12 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

13 NEW SECTION. **Sec. 1.** A new section is added to chapter 28A.300
14 RCW to read as follows:

15 (1) Subject to the availability of amounts appropriated for this
16 specific purpose, the office of the superintendent of public
17 instruction, in consultation with school districts, educational
18 service districts, and other state agencies, shall develop and
19 implement a comprehensive, statewide initiative to increase the
20 number of qualified individuals who apply for teaching positions in
21 Washington. In developing and implementing the initiative, the office

1 of the superintendent of public instruction, in partnership with the
2 employment security department, shall:

3 (a) Develop and implement a teacher recruitment campaign that
4 targets groups of individuals who may be interested in teaching in
5 Washington public schools, such as: College students who have not
6 chosen a major; out-of-state teachers; military personnel and their
7 spouses; and individuals with teaching certificates who are not
8 currently employed as teachers;

9 (b) Incorporate certificated positions into the employment
10 security department's existing web-based depository for job
11 applications that allows for access by school districts in the state
12 for purposes of hiring teachers and other certificated positions. The
13 services and tools developed under this subsection must be made
14 available initially to small school districts, and to larger
15 districts as resources are available. When defining small districts
16 for the purpose of this subsection, the office of the superintendent
17 of public instruction must consider whether a district has fewer than
18 three hundred certificated staff;

19 (c) Create or enhance an existing web site that provides useful
20 information to individuals who are interested in teaching in
21 Washington; and

22 (d) Take other actions to increase the number of qualified
23 individuals who apply for teaching positions in Washington.

24 (2) By December 1, 2019, the office of the superintendent of
25 public instruction shall assess the efficiency and effectiveness of
26 the centralized web-based depository for job applications required
27 under subsection (1)(b) of this section, and shall submit a report to
28 the appropriate committees of the legislature, in accordance with RCW
29 43.01.036, that recommends whether the requirement for the
30 application depository be continued, modified, or terminated. In
31 performing the assessment required in this subsection (2), the office
32 must solicit and consider feedback from small school districts.

33 (3) This section expires July 1, 2020.

34 NEW SECTION. **Sec. 2.** (1) Subject to the availability of amounts
35 appropriated for this specific purpose, the workforce training and
36 education coordinating board, in collaboration with the professional
37 educator standards board, shall work with the student achievement
38 council, the office of the superintendent of public instruction,
39 school districts, educational service districts, the state board for

1 community and technical colleges, the institutions of higher
2 education, major employers, and other parties to develop and
3 disseminate information designed to increase recruitment into
4 professional educator standards board-approved teacher preparation
5 programs. The information must be disseminated statewide through
6 existing channels.

7 (2) This section expires July 1, 2019.

8 NEW SECTION. **Sec. 3.** (1) Subject to the availability of amounts
9 appropriated for this specific purpose, the professional educator
10 standards board shall create and administer the recruitment
11 specialists grant program to provide funds to professional educator
12 standards board-approved teacher preparation programs to hire, or
13 contract with, recruitment specialists that focus on recruitment of
14 individuals who are from traditionally underrepresented groups among
15 teachers in Washington when compared to the common school population.

16 (2) This section expires July 1, 2018.

17 **Sec. 4.** RCW 28A.410.250 and 2005 c 498 s 2 are each amended to
18 read as follows:

27 (3) Grant professional certification to any teacher who attains
28 certification from the national board for professional teaching
29 standards;

30 (4) Permit any teacher currently enrolled in or participating in
31 a program leading to professional certification to continue the
32 program under administrative rules in place when the teacher began
33 the program;

34 (5) Provide criteria for the approval of educational service
35 districts, beginning no later than August 31, 2007, to offer programs
36 leading to professional certification. The rules shall be written to
37 encourage institutions of higher education and educational service
38 districts to partner with local school districts or consortia of

1 school districts, as appropriate, to provide instruction for teachers
2 seeking professional certification;

3 (6) Encourage institutions of higher education to offer
4 professional certificate coursework as continuing education credit
5 hours. This shall not prevent an institution of higher education from
6 providing the option of including the professional certification
7 requirements as part of a master's degree program;

8 (7) Provide criteria for a liaison relationship between approved
9 programs and school districts in which applicants are employed;

10 (8) Identify an expedited professional certification process for
11 out-of-state teachers who have five years or more of successful
12 teaching experience (~~to demonstrate skills and impact on student~~
13 ~~learning commensurate with Washington requirements for professional~~
14 ~~certification. The rules may require these teachers, within one year~~
15 ~~of the time they begin to teach in the state's public schools, take a~~
16 ~~course in or show evidence that they can teach to the state's~~
17 ~~essential academic learning requirements)), including a method to
18 determine the comparability of rigor between the Washington
19 professional certification process and the advanced level teacher
20 certification process of other states. A professional certificate
21 must be issued to these experienced out-of-state teachers if the
22 teacher holds: (a) A valid teaching certificate issued by the
23 national board for professional teaching standards; or (b) an

28 includes a review of the program coursework and applicant coursework
29 load requirements, linkages of programs to individual teacher
30 professional growth plans, linkages to school district and school
31 improvement plans, and, to the extent possible, linkages to school
32 district professional enrichment and growth programs for teachers,
33 where such programs are in place in school districts. The agency
34 shall provide a preliminary report on the evaluation process to the
35 senate and house of representatives committees on education policy by
36 November 1, 2005. The board shall identify:

37 (a) A process for awarding conditional approval of a program that
38 shall include annual evaluations of the program until the program is
39 awarded full approval;

1 (b) A less intensive evaluation cycle every three years once a
2 program receives full approval unless the responsible agency has
3 reason to intensify the evaluation;

4 (c) A method for investigating programs that have received
5 numerous complaints from students enrolled in the program and from
6 those recently completing the program;

7 (d) A method for investigating programs at the reasonable
8 discretion of the agency; and

9 (e) A method for using, in the evaluation, both program completer
10 satisfaction responses and data on the impact of educators who have
11 obtained professional certification on student work and achievement.

18 method to determine the comparability of rigor between the Washington
19 professional certification process and any United States federally
20 issued or state-issued advanced level teacher certification process
21 that allows an individual to teach internationally. A professional
22 certificate must be issued to these experienced out-of-state teachers
23 if the teacher holds a United States federally issued or state-issued
24 advanced level teacher certificate that allows the individual to
25 teach internationally and that has been determined to be comparable
26 to the Washington professional certificate.

31 shortage conditional grant program, including eligibility
32 requirements, contractual obligations, conditional grant amounts, and
33 loan repayment requirements.

34 (4)(a) In developing the eligibility requirements, the office
35 must consider: Whether the individual has a financial need, is a
36 first-generation college student, or is from a traditionally

40 submit reports, in accordance with RCW 43.01.036, to the appropriate

15 professional educator standards board, shall submit a preliminary
16 report to the appropriate committees of the legislature that details
17 the effectiveness and costs of the pilot project. The preliminary
18 report must (a) compare the numbers and demographic information of
19 students taking and passing tests in the endorsement shortage areas
20 before and after implementation of the pilot project, and (b)
21 determine the amount of TEACH pilot grant award financial assistance
22 awarded each pilot year and per student.

24 the student achievement council, in collaboration with the
25 professional educator standards board, shall submit a final report to
26 the appropriate committees of the legislature that details the
27 effectiveness and costs of the pilot project. In addition to updating
28 the preliminary report, the final report must (a) compare the numbers
29 and demographic information of students obtaining teaching
30 certificates with endorsement competencies in the endorsement
