BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

E2SHB 1661
NEW SECTION. Sec. 1. FINDINGS. (1) The legislature finds that state services are not currently organized and delivered in a way that achieves the optimal outcomes for children, youth, and families. The legislature believes that, to improve service delivery and outcomes, existing services must be restructured into a comprehensive agency dedicated to the safety, development, and well-being of children that emphasizes prevention, early childhood development, and early intervention, and supporting parents to be their children's first and most important teachers.

(2) The legislature finds that:
   (a) The early years of a child's life are critical to the child's healthy brain development and that the quality of caregiving during the early years can significantly impact the child's intellectual, social, and emotional development;
   (b) A successful outcome for every child obtaining a K-12 education depends on children being prepared from birth for academic and social success in school. For children at risk of school failure, the opportunity gap often emerges as early as eighteen months of age;
   (c) A more cohesive and integrated early learning system has been established that provides a solid foundation for further improvements in the quality and availability of early learning programs; and
   (d) Increasing the availability of high quality services for children ages birth to three and their parents or caregivers will result in improved school and life outcomes.

(3) One of the purposes of this act is to safeguard and promote the health, safety, and well-being of children receiving child care and early learning assistance, which is paramount over the right of any person to provide such care.

(4) Research is clear that quality early care and education builds the foundation for a child's success in school and in life. In restructuring early learning and child welfare services, the legislature seeks to build on the success of Washington's early learning efforts to assure children most at risk of experiencing adversity are provided high quality early learning experiences.

(5) The legislature finds that advancements in research and science have identified indicators of risk, how they impact healthy development, and the critical importance of stable, nurturing relationships, particularly in the early years. Services for families and children should be prioritized for those who are most at risk of neglect, physical harm, and other adverse factors.
The legislature finds that a focus on adolescent development is needed to ensure that effective supports and interventions are targeted to support adolescents successfully transitioning to adulthood. Youth known to both the child welfare and juvenile justice systems often suffer from childhood trauma, have multisystem involvement, and experience homelessness. Increased integration of the child welfare and juvenile justice systems can increase opportunities for prevention and improve outcomes for youth in both systems.

The legislature finds that children and youth of color are disproportionately impacted at every point in the child welfare and juvenile justice systems. The department of children, youth, and families must prioritize addressing equity, disproportionality, and disparity in service delivery and outcomes, and provide transparent, frequent reporting of outcomes by race, ethnicity, and geography. The legislature finds that the state values the partnership with tribes in providing services for our children and youth and intends to honor the government-to-government relationship between the state and tribes embodied by the Centennial Accord.

The department of children, youth, and families must be anchored in a culture of innovation, transparency, accountability, rigorous data analysis, and reliance on research and evidence-based interventions.

The legislature finds that the public expects an effective service delivery system that is comprehensive, accountable, and goes beyond a single department's role. For this reason, the legislature is creating a mechanism in the department of children, youth, and families to align, integrate, and ensure accountability of state services for children, youth, and their families across state agencies so that there is a seamless, effective, prevention and early intervention-based service system regardless of which state agency is responsible for particular services.

The legislature finds that the work of the department of children, youth, and families will only be as successful as its workforce—both the agency employees and community-based vendors. Increased support for the professionals working with children, youth, and families is critical to improving outcomes.

The legislature further finds that other states have successfully established integrated departments dedicated to serving children, youth, and families. These departments have improved the
visibility of child and family issues, increased authority and accountability, enabled system improvements, and created a stronger focus on improving child outcomes.

PART I

DEPARTMENT OF CHILDREN, YOUTH, AND FAMILIES CREATED

NEW SECTION.  Sec. 101.  (1)(a) The department of children, youth, and families is created as an executive branch agency. The department is vested with all powers and duties transferred to it under this act and such other powers and duties as may be authorized by law. The vision for the department is that Washington state's children and youth grow up safe and health-thriving physically, emotionally, and academically, nurtured by family and community.

(b) The department, in partnership with state and local agencies, tribes, and communities, shall protect children and youth from harm and promote healthy development with effective, high quality prevention, intervention, and early education services delivered in an equitable manner. An important role for the department shall be to provide preventative services to help secure and preserve families in crisis. The department shall partner with the federally recognized Indian tribes in Washington and the federally recognized Indian tribes that are signatories to the Centennial Accord to develop effective services for youth and families while respecting the sovereignty of those tribes and the government-to-government relationship embodied by the Centennial Accord. Nothing in chapter . . . , Laws of 2017 (this act) alters the duties, requirements, and policies of the federal Indian child welfare act, 25 U.S.C. Secs. 1901 through 1963, as amended, or the Indian child welfare act, chapter 13.38 RCW.

(2) The department must develop definitions for, work plans to address, and metrics to measure the outcomes for children, youth, and families served by the department and must work with state agencies to ensure services for children, youth, and families are science-based, outcome-driven, data-informed, and collaborative.

(3)(a) The department must establish short and long-term population level outcome measure goals, including metrics regarding reducing disparities by family income, race, and ethnicity in each outcome.
(b) The department must report to the legislature on outcome measures and progress toward these goals no less than annually, beginning December 1, 2018.

(c) The outcome measures must include, but are not limited to:

(i) Improving child development and school readiness through voluntary, high quality early learning opportunities as measured by: (A) Increasing the number and proportion of children kindergarten-ready as measured by the Washington kindergarten inventory of developing skills (WAKids) assessment including mathematics; (B) increasing the proportion of children in early learning programs that have achieved the level 3 or higher early achiever quality standard; and (C) increasing the available supply of licensed child care including providers not receiving state subsidy;

(ii) Preventing child abuse and neglect;

(iii) Improving child and youth safety, permanency, and well-being as measured by: (A) Reducing the number of children entering out-of-home care; (B) reducing a child's length of stay in out-of-home care; (C) reducing maltreatment of youth while in out-of-home care; (D) licensing more foster homes than there are children in foster care; (E) reducing the number of children that reenter out-of-home care within twelve months; and (F) increasing the stability of placements for children in out-of-home care;

(iv) Improving reconciliation of children and youth with their families as measured by: (A) Increasing family reunification; and (B) increasing the number of youth who are reunified with their family of origin;

(v) In collaboration with county juvenile justice programs, improving adolescent outcomes including reducing multisystem involvement and homelessness; and increasing school graduation rates and successful transitions to adulthood for youth involved in the child welfare and juvenile justice systems;

(vi) Reducing future demand for mental health and substance use disorder treatment for youth involved in the child welfare and juvenile justice systems;

(vii) In collaboration with county juvenile justice programs, reducing criminal justice involvement and recidivism as measured by: (A) An increase in the number of youth who successfully complete the terms of diversion or alternative sentencing options; (B) a decrease in the number of youth who commit subsequent crimes; and (C)
eliminating the discharge of youth from institutional settings into homelessness; and

(viii) Reducing racial and ethnic disproportionality and disparities in system involvement and across child and youth outcomes in collaboration with other state agencies.

(4) The department must:

(a) Lead ongoing collaborative work to minimize or eliminate systemic barriers to effective, integrated services in collaboration with state agencies serving children, youth, and families;

(b) Identify necessary improvements and updates to statutes relevant to their responsibilities and proposing legislative changes to the governor no less than biennially;

(c) Help create a data-focused environment in which there are aligned outcomes and shared accountability for achieving those outcomes, with shared, real-time data that is accessible to authorized persons interacting with the family, child, or youth to identify what is needed and which services would be effective; and

(d) Lead the provision of state services to adolescents, focusing on key transition points for youth, including exiting foster care and institutions, and coordinating with the office of homeless youth prevention and protection programs to address the unique needs of homeless youth.

(5) The department is accountable to the public. To ensure transparency, agency performance data for the services provided by the department, including outcome data for contracted services, must be available to the public, consistent with protecting the confidentiality of the individuals. Publicly available data must include budget and funding decisions and performance data on metrics identified in this section. This data must be readily accessible on the department's web site. The department shall ensure that all new and renewed contracts for services are performance-based.

