SENATE BILL 5032

Passed Legislature - 2015 Regular Session

State of Washington

64th Legislature

2015 Regular Session

By Senators Pedersen and O'Ban

Prefiled 12/30/14. Read first time 01/12/15. Referred to Committee on Law & Justice.

1 AN ACT Relating to specifying when a transaction in the form of a
2 lease does not create a security interest for purposes of the uniform
3 commercial code; and amending RCW 62A.1-203.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 **Sec. 1.** RCW 62A.1-203 and 2012 c 214 s 111 are each amended to
6 read as follows:

7 (a) Whether a transaction in the form of a lease creates a lease
8 or security interest is determined by the facts of each case.

9 (b) A transaction in the form of a lease creates a security
10 interest if the consideration that the lessee is to pay the lessor
11 for the right to possession and use of the goods is an obligation for
12 the term of the lease and is not subject to termination by the
13 lessee, and:

14 (1) The original term of the lease is equal to or greater than
15 the remaining economic life of the goods;

16 (2) The lessee is bound to renew the lease for the remaining
17 economic life of the goods or is bound to become the owner of the
18 goods;

19 (3) The lessee has an option to renew the lease for the remaining
20 economic life of the goods for no additional consideration or for

1 nominal additional consideration upon compliance with the lease
2 agreement; or

3 (4) The lessee has an option to become the owner of the goods for
4 no additional consideration or for nominal additional consideration
5 upon compliance with the lease agreement.

6 (c) A transaction in the form of a lease does not create a
7 security interest merely because:

8 (1) The present value of the consideration the lessee is
9 obligated to pay the lessor for the right to possession and use of
10 the goods is substantially equal to or is greater than the fair
11 market value of the goods at the time the lease is entered into;

12 (2) The lessee assumes risk of loss of the goods;

13 (3) The lessee agrees to pay, with respect to the goods, taxes,
14 insurance, filing, recording, or registration fees, or service or
15 maintenance costs;

16 (4) The lessee has an option to renew the lease or to become the
17 owner of the goods;

18 (5) The lessee has an option to renew the lease for a fixed rent
19 that is equal to or greater than the reasonably predictable fair
20 market rent for the use of the goods for the term of the renewal at
21 the time the option is to be performed; ((~~or~~))

22 (6) The lessee has an option to become the owner of the goods for
23 a fixed price that is equal to or greater than the reasonably
24 predictable fair market value of the goods at the time the option is
25 to be performed; or

26 (7) The amount of rental payments may or will be increased or
27 decreased by reference to the amount realized by the lessor upon sale
28 or disposition of the goods.

29 (d) Additional consideration is nominal if it is less than the
30 lessee's reasonably predictable cost of performing under the lease
31 agreement if the option is not exercised. Additional consideration is
32 not nominal if:

33 (1) When the option to renew the lease is granted to the lessee,
34 the rent is stated to be the fair market rent for the use of the
35 goods for the term of the renewal determined at the time the option
36 is to be performed; or

37 (2) When the option to become the owner of the goods is granted
38 to the lessee, the price is stated to be the fair market value of the
39 goods determined at the time the option is to be performed.

1 (e) The "remaining economic life of the goods" and "reasonably
2 predictable" fair market rent, fair market value, or cost of
3 performing under the lease agreement must be determined with
4 reference to the facts and circumstances at the time the transaction
5 is entered into.

Passed by the House April 13, 2015.
