plan which meets the requirements of this chapter. The annual report may include performance measures such as:

(a) The reduction in the number of homeless individuals and families from the initial count of homeless persons;

(b) The reduction in the number of unaccompanied homeless youth. "Unaccompanied homeless youth" has the same meaning as in section 3 of this act;

(c) The number of new units available and affordable for homeless families by housing type;

(d) The number of homeless individuals identified who are not offered suitable housing within thirty days of their request or identification as homeless;

(e) The number of households at risk of losing housing who maintain it due to a preventive intervention;

(f) The transition time from homelessness to permanent housing;

(g) The cost per person housed at each level of the housing continuum;

(h) The ability to successfully collect data and report performance;

(i) The extent of collaboration and coordination among public bodies, as well as community stakeholders, and the level of community support and participation;

(j) The quality and safety of housing provided; and

(k) The effectiveness of outreach to homeless persons, and their satisfaction with the program.

(4) Based on the performance of local homeless housing programs in meeting their interim goals, on general population changes and on changes in the homeless population recorded in the annual census, the department may revise the performance measures and goals of the state homeless housing strategic plan, set goals for years following the
initial ten-year period, and recommend changes in local governments' plans.

Sec. 26. RCW 43.185C.240 and 2014 c 200 s 3 are each amended to read as follows:

(1) As a means of efficiently and cost-effectively providing housing assistance to very-low income and homeless households:

(a) Any local government that has the authority to issue housing vouchers, directly or through a contractor, using document recording surcharge funds collected pursuant to RCW 36.22.178, 36.22.179, or 36.22.1791 must:

(i)(A) Maintain an interested landlord list, which at a minimum, includes information on rental properties in buildings with fewer than fifty units;

(B) Update the list at least once per quarter;

(C) Distribute the list to agencies providing services to individuals and households receiving housing vouchers;

(D) Ensure that a copy of the list or information for accessing the list online is provided with voucher paperwork; and

(E) Communicate and interact with landlord and tenant associations located within its jurisdiction to facilitate development, maintenance, and distribution of the list to private rental housing landlords. The department must make reasonable efforts to ensure that local providers conduct outreach to private rental housing landlords each calendar quarter regarding opportunities to provide rental housing to the homeless and the availability of funds;

(ii) Using cost-effective methods of communication, convene, on a semiannual or more frequent basis, landlords represented on the interested landlord list and agencies providing services to individuals and households receiving housing vouchers to identify successes, barriers, and process improvements. The local government is not required to reimburse any participants for expenses related to attendance;

(iii) Produce data, limited to document recording fee uses and expenditures, on a calendar year basis in consultation with landlords represented on the interested landlord list and agencies providing services to individuals and households receiving housing vouchers, that include the following: Total amount expended from document recording fees; amount expended on, number of households that received, and number of housing vouchers issued in each of the
private, public, and nonprofit markets; amount expended on, number of households that received, and number of housing placement payments provided in each of the private, public, and nonprofit markets; amount expended on and number of eviction prevention services provided in the private market; (and) amount expended on and number of other tenant-based rent assistance services provided in the private market; and amount expended on and number of services provided to unaccompanied homeless youth. If these data elements are not readily available, the reporting government may request the department to use the sampling methodology established pursuant to (c)(iii) of this subsection to obtain the data; and

(iv) Annually submit the calendar year data to the department by October 1st, with preliminary data submitted by October 1, 2012, and full calendar year data submitted beginning October 1, 2013.

(b) Any local government receiving more than three million five hundred thousand dollars during the previous calendar year from document recording surcharge funds collected pursuant to RCW 36.22.178, 36.22.179, and 36.22.1791, must apply to the Washington state quality award program, or similar Baldrige assessment organization, for an independent assessment of its quality management, accountability, and performance system. The first assessment may be a lite assessment. After submitting an application, a local government is required to reapply at least every two years.