(6) As used in this section, "performance-based contract" means results-oriented contracting that focuses on the quality or outcomes that tie at least a portion of the contractor's payment, contract extensions, or contract renewals to the achievement of specific measurable performance standards and requirements.

Sec. 102. RCW 43.215.030 and 2006 c 265 s 104 are each amended to read as follows:

(1) The department, in collaboration with tribal governments and community and statewide partners, shall implement a quality rating and improvement system, called the early achievers program. The early achievers program provides a foundation of quality for the early care and education system. The early achievers program is applicable to licensed or certified child care centers and homes and early learning programs such as working connections child care and early childhood education and assistance programs.

(2) The objectives of the early achievers program are to:

(a) Improve short-term and long-term educational outcomes for children as measured by assessments including, but not limited to, the Washington kindergarten inventory of developing skills in RCW 28A.655.080;

(b) Give parents clear and easily accessible information about the quality of child care and early education programs;

(c) Support improvement in early learning and child care programs throughout the state;

(d) Increase the readiness of children for school;

(e) Close the disparities in access to quality care;

(f) Provide professional development and coaching opportunities to early child care and education providers; and

(g) Establish a common set of expectations and standards that define, measure, and improve the quality of early learning and child care settings.

(3)(a) Licensed or certified child care centers and homes serving nonschool-age children and receiving state subsidy payments must participate in the early achievers program by the required deadlines established in RCW 43.215.135.
(b) Approved early childhood education and assistance program providers receiving state-funded support must participate in the early achievers program by the required deadlines established in RCW 43.215.415.

(c) Participation in the early achievers program is voluntary for:
   (i) Licensed or certified child care centers and homes not receiving state subsidy payments; and
   (ii) Early learning programs not receiving state funds.

(d) School-age child care providers are exempt from participating in the early achievers program. By July 1, 2017, the department and the office of the superintendent of public instruction shall jointly design a plan to incorporate school-age child care providers into the early achievers program or other appropriate quality improvement system. To test implementation of the early achievers system for school-age child care providers the department and the office of the superintendent of public instruction shall implement a pilot program.

(4) There are five levels in the early achievers program. Participants are expected to actively engage and continually advance within the program.

(5) The department has the authority to determine the rating cycle for the early achievers program. The department shall streamline and eliminate duplication between early achievers standards and state child care rules in order to reduce costs associated with the early achievers rating cycle and child care licensing.

(a) Early achievers program participants may request to be rated at any time after the completion of all level 2 activities.

(b) The department shall provide an early achievers program participant an update on the participant's progress toward completing level 2 activities after the participant has been enrolled in the early achievers program for fifteen months.

(c) The first rating is free for early achievers program participants.

(d) Each subsequent rating within the established rating cycle is free for early achievers program participants.

(6)(a) Early achievers program participants may request to be rerated outside the established rating cycle.
(b) The department may charge a fee for optional rerating requests made by program participants that are outside the established rating cycle.

(c) Fees charged are based on, but may not exceed, the cost to the department for activities associated with the early achievers program.

(7)(a) The department must create a single source of information for parents and caregivers to access details on a provider's early achievers program rating level, licensing history, and other indicators of quality and safety that will help parents and caregivers make informed choices. The licensing history that the department must provide for parents and caregivers pursuant to this subsection shall only include license suspension, surrender, revocation, denial, stayed suspension, or reinstatement.

(b) The department shall publish to the department's web site, or offer a link on its web site to, the following information:

(i) By November 1, 2015, early achievers program rating levels 1 through 5 for all child care programs that receive state subsidy, early childhood education and assistance programs, and federal head start programs in Washington; and

(ii) New early achievers program ratings within thirty days after a program becomes licensed or certified, or receives a rating.

(c) The early achievers program rating levels shall be published in a manner that is easily accessible to parents and caregivers and takes into account the linguistic needs of parents and caregivers.

(d) The department must publish early achievers program rating levels for child care programs that do not receive state subsidy but have voluntarily joined the early achievers program.

(e) Early achievers program participants who have published rating levels on the department's web site or on a link on the department's web site may include a brief description of their program, contingent upon the review and approval by the department, as determined by established marketing standards.

program participants with the costs associated with obtaining an educational degree.

(a) The department may grant extensions only under exceptional circumstances, such as when early achievers program participants experience an unexpected life circumstance.

(b) Extensions shall not exceed six months, and early achievers program participants are only eligible for one extension in meeting rating level requirement timelines.

(c) Extensions may only be granted to early achievers program participants who have demonstrated engagement in the early achievers program.

(11)(a) The department shall accept national accreditation that meets the requirements of this subsection (11) as a qualification for the early achievers program ratings.

(b) Each national accreditation agency will be allowed to submit its most current standards of accreditation to establish potential credit earned in the early achievers program. The department shall grant credit to accreditation bodies that can demonstrate that their standards meet or exceed the current early achievers program standards.

(c) Licensed child care centers and child care home providers must meet national accreditation standards approved by the department for the early achievers program in order to be granted credit for the early achievers program standards. Eligibility for the early achievers program is not subject to bargaining, mediation, or interest arbitration under RCW 41.56.028, consistent with the legislative reservation of rights under RCW 41.56.028(4)(d).

(13) A child care or early learning program that is operated by a federally recognized tribe and receives state funds shall participate in the early achievers program. The tribe may choose to participate through an interlocal agreement between the tribe and the department. The interlocal agreement must reflect the government-to-government relationship between the state and the tribe, including recognition of tribal sovereignty. The interlocal agreement must provide that:

(a) Tribal child care facilities and early learning programs may volunteer, but are not required, to be licensed by the department;

(b) Tribal child care facilities and early learning programs are not required to have their early achievers program rating level published to the department's web site or through a link on the department's web site; and

(c) Tribal child care facilities and early learning programs must provide notification to parents or guardians who apply for or have been admitted into their program that early achievers program rating level information is available and provide the parents or guardians with the program's early achievers program rating level upon request.

(14) The department shall consult with the early achievers review subcommittee on all substantial policy changes to the early achievers program.

(15) Nothing in this section changes the department's responsibility to collectively bargain over mandatory subjects or limits the legislature's authority to make programmatic modifications to licensed child care and early learning programs under RCW 41.56.028(4)(d).

NEW SECTION. Sec. 115. (1) The department shall develop an internal review process to determine whether department licensors have appropriately and consistently applied agency rules in child care facility licensing compliance agreements that do not involve a violation of health and safety standards. Adverse licensing decisions including license denial, suspension, revocation, modification, or nonrenewal pursuant to RCW 43.215.300 (as recodified by this act) or imposition of civil fines pursuant to RCW 43.215.307 (as recodified by this act) are not subject to the internal review process in this

(4) The internal review process established in this section may overturn, change, or uphold a department licensing decision by majority vote. In the event that the six individuals conducting the internal review process are equally divided, the secretary shall make the decision of the internal review process. The internal review process must provide the parties with a written decision of the outcome after completion of the internal review process. A licensee must request a review under the internal review process within ten days of the development of a child care facility licensing compliance agreement and the internal review process must be completed within thirty days after the request from the licensee to initiate the internal review process is received.

(5) A licensee may request a final review by the oversight board for children, youth, and families after completing the internal review process established in this section by giving notice to the department and the oversight board for children, youth, and families
within ten days of receiving the written decision produced by the internal review process.

(6) The department shall not develop a child care facility licensing compliance agreement with a child care provider for first-time violations of rules that do not relate to health and safety standards and that can be corrected on the same day that the violation is identified. The department shall develop a procedure for providing a warning and offering technical assistance to providers in response to these first-time violations.

prospective employee for these costs. The licensee and the
prospective employee may share these costs.

c) The ((director)) secretary shall use the fingerprint criminal
history record check information solely for the purpose of
determining eligibility for a license and for determining the
character, suitability, and competence of those persons or agencies,
excluding parents, not required to be licensed who are authorized to
care for children.

d) Criminal justice agencies shall provide the ((director))
secretary such information as they may have and that the ((director))

costs. The licensee and the prospective employee may share these
costs.

or certificate to the applicant if after the completion of a
background check the department concludes the applicant is qualified
for unsupervised access to children in child care. The background

their employees, and other persons who have unsupervised access to
children in care shall submit a new background check application to
the department, on a form and by a date as determined by the

(i) Individuals who have been issued a background check clearance card or certificate shall report nonconviction and conviction information to the department within twenty-four hours of the event constituting the nonconviction or conviction information.

