SUBSTITUTE HOUSE BILL 2413

Passed Legislature - 2016 Regular Session

State of Washington

64th Legislature

2016 Regular Session

By House Transportation (originally sponsored by Representatives Dent, Tarleton, Dye, Gregerson, Griffey, Hargrove, Klippert, Pike, Muri, Condotta, and McBride)

READ FIRST TIME 02/01/16.

1 AN ACT Relating to aircraft registration simplification and
2 fairness; amending RCW 47.68.240, 47.68.250, and 47.68.250; creating
3 new sections; providing effective dates; and providing an expiration
4 date.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

6 NEW SECTION. **Sec. 1.** The legislature finds that the current
7 penalty structure for late aircraft registration is unfair and
8 excessive. The legislature further finds that the timing of providing
9 proof of registration places a burden on aircraft owners attempting
10 to lease or purchase hangar space for their aircraft. The legislature
11 intends to streamline the penalty structure of late registrations and
12 clarify the requirements for providing proof of registration in order
13 to reduce administrative processes and eliminate excessive penalty
14 charges.

15 **Sec. 2.** RCW 47.68.240 and 2005 c 341 s 2 are each amended to
16 read as follows:

17 (1) Except as provided in subsection (2) of this section, any
18 person violating any of the provisions of this chapter, or any of the
19 rules, regulations, or orders issued pursuant thereto, is guilty of a
20 misdemeanor.

1 (2)(a) Any person violating any of the provisions of RCW
2 47.68.220, 47.68.230, or 47.68.255 is guilty of a gross misdemeanor.

3 (b) In addition to, or in lieu of, the penalties provided in this
4 section, or as a condition to the suspension of a sentence which may
5 be imposed pursuant thereto, for violations of RCW 47.68.220 and
6 47.68.230, the court in its discretion may prohibit the violator from
7 operating an aircraft within the state for such period as it may
8 determine but not to exceed one year. Violation of the duly imposed
9 prohibition of the court may be treated as a separate offense under
10 this section or as a contempt of court.

11 (3) In addition to the provisions of subsections (1) and (2) of
12 this section, failure to register an aircraft, as required by this
13 chapter is subject to ~~((the following civil penalties:~~

14 ~~(a) If the aircraft registration is sixty days to one hundred
15 nineteen days past due, the civil penalty is one hundred dollars.~~

16 ~~(b) If the aircraft registration is one hundred twenty days to
17 one hundred eighty days past due, the civil penalty is two hundred
18 dollars.~~

19 ~~(c) If the aircraft registration is over one hundred eighty days
20 past due, the civil penalty is four hundred dollars))~~ a penalty of
21 one hundred dollars if the aircraft registration is sixty days or
22 more past due.

23 (4) The revenue from ~~((penalties))~~ the penalty prescribed in
24 subsection (3) of this section must be deposited into the aeronautics
25 account under RCW 82.42.090.

26 **Sec. 3.** RCW 47.68.250 and 2013 2nd sp.s. c 13 s 1102 are each
27 amended to read as follows:

28 (1) Every aircraft must be registered with the department for
29 each calendar year in which the aircraft is operated or is based
30 within this state. A fee of fifteen dollars is charged for each such
31 registration and each annual renewal thereof.

32 (2) Possession of the appropriate effective federal certificate,
33 permit, rating, or license relating to ownership and airworthiness of
34 the aircraft, and payment of the excise tax imposed by Title 82 RCW
35 for the privilege of using the aircraft within this state during the
36 year for which the registration is sought, and payment of the
37 registration fee required by this section are the only requisites for
38 registration of an aircraft under this section.

1 (3) The registration fee imposed by this section is payable to
2 and collected by the secretary. The fee for any calendar year must be
3 paid during the month of January, and must be collected by the
4 secretary at the time of the collection by him or her of the excise
5 tax. If the secretary is satisfied that the requirements for
6 registration of the aircraft have been met, he or she must issue to
7 the owner of the aircraft a certificate of registration therefor. The
8 secretary must pay to the state treasurer the registration fees
9 collected under this section, which registration fees must be
10 credited to the aeronautics account in the transportation fund.

11 (4) It is not necessary for the registrant to provide the
12 secretary with originals or copies of federal certificates, permits,
13 ratings, or licenses. The secretary must issue certificates of
14 registration, or such other evidences of registration or payment of
15 fees as he or she may deem proper; and in connection therewith may
16 prescribe requirements for the possession and exhibition of such
17 certificates or other evidences.

18 (5) The provisions of this section do not apply to:

19 (a) An aircraft owned by and used exclusively in the service of
20 any government or any political subdivision thereof, including the
21 government of the United States, any state, territory, or possession
22 of the United States, or the District of Columbia, which is not
23 engaged in carrying persons or property for commercial purposes;

24 (b) An aircraft registered under the laws of a foreign country;

32 repairs, alterations, or reconstruction, including any flight testing
33 related to the repairs, alterations, or reconstruction, or for the
34 purpose of continual storage of not less than one full calendar year;

35 (B) An employee of the facility providing these services is on
36 board the airplane during any flight testing; and

37 (C) Within ninety days of the date the airplane first arrived in
38 this state during the calendar year, the nonresident files a written

40 from registration under this subsection (5)(c)(ii). The written

1 statement must be filed in a form and manner prescribed by the
2 department and must include such information as the department
3 requires. The department may require additional periodic verification

20 contain the N, NC, NR, NL, or NX number of the aircraft, the full
21 name and address of the former owner, and the full name and address
22 of the new owner. For failure to so notify the secretary, the
23 registration of that aircraft may be canceled by the secretary,
24 subject to reinstatement upon application and payment of a
25 reinstatement fee of ten dollars by the new owner.

26 (7) A municipality or port district that owns, operates, or
27 leases an airport, as defined in RCW 47.68.020, with the intent to
28 operate, must require from an aircraft owner proof of aircraft
