7 "NEW SECTION. Sec. 6. A new section is added to chapter 10.21 RCW  
8 to read as follows:

9 A judicial officer in a municipal, district, or superior court  
10 imposing conditions of pretrial release for a defendant accused of a  
11 misdemeanor, gross misdemeanor, or felony offense, may prohibit the  
12 defendant from possessing or consuming any intoxicating liquors or  
13 drugs not prescribed to the defendant, and require the defendant to  
14 submit to testing to determine the defendant's compliance with this  
15 condition, when the judicial officer determines that such condition is  
16 necessary to protect the public from harm."

17

18 Correct the title.

19

EFFECT: Removes amendatory language specifying that protecting the public from harm is a justification for imposition of statutorily authorized conditions of pretrial release. Authorizes judicial officers to impose pretrial release conditions requiring the defendant to refrain from using alcohol or non-prescribed drugs and to submit to compliance testing, upon a determination that the condition is necessary to protect the public from harm, and provides that such authorization applies in all felony and non-felony criminal cases in all superior, district, and municipal courts.