(j) The department shall investigate and conduct a redetermination of an applicant's or licensee's background clearance if the department receives a complaint or information from individuals, a law enforcement agency, or other federal, state, or local government agency. Subject to the requirements contained in RCW 43.215.300 and 43.215.305 (as recodified by this act) and based on a determination that an individual lacks the appropriate character, suitability, or competence to provide child care or early learning services to children, the department may: (i) Invalidate the background card or certificate; or (ii) suspend, modify, or revoke any license authorized by this chapter.

(3) To satisfy the shared background check requirements of the department of ((early learning)) children, youth, and families and the department of social and health services, each department shall share federal fingerprint-based background check results as permitted under the law. The purpose of this provision is to allow both departments to fulfill their joint background check responsibility of checking any individual who may have unsupervised access to vulnerable adults, children, or juveniles. Fee revenues must be deposited in the individual-based/portable background check clearance account created in RCW 43.215.218 (as recodified by this act) and may be expended only for the costs of developing and administering the individual-based/portable background check clearance registry created in RCW 43.215.216 (as recodified by this act).

(10) "Guardian" means the person or agency that: (a) Has been appointed as the guardian of a child in a legal proceeding, including a guardian appointed pursuant to chapter 13.36 RCW; and (b) has the legal right to custody of the child pursuant to such appointment. The
term "guardian" does not include a "dependency guardian" appointed pursuant to a proceeding under this chapter.

(11) "Guardian ad litem" means a person, appointed by the court to represent the best interests of a child in a proceeding under this chapter, or in any matter which may be consolidated with a proceeding under this chapter. A "court-appointed special advocate" appointed by the court to be the guardian ad litem for the child, or to perform substantially the same duties and functions as a guardian ad litem, shall be deemed to be guardian ad litem for all purposes and uses of this chapter.

(12) "Guardian ad litem program" means a court-authorized volunteer program, which is or may be established by the superior court of the county in which such proceeding is filed, to manage all aspects of volunteer guardian ad litem representation for children alleged or found to be dependent. Such management shall include but is not limited to: Recruitment, screening, training, supervision, assignment, and discharge of volunteers.

(13) "Housing assistance" means appropriate referrals by the department or other supervising agencies to federal, state, local, or private agencies or organizations, assistance with forms, applications, or financial subsidies or other monetary assistance for housing. For purposes of this chapter, "housing assistance" is not a remedial service or time-limited family reunification service as described in RCW 13.34.025(2).

(14) "Indigent" means a person who, at any stage of a court proceeding, is:

(a) Receiving one of the following types of public assistance: Temporary assistance for needy families, aged, blind, or disabled assistance benefits, medical care services under RCW 74.09.035, pregnant women assistance benefits, poverty-related veterans' benefits, food stamps or food stamp benefits transferred electronically, refugee resettlement benefits, medicaid, or supplemental security income; or

(b) Involuntarily committed to a public mental health facility; or

(c) Receiving an annual income, after taxes, of one hundred twenty-five percent or less of the federally established poverty level; or
(d) Unable to pay the anticipated cost of counsel for the matter before the court because his or her available funds are insufficient to pay any amount for the retention of counsel.

(15) "Nonminor dependent" means any individual age eighteen to twenty-one years who is participating in extended foster care services authorized under RCW 74.13.031.

(16) "Out-of-home care" means placement in a foster family home or group care facility licensed pursuant to chapter 74.15 RCW or placement in a home, other than that of the child's parent, guardian, or legal custodian, not required to be licensed pursuant to chapter 74.15 RCW.

(17) "Preventive services" means preservation services, as defined in chapter 74.14C RCW, and other reasonably available services, including housing assistance, capable of preventing the need for out-of-home placement while protecting the child.

(18) "Shelter care" means temporary physical care in a facility licensed pursuant to RCW 74.15.030 or in a home not required to be licensed pursuant to RCW 74.15.030.

(19) "Sibling" means a child's birth brother, birth sister, adoptive brother, adoptive sister, half-brother, or half-sister, or as defined by the law or custom of the Indian child's tribe for an Indian child as defined in RCW 13.38.040.

(20) "Social study" means a written evaluation of matters relevant to the disposition of the case and shall contain the following information:

(a) A statement of the specific harm or harms to the child that intervention is designed to alleviate;

(b) A description of the specific services and activities, for both the parents and child, that are needed in order to prevent serious harm to the child; the reasons why such services and activities are likely to be useful; the availability of any proposed services; and the agency's overall plan for ensuring that the services will be delivered. The description shall identify the services chosen and approved by the parent;

(c) If removal is recommended, a full description of the reasons why the child cannot be protected adequately in the home, including a description of any previous efforts to work with the parents and the child in the home; the in-home treatment programs that have been considered and rejected; the preventive services, including housing assistance, that have been offered or provided and have failed to
prevent the need for out-of-home placement, unless the health, safety, and welfare of the child cannot be protected adequately in the home; and the parents' attitude toward placement of the child;

(d) A statement of the likely harms the child will suffer as a result of removal;

(e) A description of the steps that will be taken to minimize the harm to the child that may result if separation occurs including an assessment of the child's relationship and emotional bond with any siblings, and the agency's plan to provide ongoing contact between the child and the child's siblings if appropriate; and

(f) Behavior that will be expected before determination that supervision of the family or placement is no longer necessary.

(21) "Supervised independent living" includes, but is not limited to, apartment living, room and board arrangements, college or university dormitories, and shared roommate settings. Supervised independent living settings must be approved by the children's administration or the court.

(22) "Supervising agency" means an agency licensed by the state under RCW 74.15.090, or licensed by a federally recognized Indian tribe located in this state under RCW 74.15.190, that has entered into a performance-based contract with the department to provide case management for the delivery and documentation of child welfare services as defined in RCW 74.13.020.

(23) "Voluntary placement agreement" means, for the purposes of extended foster care services, a written voluntary agreement between a nonminor dependent who agrees to submit to the care and authority of the department for the purposes of participating in the extended foster care program.

Sec. 303. RCW 13.34.090 and 2000 c 122 s 10 are each amended to read as follows:

(1) Any party has a right to be represented by an attorney in all proceedings under this chapter, to introduce evidence, to be heard in his or her own behalf, to examine witnesses, to receive a decision based solely on the evidence adduced at the hearing, and to an unbiased fact finder.

(2) At all stages of a proceeding in which a child is alleged to be dependent, the child's parent, guardian, or legal custodian has the right to be represented by counsel, and if indigent, to have counsel appointed for him or her by the court. Unless waived in

p. 70
court, counsel shall be provided to the child's parent, guardian, or
counsel shall be provided to the child's parent, guardian, or
counsel, if such person (a) has appeared in the proceeding or
requested the court to appoint counsel and (b) is financially unable
to obtain counsel because of indigency.

(3) If a party to an action under this chapter is represented by
counsel, no order shall be provided to that party for his or her
signature without prior notice and provision of the order to counsel.

(4) Copies of department ((of social and health services)) or
supervising agency records to which parents have legal access
pursuant to chapter 13.50 RCW shall be given to the child's parent,
guardian, legal custodian, or his or her legal counsel, prior to any
shelter care hearing and within fifteen days after the department or
supervising agency receives a written request for such records from
the parent, guardian, legal custodian, or his or her legal counsel.
These records shall be provided to the child's parents, guardian,
legal custodian, or legal counsel a reasonable period of time prior
to the shelter care hearing in order to allow an opportunity to
review the records prior to the hearing. These records shall be
legible and shall be provided at no expense to the parents, guardian,
legal custodian, or his or her counsel. When the records are served
on legal counsel, legal counsel shall have the opportunity to review
the records with the parents and shall review the records with the
parents prior to the shelter care hearing.

