

HB 2785 - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Authorizes a person to install, repair, or replace an approved or certified solid fuel burning device in a residence or commercial establishment.

Authorizes the burning of solid fuel in a solid fuel burning device, regardless of whether a burn ban has been called, if there is an emergency power outage.

Requires a nonprevailing petitioner that challenges the use of a solid fuel burning device in an emergency power outage to pay the reasonable expenses, including attorneys' fees, incurred in opposing the challenge to the use of the solid fuel burning device during the emergency power outage.
