25 **Sec. 211.** RCW 28B.15.067 and 2013 2nd sp.s. c 4 s 958 are each
26 amended to read as follows:

38 programs. Percentage increases in full-time tuition may exceed the

1 fiscal growth factor. Except during the 2013-2015 fiscal biennium,
2 the state board for community and technical colleges may pilot or
3 institute differential tuition models. The board may define scale,
4 scope, and rationale for the models.

20 undergraduate and graduate representatives regarding the impacts of
21 potential tuition increases. Each governing board shall make public
22 its proposal for tuition and fee increases twenty-one days before the
23 governing board of the institution considers adoption and allow
24 opportunity for public comment. However, the requirement to make
25 public a proposal for tuition and fee increases twenty-one days
26 before the governing board considers adoption shall not apply if the
27 omnibus appropriations act has not passed the legislature by May
28 15th. Governing boards shall be required to provide data regarding
29 the percentage of students receiving financial aid, the sources of
30 aid, and the percentage of total costs of attendance paid for by aid.

31 (c) Prior to reducing or increasing tuition for each academic
32 year, the state board for community and technical college system
33 shall consult with existing student associations or organizations
34 with undergraduate student representation regarding the impacts of

6 of this subsection, reduce enrollments, or both;

7 (b) If state funding for a college or university is at least at

11 maintain the actual enrollment levels for fiscal year 2011 or
12 increase enrollments as required in the omnibus appropriations act;

13 (c) If state funding is increased so that combined with resident
14 undergraduate tuition the sixtieth percentile of the total per-
15 student funding at similar public institutions of higher education in
16 the global challenge states under RCW 28B.15.068 is exceeded, the
17 governing board shall decrease tuition by the amount needed for the
18 total per-student funding to be at the sixtieth percentile under RCW
19 28B.15.068; and

20 (d) The amount of tuition set by the governing board for an
21 institution under this subsection (4) may not exceed the sixtieth
22 percentile of the resident undergraduate tuition of similar public
23 institutions of higher education in the global challenge states.

33 apply to eligible students enrolling in a community or technical
34 college participating in the pilot program under RCW 28B.50.534 for
35 the purpose of obtaining a high school diploma.~~

36 ~~(8))~~ Beginning in the 2019-20 academic year, reductions or
37 increases in full-time tuition fees for resident undergraduates at
38 four-year institutions of higher education shall be as provided in
39 the omnibus appropriations act.

1 ~~((9))~~(8) The legislative advisory committee to the committee on
2 advanced tuition payment established in RCW 28B.95.170 shall:

3 (a) Review the impact of differential tuition rates on the funded
4 status and future unit price of the Washington advanced college
5 tuition payment program; and

6 (b) No later than January 14, 2013, make a recommendation to the
7 appropriate policy and fiscal committees of the legislature regarding
8 how differential tuition should be addressed in order to maintain the

23 the annual percentage increase in student tuition fees for resident
24 undergraduate students: PROVIDED, That such percentage increase shall
25 not apply to that portion of the services and activities fee
26 previously committed to the repayment of bonded debt. These rate
27 adjustments may exceed the fiscal growth factor. For the 2013-2015
28 fiscal biennium, each governing board is authorized to increase the
29 services and activities fees by amounts judged reasonable and
30 necessary by the services and activities fee committee and the
31 governing board consistent with the budgeting procedures set forth in
32 RCW 28B.15.045. The services and activities fee committee provided
33 for in RCW 28B.15.045 may initiate a request to the governing board
34 for a fee increase.

2 board of a community or technical college may charge such fees for

4 self-supporting courses as it, in its discretion, may determine,
5 consistent with the rules of the state board for community and
6 technical colleges.

8 baccalaureate degree program under RCW 28B.50.810 may charge tuition
9 fees for those courses above the associate degree level at rates
10 consistent with rules adopted by the state board for community and
11 technical colleges, not to exceed tuition fee rates at the regional
12 universities.

16 universities, The Evergreen State College, and the community and
17 technical colleges shall charge to and collect from each of the
18 students registering at the particular institution for any quarter or
19 semester such tuition fees and services and activities fees, and

22 universities, and The Evergreen State College, the total of all fees
23 shall be rounded to the nearest whole dollar amount: PROVIDED, That
24 such tuition fees shall be established in accordance with RCW

36 nonresident tuition fees differential upon a declaration by the
37 office of student financial assistance that it finds Washington
38 residents from the community college district are afforded
39 substantially equivalent treatment by such other states.

1 (3) Full-time students registered for more than eighteen credit
2 hours shall be charged an additional operating fee for each credit
3 hour in excess of eighteen hours at the applicable established per
4 credit hour tuition fee rate for part-time students: PROVIDED, That,
5 subject to the limitations of RCW 28B.15.910, the governing boards of
6 the state universities and the community and technical colleges may
7 exempt all or a portion of the additional charge, for students who