Sec. 304. RCW 13.34.096 and 2016 c 180 s 1 are each amended to
read as follows:

(1) The department or supervising agency shall provide the
child's foster parents, preadoptive parents, or other caregivers with
timely and adequate notice of their right to be heard prior to each
proceeding held with respect to the child in juvenile court under
this chapter. For purposes of this section, "timely and adequate
notice" means notice at the time the department would be required to
give notice to parties to the case and by any means reasonably
certain of notifying the foster parents, preadoptive parents, or
other caregivers, including but not limited to written, telephone, or
in person oral notification. For emergency hearings, the department
shall give notice to foster parents, preadoptive parents, or other
caregivers as soon as is practicable. For six-month review and annual
permanency hearings, the department shall give notice to foster
parents upon placement or as soon as practicable.
(2) The court shall establish and include in the court record after every hearing for which the department or supervising agency is required to provide notice to the child's foster parents, preadoptive parents, and caregivers whether the department provided adequate and timely notice, whether a caregiver's report was received by the court, and whether the court provided the child's foster parents, preadoptive parents, or caregivers with an opportunity to be heard in court. For purposes of this section, "caregiver's report" means a form provided by the department (of social and health services) to a child's foster parents, preadoptive parents, or caregivers that provides an opportunity for those individuals to share information about the child with the court before a court hearing. A caregiver's report shall not include information related to a child's biological parent that is not directly related to the child's well-being.

(3) Absent exigent circumstances, the department shall provide the child's foster family home notice of expected placement changes as required by RCW 74.13.300.

(4) The rights to notice and to be heard apply only to persons with whom a child has been placed by the department or supervising agency and who are providing care to the child at the time of the proceeding. This section shall not be construed to grant party status to any person solely on the basis of such notice and right to be heard.

Sec. 305. RCW 13.34.110 and 2007 c 220 s 9 are each amended to read as follows:

(1) The court shall hold a fact-finding hearing on the petition and, unless the court dismisses the petition, shall make written findings of fact, stating the reasons therefor. The rules of evidence shall apply at the fact-finding hearing and the parent, guardian, or legal custodian of the child shall have all of the rights provided in RCW 13.34.090(1). The petitioner shall have the burden of establishing by a preponderance of the evidence that the child is dependent within the meaning of RCW 13.34.030.

(2) The court in a fact-finding hearing may consider the history of past involvement of child protective services or law enforcement agencies with the family for the purpose of establishing a pattern of conduct, behavior, or inaction with regard to the health, safety, or welfare of the child on the part of the child's parent, guardian, or legal custodian, or for the purpose of establishing that reasonable
efforts have been made by the department to prevent or eliminate the
need for removal of the child from the child's home. No report of
child abuse or neglect that has been destroyed or expunged under RCW
26.44.031 may be used for such purposes.

(3)(a) The parent, guardian, or legal custodian of the child may
waive his or her right to a fact-finding hearing by stipulating or
agreeing to the entry of an order of dependency establishing that the
child is dependent within the meaning of RCW 13.34.030. The parent,
guardian, or legal custodian may also stipulate or agree to an order
of disposition pursuant to RCW 13.34.130 at the same time. Any
stipulated or agreed order of dependency or disposition must be
signed by the parent, guardian, or legal custodian and his or her
attorney, unless the parent, guardian, or legal custodian has waived
his or her right to an attorney in open court, and by the petitioner
and the attorney, guardian ad litem, or court-appointed special
advocate for the child, if any. If the department ((of social and
health services)) is not the petitioner and is required by the order
to supervise the placement of the child or provide services to any
party, the department must also agree to and sign the order.

(b) Entry of any stipulated or agreed order of dependency or
disposition is subject to approval by the court. The court shall
receive and review a social study before entering a stipulated or
agreed order and shall consider whether the order is consistent with
the allegations of the dependency petition and the problems that
necessitated the child's placement in out-of-home care. No social
file or social study may be considered by the court in connection
with the fact-finding hearing or prior to factual determination,
except as otherwise admissible under the rules of evidence.

(c) Prior to the entry of any stipulated or agreed order of
dependency, the parent, guardian, or legal custodian of the child and
his or her attorney must appear before the court and the court within
available resources must inquire and establish on the record that:

(i) The parent, guardian, or legal custodian understands the
terms of the order or orders he or she has signed, including his or
her responsibility to participate in remedial services as provided in
any disposition order;

(ii) The parent, guardian, or legal custodian understands that
entry of the order starts a process that could result in the filing
of a petition to terminate his or her relationship with the child
within the time frames required by state and federal law if he or she
fails to comply with the terms of the dependency or disposition orders or fails to substantially remedy the problems that necessitated the child's placement in out-of-home care;

(iii) The parent, guardian, or legal custodian understands that the entry of the stipulated or agreed order of dependency is an admission that the child is dependent within the meaning of RCW 13.34.030 and shall have the same legal effect as a finding by the court that the child is dependent by at least a preponderance of the evidence, and that the parent, guardian, or legal custodian shall not have the right in any subsequent proceeding for termination of parental rights or dependency guardianship pursuant to this chapter or nonparental custody pursuant to chapter 26.10 RCW to challenge or dispute the fact that the child was found to be dependent; and

(iv) The parent, guardian, or legal custodian knowingly and willingly stipulated and agreed to and signed the order or orders, without duress, and without misrepresentation or fraud by any other party.

If a parent, guardian, or legal custodian fails to appear before the court after stipulating or agreeing to entry of an order of dependency, the court may enter the order upon a finding that the parent, guardian, or legal custodian had actual notice of the right to appear before the court and chose not to do so. The court may require other parties to the order, including the attorney for the parent, guardian, or legal custodian, to appear and advise the court of the parent's, guardian's, or legal custodian's notice of the right to appear and understanding of the factors specified in this subsection. A parent, guardian, or legal custodian may choose to waive his or her presence at the in-court hearing for entry of the stipulated or agreed order of dependency by submitting to the court through counsel a completed stipulated or agreed dependency fact-finding/disposition statement in a form determined by the Washington state supreme court pursuant to General Rule GR 9.

(4) Immediately after the entry of the findings of fact, the court shall hold a disposition hearing, unless there is good cause for continuing the matter for up to fourteen days. If good cause is shown, the case may be continued for longer than fourteen days. Notice of the time and place of the continued hearing may be given in open court. If notice in open court is not given to a party, that party shall be notified by certified mail of the time and place of any continued hearing. Unless there is reasonable cause to believe
the health, safety, or welfare of the child would be jeopardized or efforts to reunite the parent and child would be hindered, the court shall direct the department to notify those adult persons who: (a) Are related by blood or marriage to the child in the following degrees: Parent, grandparent, brother, sister, stepparent, stepbrother, stepsister, uncle, or aunt; (b) are known to the department as having been in contact with the family or child within the past twelve months; and (c) would be an appropriate placement for the child. Reasonable cause to dispense with notification to a parent under this section must be proved by clear, cogent, and convincing evidence.

The parties need not appear at the fact-finding or dispositional hearing if the parties, their attorneys, the guardian ad litem, and court-appointed special advocates, if any, are all in agreement.

Sec. 306. RCW 13.34.136 and 2015 c 270 s 1 are each amended to read as follows:

(1) Whenever a child is ordered removed from the home, a permanency plan shall be developed no later than sixty days from the time the supervising agency assumes responsibility for providing services, including placing the child, or at the time of a hearing under RCW 13.34.130, whichever occurs first. The permanency planning process continues until a permanency planning goal is achieved or dependency is dismissed. The planning process shall include reasonable efforts to return the child to the parent's home.

(2) The agency supervising the dependency shall submit a written permanency plan to all parties and the court not less than fourteen days prior to the scheduled hearing. Responsive reports of parties not in agreement with the department's or supervising agency's proposed permanency plan must be provided to the department or supervising agency, all other parties, and the court at least seven days prior to the hearing.

