

**SB 5315-S2.E - DIGEST**

(DIGEST AS ENACTED)

Transfers powers, duties, and functions of the office of the chief information officer within the office of financial management, pertaining to the office of the chief information officer, to the consolidated technology services agency.

Transfers powers, duties, and functions of the department of enterprise services, pertaining to statewide information technology services and applications, to the consolidated technology services agency.

Transfers certain duties of the office of financial management to the department of transportation and the department of enterprise services.

Requires the office of financial management to convene a work group consisting of representatives of the legislative evaluation and accountability program committee, legislative staff of the fiscal committees of the house of representatives and senate, the consolidated technology services agency, and the department of enterprise services to: (1) Review and update the central services model that allocates state funds for budgeting the costs of central services;

(2) Review the services and activities performed by each agency and develop a system of rates and charges to fund these services and activities; and

(3) Review each agency's chart of accounts and propose a structure to better align the budget reporting systems with each agency's current operational structure and to provide greater transparency in revenues and expenditures.

Creates the consolidated technology services revolving account, the statewide information technology system development revolving account, the statewide information technology system maintenance and operations revolving account, and the shared information technology system revolving account.