(c) The department must:

(i) Require contractors that provide housing vouchers to distribute the interested landlord list created by the appropriate local government to individuals and households receiving the housing vouchers;

(ii) Convene a stakeholder group by March 1, 2017, consisting of landlords, homeless housing advocates, real estate industry representatives, cities, counties, and the department to meet to discuss long-term funding strategies for homeless housing programs that do not include a surcharge on document recording fees. The stakeholder group must provide a report of its findings to the legislature by December 1, 2017;

(iii) Develop a sampling methodology to obtain data required under this section when a local government or contractor does not have such information readily available. The process for developing the sampling methodology must include providing notification to and the opportunity for public comment by local governments issuing
housing vouchers, landlord association representatives, and agencies providing services to individuals and households receiving housing vouchers;

(iv) Develop a report, limited to document recording fee uses and expenditures, on a calendar year basis that may include consultation with local governments, landlord association representatives, and agencies providing services to individuals and households receiving housing vouchers, that includes the following: Total amount expended from document recording fees; amount expended on, number of households that received, and number of housing vouchers issued in each of the private, public, and nonprofit markets; amount expended on, number of households that received, and number of housing placement payments provided in each of the private, public, and nonprofit markets; amount expended on and number of eviction prevention services provided in the private market; the total amount of funds set aside for private rental housing payments as required in RCW 36.22.179(1)(b); and amount expended on and number of other tenant-based rent assistance services provided in the private market.

The information in the report must include data submitted by local governments and data on all additional document recording fee activities for which the department contracted that were not otherwise reported. The data, samples, and sampling methodology used to develop the report must be made available upon request and for the audits required in this section;

(v) Annually submit the calendar year report to the legislature by December 15th, with a preliminary report submitted by December 15, 2012, and full calendar year reports submitted beginning December 15, 2013; and

(vi) Work with the Washington state quality award program, local governments, and any other organizations to ensure the appropriate scheduling of assessments for all local governments meeting the criteria described in subsection (1)(b) of this section.

(d) The office of financial management must secure an independent audit of the department's data and expenditures of state funds received under RCW 36.22.179(1)(b) on an annual basis. The independent audit must review a random sample of local governments, contractors, and housing providers that is geographically and demographically diverse. The independent auditor must meet with the department and a landlord representative to review the preliminary audit and provide the department and the landlord representative with
the opportunity to include written comments regarding the findings that must be included with the audit. The first audit of the department's data and expenditures will be for calendar year 2014 and is due July 1, 2015. Each audit thereafter will be due July 1st following the department's submission of the report to the legislature. If the independent audit finds that the department has failed to set aside at least forty-five percent of the funds received under RCW 36.22.179(1)(b) after June 12, 2014, for private rental housing payments, the independent auditor must notify the department and the office of financial management of its finding. In addition, the independent auditor must make recommendations to the office of financial management and the legislature on alternative means of distributing the funds to meet the requirements of RCW 36.22.179(1)(b).

(e) The office of financial management must contract with an independent auditor to conduct a performance audit of the programs funded by document recording surcharge funds collected pursuant to RCW 36.22.178, 36.22.179, and 36.22.1791. The audit must provide findings to determine if the funds are being used effectively, efficiently, and for their intended purpose. The audit must review the department's performance in meeting all statutory requirements related to document recording surcharge funds including, but not limited to, the data the department collects, the timeliness and quality of required reports, and whether the data and required reports provide adequate information and accountability for the use of the document recording surcharge funds. The audit must include recommendations for policy and operational improvements to the use of document recording surcharges by counties and the department. The performance audit must be submitted to the legislature by December 1, 2016.

(2) For purposes of this section:
(a) "Housing placement payments" means one-time payments, such as first and last month's rent and move-in costs, funded by document recording surcharges collected pursuant to RCW 36.22.178, 36.22.179, or 36.22.1791 that are made to secure a unit on behalf of a tenant.