The permanency plan shall include:

(a) A permanency plan of care that shall identify one of the following outcomes as a primary goal and may identify additional outcomes as alternative goals: Return of the child to the home of the child's parent, guardian, or legal custodian; adoption, including a tribal customary adoption as defined in RCW 13.38.040; guardianship; permanent legal custody; long-term relative or foster care, if the child is between ages sixteen and eighteen, with a written agreement.
between the parties and the care provider; successful completion of a responsible living skills program; or independent living, if appropriate and if the child is age sixteen or older. Although a permanency plan of care may only identify long-term relative or foster care for children between ages sixteen and eighteen, children under sixteen may remain placed with relatives or in foster care. The department or supervising agency shall not discharge a child to an independent living situation before the child is eighteen years of age unless the child becomes emancipated pursuant to chapter 13.64 RCW;

(b) Unless the court has ordered, pursuant to RCW 13.34.130(8), that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to return the child home, what steps the supervising agency or the department will take to promote existing appropriate sibling relationships and/or facilitate placement together or contact in accordance with the best interests of each child, and what actions the department or supervising agency will take to maintain parent-child ties. All aspects of the plan shall include the goal of achieving permanence for the child.

(i) The department's or supervising agency's plan shall specify what services the parents will be offered to enable them to resume custody, what requirements the parents must meet to resume custody, and a time limit for each service plan and parental requirement.

(A) If the parent is incarcerated, the plan must address how the parent will participate in the case conference and permanency planning meetings and, where possible, must include treatment that reflects the resources available at the facility where the parent is confined. The plan must provide for visitation opportunities, unless visitation is not in the best interests of the child.

(B) If a parent has a developmental disability according to the definition provided in RCW 71A.10.020, and that individual is eligible for services provided by the department of social and health services developmental disabilities administration, the department shall make reasonable efforts to consult with the department of social and health services developmental disabilities administration to create an appropriate plan for services. For individuals who meet the definition of developmental disability provided in RCW 71A.10.020 and who are eligible for services through the developmental disabilities administration, the plan for services must be tailored...
to correct the parental deficiency taking into consideration the
parent's disability and the department shall also determine an
appropriate method to offer those services based on the parent's
disability.

(ii)(A) Visitation is the right of the family, including the
child and the parent, in cases in which visitation is in the best
interest of the child. Early, consistent, and frequent visitation is
crucial for maintaining parent-child relationships and making it
possible for parents and children to safely reunify. The supervising
agency or department shall encourage the maximum parent and child and
sibling contact possible, when it is in the best interest of the
child, including regular visitation and participation by the parents
in the care of the child while the child is in placement.

(B) Visitation shall not be limited as a sanction for a parent's
failure to comply with court orders or services where the health,
safety, or welfare of the child is not at risk as a result of the
visitation.

(C) Visitation may be limited or denied only if the court
determines that such limitation or denial is necessary to protect the
child's health, safety, or welfare. When a parent or sibling has been
identified as a suspect in an active criminal investigation for a
violent crime that, if the allegations are true, would impact the
safety of the child, the department shall make a concerted effort to
consult with the assigned law enforcement officer in the criminal
case before recommending any changes in parent/child or child/sibling
contact. In the event that the law enforcement officer has
information pertaining to the criminal case that may have serious
implications for child safety or well-being, the law enforcement
officer shall provide this information to the department during the
consultation. The department may only use the information provided by
law enforcement during the consultation to inform family visitation
plans and may not share or otherwise distribute the information to
any person or entity. Any information provided to the department by
law enforcement during the consultation is considered investigative
information and is exempt from public inspection pursuant to RCW
42.56.240. The results of the consultation shall be communicated to
the court.

(D) The court and the department or supervising agency should
rely upon community resources, relatives, foster parents, and other
appropriate persons to provide transportation and supervision for
visitation to the extent that such resources are available, and appropriate, and the child's safety would not be compromised.

(iii)(A) The department, court, or caregiver in the out-of-home placement may not limit visitation or contact between a child and sibling as a sanction for a child's behavior or as an incentive to the child to change his or her behavior.

(B) Any exceptions, limitation, or denial of contacts or visitation must be approved by the supervisor of the department caseworker and documented. The child, parent, department, guardian ad litem, or court-appointed special advocate may challenge the denial of visits in court.

(iv) A child shall be placed as close to the child's home as possible, preferably in the child's own neighborhood, unless the court finds that placement at a greater distance is necessary to promote the child's or parents' well-being.

(v) The plan shall state whether both in-state and, where appropriate, out-of-state placement options have been considered by the department or supervising agency.

(vi) Unless it is not in the best interests of the child, whenever practical, the plan should ensure the child remains enrolled in the school the child was attending at the time the child entered foster care.

(vii) The supervising agency or department shall provide all reasonable services that are available within the department or supervising agency, or within the community, or those services which the department has existing contracts to purchase. It shall report to the court if it is unable to provide such services; and

(c) If the court has ordered, pursuant to RCW 13.34.130(8), that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to achieve permanency for the child, services to be offered or provided to the child, and, if visitation would be in the best interests of the child, a recommendation to the court regarding visitation between parent and child pending a fact-finding hearing on the termination petition. The department or supervising agency shall not be required to develop a plan of services for the parents or provide services to the parents if the court orders a termination petition be filed. However, reasonable efforts to ensure visitation and contact between siblings shall be made unless there is reasonable cause to believe the best interests of the child or siblings would be jeopardized.
(3) Permanency planning goals should be achieved at the earliest possible date. If the child has been in out-of-home care for fifteen of the most recent twenty-two months, and the court has not made a good cause exception, the court shall require the department or supervising agency to file a petition seeking termination of parental rights in accordance with RCW 13.34.145(4)(b)(vi). In cases where parental rights have been terminated, the child is legally free for adoption, and adoption has been identified as the primary permanency planning goal, it shall be a goal to complete the adoption within six months following entry of the termination order.

(4) If the court determines that the continuation of reasonable efforts to prevent or eliminate the need to remove the child from his or her home or to safely return the child home should not be part of the permanency plan of care for the child, reasonable efforts shall be made to place the child in a timely manner and to complete whatever steps are necessary to finalize the permanent placement of the child.

(5) The identified outcomes and goals of the permanency plan may change over time based upon the circumstances of the particular case.

(6) The court shall consider the child's relationships with the child's siblings in accordance with RCW 13.34.130(6). Whenever the permanency plan for a child is adoption, the court shall encourage the prospective adoptive parents, birth parents, foster parents, kinship caregivers, and the department or other supervising agency to seriously consider the long-term benefits to the child adoptee and his or her siblings of providing for and facilitating continuing postadoption contact between the siblings. To the extent that it is feasible, and when it is in the best interests of the child adoptee and his or her siblings, contact between the siblings should be frequent and of a similar nature as that which existed prior to the adoption. If the child adoptee or his or her siblings are represented by an attorney or guardian ad litem in a proceeding under this chapter or in any other child custody proceeding, the court shall inquire of each attorney and guardian ad litem regarding the potential benefits of continuing contact between the siblings and the potential detriments of severing contact. This section does not require the department (of social and health services) or other supervising agency to agree to any specific provisions in an open adoption agreement and does not create a new obligation for the
department to provide supervision or transportation for visits between siblings separated by adoption from foster care.

(7) For purposes related to permanency planning:
(a) "Guardianship" means a dependency guardianship or a legal guardianship pursuant to chapter 11.88 RCW or equivalent laws of another state or a federally recognized Indian tribe.
(b) "Permanent custody order" means a custody order entered pursuant to chapter 26.10 RCW.
(c) "Permanent legal custody" means legal custody pursuant to chapter 26.10 RCW or equivalent laws of another state or a federally recognized Indian tribe.

Sec. 307. RCW 13.34.141 and 2009 c 484 s 1 are each amended to read as follows:
(1) After entry of a dispositional order pursuant to RCW 13.34.130 ordering placement of a child in out-of-home care, the department shall continue to encourage the parent, guardian, or custodian of the child to engage in services and maintain contact with the child, which shall be accomplished by attaching a standard notice to the services and safety plan to be provided in advance of hearings conducted pursuant to RCW 13.34.138.
(2) The notice shall be photocopied on contrasting paper to distinguish it from the services and safety plan to which it is attached, and shall be in substantially the following form:

"NOTICE

If you have not been maintaining consistent contact with your child in out-of-home care, your ability to reunify with your child may be jeopardized. If this is your situation, you need to be aware that you have important legal rights and must take steps to protect your interests.

1. The department of ((social and health services)) children, youth, and families (or other supervising agency) and the court have created a permanency plan for your child, including a primary placement plan and a secondary placement plan, and recommending services needed before your child can be placed in the primary or secondary placement. If you want the court to order that your child be reunified with you, you should notify your lawyer and the department, and you should carefully comply with court orders for services and participate regularly in visitation with your child.

p. 80
Failure to promptly engage in services or to maintain contact with your child may lead to the filing of a petition to terminate your rights as a parent.

2. Primary and secondary permanency plans are intended to run at the same time so that your child will have a permanent home as quickly as possible. Even if you want another parent or person to be the primary placement choice for your child, you should tell your lawyer, the department, and the court if you want to be the secondary placement option, and you should comply with any court orders for services and participate in visitation with your child. Early and consistent involvement in your child's case plan is important for the well-being of your child.

3. Dependency review hearings, and all other dependency case hearings, are legal proceedings with potentially serious consequences. Failure to participate, respond, or comply with court orders may lead to the loss of your parental rights."

Sec. 308. RCW 13.34.180 and 2013 c 173 s 4 are each amended to read as follows:

(1) A petition seeking termination of a parent and child relationship may be filed in juvenile court by any party, including the supervising agency, to the dependency proceedings concerning that child. Such petition shall conform to the requirements of RCW 13.34.040, shall be served upon the parties as provided in RCW 13.34.070(8), and shall allege all of the following unless subsection (3) or (4) of this section applies:

(a) That the child has been found to be a dependent child;
(b) That the court has entered a dispositional order pursuant to RCW 13.34.130;
(c) That the child has been removed or will, at the time of the hearing, have been removed from the custody of the parent for a period of at least six months pursuant to a finding of dependency;
(d) That the services ordered under RCW 13.34.136 have been expressly and understandably offered or provided and all necessary services, reasonably available, capable of correcting the parental deficiencies within the foreseeable future have been expressly and understandably offered or provided;
(e) That there is little likelihood that conditions will be remedied so that the child can be returned to the parent in the near future. A parent's failure to substantially improve parental
deficiencies within twelve months following entry of the
dispositional order shall give rise to a rebuttable presumption that
there is little likelihood that conditions will be remedied so that
the child can be returned to the parent in the near future. The
presumption shall not arise unless the petitioner makes a showing
that all necessary services reasonably capable of correcting the
parental deficiencies within the foreseeable future have been clearly
offered or provided. In determining whether the conditions will be
remedied the court may consider, but is not limited to, the following
factors:

   (i) Use of intoxicating or controlled substances so as to render
the parent incapable of providing proper care for the child for
extended periods of time or for periods of time that present a risk
of imminent harm to the child, and documented unwillingness of the
parent to receive and complete treatment or documented multiple
failed treatment attempts;

   (ii) Psychological incapacity or mental deficiency of the parent
that is so severe and chronic as to render the parent incapable of
providing proper care for the child for extended periods of time or
for periods of time that present a risk of imminent harm to the
child, and documented unwillingness of the parent to receive and
complete treatment or documentation that there is no treatment that
can render the parent capable of providing proper care for the child
in the near future; or

   (iii) Failure of the parent to have contact with the child for an
extended period of time after the filing of the dependency petition
if the parent was provided an opportunity to have a relationship with
the child by the department or the court and received documented
notice of the potential consequences of this failure, except that the
actual inability of a parent to have visitation with the child
including, but not limited to, mitigating circumstances such as a
parent's current or prior incarceration or service in the military
does not in and of itself constitute failure to have contact with the
child; and

   (f) That continuation of the parent and child relationship
clearly diminishes the child's prospects for early integration into a
stable and permanent home. If the parent is incarcerated, the court
shall consider whether a parent maintains a meaningful role in his or
her child's life based on factors identified in RCW 13.34.145(5)(b);
whether the department or supervising agency made reasonable efforts

as defined in this chapter; and whether particular barriers existed
as described in RCW 13.34.145(5)(b) including, but not limited to,
delays or barriers experienced in keeping the agency apprised of his
or her location and in accessing visitation or other meaningful
contact with the child.

(2) As evidence of rebuttal to any presumption established
pursuant to subsection (1)(e) of this section, the court may consider
the particular constraints of a parent's current or prior
incarceration. Such evidence may include, but is not limited to,
delays or barriers a parent may experience in keeping the agency
apprised of his or her location and in accessing visitation or other
meaningful contact with the child.

(3) In lieu of the allegations in subsection (1) of this section,
the petition may allege that the child was found under such
circumstances that the whereabouts of the child's parent are unknown
and no person has acknowledged paternity or maternity and requested
custody of the child within two months after the child was found.

(4) In lieu of the allegations in subsection (1)(b) through (f)
of this section, the petition may allege that the parent has been
convicted of:

(a) Murder in the first degree, murder in the second degree, or
homicide by abuse as defined in chapter 9A.32 RCW against another
child of the parent;

(b) Manslaughter in the first degree or manslaughter in the
second degree, as defined in chapter 9A.32 RCW against another child
of the parent;

(c) Attempting, conspiring, or soliciting another to commit one
or more of the crimes listed in (a) or (b) of this subsection; or

(d) Assault in the first or second degree, as defined in chapter
9A.36 RCW, against the surviving child or another child of the
parent.

(5) When a parent has been sentenced to a long-term incarceration
and has maintained a meaningful role in the child's life considering
the factors provided in RCW 13.34.145(5)(b), and it is in the best
interest of the child, the department should consider a permanent
placement that allows the parent to maintain a relationship with his
or her child, such as, but not limited to, a guardianship pursuant to
chapter 13.36 RCW.
Notice of rights shall be served upon the parent, guardian, or legal custodian with the petition and shall be in substantially the following form:

"NOTICE

(b) For adoptions finalized on or before October 1, 1993, the department of health may not provide a noncertified copy of the original birth certificate to the adoptee until after June 30, 2014. After June 30, 2014, the department of health shall provide a noncertified copy of the original birth certificate to an adoptee eighteen years of age or older upon request, unless the birth parent...
has filed a contact preference form that indicates he or she does not want the original birth certificate released: PROVIDED, That the contact preference form has not expired.

(c) An affidavit of nondisclosure expires upon the death of the birth parent.

(4)(a) Regardless of whether a birth parent has filed an affidavit of nondisclosure or when the adoption was finalized, a birth parent may at any time complete a contact preference form stating his or her preference about personal contact with the adoptee, which, if available, must accompany an original birth certificate provided to an adoptee under subsection (3) of this section.

(b) The contact preference form must include the following options:

(i) I would like to be contacted. I give the department of health consent to provide the adoptee with a noncertified copy of his or her original birth certificate;

(ii) I would like to be contacted only through a confidential intermediary as described in RCW 26.33.343. I give the department of health consent to provide the adoptee with a noncertified copy of his or her original birth certificate;

(iii) I prefer not to be contacted and have completed the birth parent updated medical history form. I give the department of health consent to provide the adoptee with a noncertified copy of his or her original birth certificate; and

(c) If the birth parent indicates he or she prefers not to be contacted, personally identifying information on the contact preference form must be kept confidential and may not be released.

(d) Nothing in this section precludes a birth parent from subsequently filing another contact preference form to rescind the previous contact preference form and state a different preference.

(e) A contact preference form expires upon the death of the birth parent.

(5) If a birth parent files a contact preference form, the birth parent must also file an updated medical history form with the department of health. Upon request of the adoptee, the department of
health must provide the adoptee with the updated medical history form filed by the adoptee's birth parent.

