SUBSTITUTE SENATE BILL 5518

Passed Legislature - 2015 Regular Session

State of Washington

64th Legislature

2015 Regular Session

By Senate Higher Education (originally sponsored by Senators Kohl-Welles, Litzow, Frockt, Darneille, McAuliffe, Lias, Dammeier, Fain, Keiser, Hasegawa, and Habib)

READ FIRST TIME 02/13/15.

1 AN ACT Relating to campus sexual violence; amending RCW
2 28B.110.030; adding a new chapter to Title 28B RCW; creating new
3 sections; and providing expiration dates.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** The legislature finds that the issue of
6 campus sexual violence is a serious issue for many students as well
7 as poses a challenge to all of our institutions of higher education.
8 Several high profile cases in recent years garnered national
9 attention, with more than ninety colleges and universities nationwide
10 currently under investigation by the United States department of
11 education's office for civil rights for violation of Title IX
12 relating to how they have handled sexual violence cases.

13 In 2014, the White House convened a task force designed to
14 protect students from sexual assault. The task force has recommended
15 that schools conduct campus climate assessments and provided a sample
16 memorandum of understanding for institutions to enter into with local
17 law enforcement.

18 At the same time, the federal government and several states have
19 moved forward to address campus sexual violence policies regarding
20 prevention, investigation, and disciplinary action. These actions
21 include the statewide adoption of policies at the public four-year

1 universities in New York and all schools receiving state financial
2 aid in California. It also includes new requirements included in the
3 federal violence against women act amendments to the Clery act, 20
4 U.S.C. Sec. 1092(f).

5 The legislature further finds the state's public two and four-
6 year institutions of higher education are taking steps to improve
7 their institutional policies around campus sexual violence, including
8 being represented at a statewide conference held in October 2014.

9 In order to complement federal policy and ensure the safety of
10 all our students, the legislature finds it necessary to establish
11 minimum standards for all institutions pertaining to campus sexual
12 violence policies and procedures and encourages institutions of
13 higher education to share with all students and current employees,
14 especially survivors of sexual violence, the protections, resources,
15 and services available to them if they are a victim of sexual
16 assault, domestic violence, dating violence, or stalking.
17 Institutions should endeavor to prevent retaliation and prevent the
18 student from having to undergo unnecessary or duplicative retellings
19 of the incident.

20 NEW SECTION. **Sec. 2.** All institutions of higher education shall
21 refrain from establishing a different disciplinary process on the
22 same campus for a matter of sexual violence, based on the status or
23 characteristics of the student involved in that disciplinary
24 proceeding, including characteristics such as a student's membership
25 on an athletic team, membership in a fraternity or sorority, academic
26 year, or any other characteristics or status of a student.

27 NEW SECTION. **Sec. 3.** (1) Institutions of higher education shall
28 make information available on an annual basis to all current and
29 prospective students and employees regarding the institution's policy
30 and procedures, the responsible employee to receive complaints, and
31 compliance with campus sexual violence confidentiality and reporting
32 requirements set forth in 34 C.F.R. Sec. 668.46(b)(11)(iii).

33 (2) Institutions of higher education shall make the resources in
34 subsection (1) of this section and other information and support
35 available on a confidential basis to all campus sexual assault
36 survivors, regardless of whether the survivor chooses to proceed with
37 a formal report of sexual assault.

1 NEW SECTION. **Sec. 4.** (1)(a) The four-year institutions of
2 higher education as defined in RCW 28B.10.016 shall conduct a campus
3 climate assessment to gauge the prevalence of sexual assault on their
4 campuses.

5 (b) The state board for community and technical colleges shall
6 conduct a uniform campus climate assessment of community and
7 technical colleges to gauge the prevalence of sexual assault on
8 community and technical college campuses.

9 (c) The assessment in this section should include, but is not
10 limited to:

11 (i) The prevalence of sexual assault, domestic violence, dating
12 violence, and stalking on and off campus;

13 (ii) Student and employee knowledge of:

14 (A) Their institution's Title IX coordinator's role;

15 (B) Campus policies and procedures addressing sexual assault and
16 violence;

17 (C) Options for reporting sexual violence as a survivor or
18 witness; and

19 (D) The availability of resources on and off campus, such as
20 counseling, health, and academic assistance;

21 (iii) Student and employee bystander attitudes and behavior;

22 (iv) Whether survivors reported to the institutions, law
23 enforcement, or both, whether campus police or a local law
24 enforcement agency, and reasons why they did or did not report; or

25 (v) An evaluation of student and employee attitudes and awareness
26 of the campus sexual violence issue and any recommendations for
27 better addressing and preventing sexual violence on and off campus.

28 (2) Findings shall include an evaluation of student and employee
29 attitudes and awareness of campus sexual violence issues and, if
30 needed, should provide recommendations for making improvements in
31 addressing and preventing sexual violence on and off campus.

32 (3) The four-year institutions of higher education and the state
33 board for community and technical colleges shall report their
34 findings to the governor and the higher education committees of the
35 legislature by December 31, 2016. The report must also include a plan
36 or proposal to undertake a statewide public awareness campaign on
37 campus sexual violence.

38 (4) An assessment conducted to comply with new federal
39 requirements pertaining to campus climate assessments fulfills the
40 requirements in this section.

1 (5) This section expires July 1, 2017.

2 NEW SECTION. **Sec. 5.** (1) The state board for community and
3 technical colleges, the council of presidents, and independent
4 colleges of Washington shall submit reports to the governor and the
5 legislature's higher education committees by July 1, 2016, on steps
6 taken by their institutions to enter into memoranda of understanding
7 with local law enforcement that set forth each party's respective
8 roles and responsibilities related to the prevention and response to
9 sexual assault.

10 (2) This section expires December 31, 2016.

11 **Sec. 6.** RCW 28B.110.030 and 2012 c 229 s 566 are each amended to
12 read as follows:
