

SSB 6199 - S AMD 487

By Senator Braun

WITHDRAWN 02/08/2018

1 On page 35, after line 17, strike all material down through
2 "Dismiss an individual provider.", and insert "Consumers and
3 prospective consumers have the right to select, schedule, supervise
4 the work of, and dismiss any individual provider providing services to
5 them consistent with the consumer's plan of care."

6 EFFECT: Removes requirement that provisions apply only if
individual providers are employed by a consumer directed employer.
Removes language clarifying that the section does not modify certain
authority of the consumer directed employer or the consumer's rights
to assign hours to one or more providers, or to dismiss an
individual provider.