(6) Both a completed contact preference form and birth parent updated medical history form are confidential and must be placed in the adoptee's sealed file.

(7) If a birth parent files a contact preference form within six months after the first time an adoptee requests a copy of his or her original birth certificate as provided in subsection (3) of this section, the department of health must forward the contact preference form and the birth parent updated medical history form to the address of the adoptee.

(8) The department of health may charge a fee not to exceed twenty dollars for providing a noncertified copy of a birth certificate to an adoptee.

(9) The department of health must create the contact preference form and an updated medical history form. The contact preference form must provide a method to ensure personally identifying information can be kept confidential. The updated medical history form may not require the birth parent to disclose any identifying information about the birth parent.

(10) If the department of health does not provide an adoptee with a noncertified copy of the original birth certificate because a valid affidavit of nondisclosure or contact preference form has been filed, the adoptee may request, no more than once per year, that the department of health attempt to determine if the birth parent is deceased. Upon request of the adoptee, the department of health must make a reasonable effort to search public records that are accessible and already available to the department of health to determine if the birth parent is deceased. The department of health may charge the adoptee a reasonable fee to cover the cost of conducting a search.

Sec. 321. RCW 26.44.020 and 2012 c 259 s 1 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Abuse or neglect" means sexual abuse, sexual exploitation, or injury of a child by any person under circumstances which cause harm to the child's health, welfare, or safety, excluding conduct permitted under RCW 9A.16.100; or the negligent treatment or maltreatment of a child by a person responsible for or providing care
to the child. An abused child is a child who has been subjected to child abuse or neglect as defined in this section.

(2) "Child" or "children" means any person under the age of eighteen years of age.

(3) "Child protective services" means those services provided by the department designed to protect children from child abuse and neglect and safeguard such children from future abuse and neglect, and conduct investigations of child abuse and neglect reports. Investigations may be conducted regardless of the location of the alleged abuse or neglect. Child protective services includes referral to services to ameliorate conditions that endanger the welfare of children, the coordination of necessary programs and services relevant to the prevention, intervention, and treatment of child abuse and neglect, and services to children to ensure that each child has a permanent home. In determining whether protective services should be provided, the department shall not decline to provide such services solely because of the child's unwillingness or developmental inability to describe the nature and severity of the abuse or neglect.

(4) "Child protective services section" means the child protective services section of the department.

(5) "Children's advocacy center" means a child-focused facility in good standing with the state chapter for children's advocacy centers and that coordinates a multidisciplinary process for the investigation, prosecution, and treatment of sexual and other types of child abuse. Children's advocacy centers provide a location for forensic interviews and coordinate access to services such as, but not limited to, medical evaluations, advocacy, therapy, and case review by multidisciplinary teams within the context of county protocols as defined in RCW 26.44.180 and 26.44.185.

(6) "Clergy" means any regularly licensed or ordained minister, priest, or rabbi of any church or religious denomination, whether acting in an individual capacity or as an employee or agent of any public or private organization or institution.

(7) "Court" means the superior court of the state of Washington, juvenile department.

(8) "Department" means the ((state)) department of ((social and health services)) children, youth, and families.

(9) "Family assessment" means a comprehensive assessment of child safety, risk of subsequent child abuse or neglect, and family
strengths and needs that is applied to a child abuse or neglect report. Family assessment does not include a determination as to whether child abuse or neglect occurred, but does determine the need for services to address the safety of the child and the risk of subsequent maltreatment.

(10) "Family assessment response" means a way of responding to certain reports of child abuse or neglect made under this chapter using a differential response approach to child protective services. The family assessment response shall focus on the safety of the child, the integrity and preservation of the family, and shall assess the status of the child and the family in terms of risk of abuse and neglect including the parent's or guardian's or other caretaker's capacity and willingness to protect the child and, if necessary, plan and arrange the provision of services to reduce the risk and otherwise support the family. No one is named as a perpetrator, and no investigative finding is entered in the record as a result of a family assessment.

(11) "Founded" means the determination following an investigation by the department that, based on available information, it is more likely than not that child abuse or neglect did occur.

(12) "Inconclusive" means the determination following an investigation by the department of social and health services, prior to October 1, 2008, that based on available information a decision cannot be made that more likely than not, child abuse or neglect did or did not occur.

(13) "Institution" means a private or public hospital or any other facility providing medical diagnosis, treatment, or care.

(14) "Law enforcement agency" means the police department, the prosecuting attorney, the state patrol, the director of public safety, or the office of the sheriff.

(15) "Malice" or "maliciously" means an intent, wish, or design to intimidate, annoy, or injure another person. Such malice may be inferred from an act done in willful disregard of the rights of another, or an act wrongfully done without just cause or excuse, or an act or omission of duty betraying a willful disregard of social duty.

(16) "Negligent treatment or maltreatment" means an act or a failure to act, or the cumulative effects of a pattern of conduct, behavior, or inaction, that evidences a serious disregard of consequences of such magnitude as to constitute a clear and present
danger to a child's health, welfare, or safety, including but not limited to conduct prohibited under RCW 9A.42.100. When considering whether a clear and present danger exists, evidence of a parent's substance abuse as a contributing factor to negligent treatment or maltreatment shall be given great weight. The fact that siblings share a bedroom is not, in and of itself, negligent treatment or maltreatment. Poverty, homelessness, or exposure to domestic violence as defined in RCW 26.50.010 that is perpetrated against someone other than the child does not constitute negligent treatment or maltreatment in and of itself.

(17) "Pharmacist" means any registered pharmacist under chapter 18.64 RCW, whether acting in an individual capacity or as an employee or agent of any public or private organization or institution.

(18) "Practitioner of the healing arts" or "practitioner" means a person licensed by this state to practice podiatric medicine and surgery, optometry, chiropractic, nursing, dentistry, osteopathic medicine and surgery, or medicine and surgery or to provide other health services. The term "practitioner" includes a duly accredited Christian Science practitioner. A person who is being furnished Christian Science treatment by a duly accredited Christian Science practitioner will not be considered, for that reason alone, a neglected person for the purposes of this chapter.

(19) "Professional school personnel" include, but are not limited to, teachers, counselors, administrators, child care facility personnel, and school nurses.

(20) "Psychologist" means any person licensed to practice psychology under chapter 18.83 RCW, whether acting in an individual capacity or as an employee or agent of any public or private organization or institution.

(21) "Screened-out report" means a report of alleged child abuse or neglect that the department has determined does not rise to the level of a credible report of abuse or neglect and is not referred for investigation.

(22) "Sexual exploitation" includes: (a) Allowing, permitting, or encouraging a child to engage in prostitution by any person; or (b) allowing, permitting, encouraging, or engaging in the obscene or pornographic photographing, filming, or depicting of a child by any person.

(23) "Sexually aggressive youth" means a child who is defined in RCW 74.13.075(1)(b) as being a sexually aggressive youth.
"Social service counselor" means anyone engaged in a professional capacity during the regular course of employment in encouraging or promoting the health, welfare, support, or education of children, or providing social services to adults or families, including mental health, drug and alcohol treatment, and domestic violence programs, whether in an individual capacity, or as an employee or agent of any public or private organization or institution.

"Supervising agency" means an agency licensed by the state under RCW 74.15.090 or an Indian tribe under RCW 74.15.190 that has entered into a performance-based contract with the department to provide child welfare services.

"Unfounded" means the determination following an investigation by the department that available information indicates that, more likely than not, child abuse or neglect did not occur, or that there is insufficient evidence for the department to determine whether the alleged child abuse did or did not occur.

**Sec. 322.** RCW 26.44.030 and 2016 c 166 s 4 are each amended to read as follows:

(1)(a) When any practitioner, county coroner or medical examiner, law enforcement officer, professional school personnel, registered or licensed nurse, social service counselor, psychologist, pharmacist, employee of the department of [(early learning)] children, youth, and families, licensed or certified child care providers or their employees, employee of the department of social and health services, juvenile probation officer, placement and liaison specialist, responsible living skills program staff, HOPE center staff, state family and children's ombuds or any volunteer in the ombuds's office, or host home program has reasonable cause to believe that a child has suffered abuse or neglect, he or she shall report such incident, or cause a report to be made, to the proper law enforcement agency or to the department as provided in RCW 26.44.040.

