

SSB 6081 - S AMD TO S AMD (S-5189.1/18) 589
By Senator Ericksen

NOT ADOPTED 02/12/2018

- 1 On page 4, line 3 of the amendment, after "code and" strike
2 "adopt changes" and insert "make recommendations to the legislature"

EFFECT: Eliminates the requirement for the state building code council to adopt changes necessary to encourage greater use of renewable energy systems; instead, the state building code council is required to make recommendations to the legislature.