(b) When any person, in his or her official supervisory capacity with a nonprofit or for-profit organization, has reasonable cause to believe that a child has suffered abuse or neglect caused by a person over whom he or she regularly exercises supervisory authority, he or she shall report such incident, or cause a report to be made, to the proper law enforcement agency, provided that the person alleged to have caused the abuse or neglect is employed by, contracted by, or
volunteers with the organization and coaches, trains, educates, or counsels a child or children or regularly has unsupervised access to a child or children as part of the employment, contract, or voluntary service. No one shall be required to report under this section when he or she obtains the information solely as a result of a privileged communication as provided in RCW 5.60.060.

Nothing in this subsection (1)(b) shall limit a person's duty to report under (a) of this subsection.

For the purposes of this subsection, the following definitions apply:

(i) "Official supervisory capacity" means a position, status, or role created, recognized, or designated by any nonprofit or for-profit organization, either for financial gain or without financial gain, whose scope includes, but is not limited to, overseeing, directing, or managing another person who is employed by, contracted by, or volunteers with the nonprofit or for-profit organization.

(ii) "Organization" includes a sole proprietor, partnership, corporation, limited liability company, trust, association, financial institution, governmental entity, other than the federal government, and any other individual or group engaged in a trade, occupation, enterprise, governmental function, charitable function, or similar activity in this state whether or not the entity is operated as a nonprofit or for-profit entity.

(iii) "Reasonable cause" means a person witnesses or receives a credible written or oral report alleging abuse, including sexual contact, or neglect of a child.

(iv) "Regularly exercises supervisory authority" means to act in his or her official supervisory capacity on an ongoing or continuing basis with regards to a particular person.

(v) "Sexual contact" has the same meaning as in RCW 9A.44.010.

(c) The reporting requirement also applies to department of corrections personnel who, in the course of their employment, observe offenders or the children with whom the offenders are in contact. If, as a result of observations or information received in the course of his or her employment, any department of corrections personnel has reasonable cause to believe that a child has suffered abuse or neglect, he or she shall report the incident, or cause a report to be made, to the proper law enforcement agency or to the department as provided in RCW 26.44.040.
(d) The reporting requirement shall also apply to any adult who has reasonable cause to believe that a child who resides with them, has suffered severe abuse, and is able or capable of making a report. For the purposes of this subsection, "severe abuse" means any of the following: Any single act of abuse that causes physical trauma of sufficient severity that, if left untreated, could cause death; any single act of sexual abuse that causes significant bleeding, deep bruising, or significant external or internal swelling; or more than one act of physical abuse, each of which causes bleeding, deep bruising, significant external or internal swelling, bone fracture, or unconsciousness.

(e) The reporting requirement also applies to guardians ad litem, including court-appointed special advocates, appointed under Titles 11 and 13 RCW and this title, who in the course of their representation of children in these actions have reasonable cause to believe a child has been abused or neglected.

(f) The reporting requirement in (a) of this subsection also applies to administrative and academic or athletic department employees, including student employees, of institutions of higher education, as defined in RCW 28B.10.016, and of private institutions of higher education.

(g) The report must be made at the first opportunity, but in no case longer than forty-eight hours after there is reasonable cause to believe that the child has suffered abuse or neglect. The report must include the identity of the accused if known.

(2) The reporting requirement of subsection (1) of this section does not apply to the discovery of abuse or neglect that occurred during childhood if it is discovered after the child has become an adult. However, if there is reasonable cause to believe other children are or may be at risk of abuse or neglect by the accused, the reporting requirement of subsection (1) of this section does apply.

(3) Any other person who has reasonable cause to believe that a child has suffered abuse or neglect may report such incident to the proper law enforcement agency or to the department (of social and health services) as provided in RCW 26.44.040.

(4) The department, upon receiving a report of an incident of alleged abuse or neglect pursuant to this chapter, involving a child who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means or who has been subjected
to alleged sexual abuse, shall report such incident to the proper law
enforcement agency, including military law enforcement, if
appropriate. In emergency cases, where the child's welfare is
endangered, the department shall notify the proper law enforcement
agency within twenty-four hours after a report is received by the
department. In all other cases, the department shall notify the law
enforcement agency within seventy-two hours after a report is
received by the department. If the department makes an oral report, a
written report must also be made to the proper law enforcement agency
within five days thereafter.

(5) Any law enforcement agency receiving a report of an incident
of alleged abuse or neglect pursuant to this chapter, involving a
child who has died or has had physical injury or injuries inflicted
upon him or her other than by accidental means, or who has been
subjected to alleged sexual abuse, shall report such incident in
writing as provided in RCW 26.44.040 to the proper county prosecutor
or city attorney for appropriate action whenever the law enforcement
agency's investigation reveals that a crime may have been committed.
The law enforcement agency shall also notify the department of all
reports received and the law enforcement agency's disposition of
them. In emergency cases, where the child's welfare is endangered,
the law enforcement agency shall notify the department within twenty-
four hours. In all other cases, the law enforcement agency shall
notify the department within seventy-two hours after a report is
received by the law enforcement agency.

(6) Any county prosecutor or city attorney receiving a report
under subsection (5) of this section shall notify the victim, any
persons the victim requests, and the local office of the department,
of the decision to charge or decline to charge a crime, within five
days of making the decision.

(7) The department may conduct ongoing case planning and
consultation with those persons or agencies required to report under
this section, with consultants designated by the department, and with
designated representatives of Washington Indian tribes if the client
information exchanged is pertinent to cases currently receiving child
protective services. Upon request, the department shall conduct such
planning and consultation with those persons required to report under
this section if the department determines it is in the best interests
of the child. Information considered privileged by statute and not
directly related to reports required by this section must not be
divulged without a valid written waiver of the privilege.

(8) Any case referred to the department by a physician licensed
under chapter 18.57 or 18.71 RCW on the basis of an expert medical
opinion that child abuse, neglect, or sexual assault has occurred and
that the child's safety will be seriously endangered if returned
home, the department shall file a dependency petition unless a second
licensed physician of the parents' choice believes that such expert
medical opinion is incorrect. If the parents fail to designate a
second physician, the department may make the selection. If a
physician finds that a child has suffered abuse or neglect but that
such abuse or neglect does not constitute imminent danger to the
child's health or safety, and the department agrees with the
physician's assessment, the child may be left in the parents' home
while the department proceeds with reasonable efforts to remedy
parenting deficiencies.

(9) Persons or agencies exchanging information under subsection
(7) of this section shall not further disseminate or release the
information except as authorized by state or federal statute.
Violation of this subsection is a misdemeanor.

(10) Upon receiving a report of alleged abuse or neglect, the
department shall make reasonable efforts to learn the name, address,
and telephone number of each person making a report of abuse or
neglect under this section. The department shall provide assurances
of appropriate confidentiality of the identification of persons
reporting under this section. If the department is unable to learn
the information required under this subsection, the department shall
only investigate cases in which:

(a) The department believes there is a serious threat of
substantial harm to the child;

(b) The report indicates conduct involving a criminal offense
that has, or is about to occur, in which the child is the victim; or

(c) The department has a prior founded report of abuse or neglect
with regard to a member of the household that is within three years
of receipt of the referral.

(11)(a) Upon receiving a report of alleged abuse or neglect, the
department shall use one of the following discrete responses to
reports of child abuse or neglect that are screened in and accepted
for departmental response:

(i) Investigation; or
(ii) Family assessment.

(b) In making the response in (a) of this subsection the department shall:

(i) Use a method by which to assign cases to investigation or family assessment which are based on an array of factors that may include the presence of: Imminent danger, level of risk, number of previous child abuse or neglect reports, or other presenting case characteristics, such as the type of alleged maltreatment and the age of the alleged victim. Age of the alleged victim shall not be used as the sole criterion for determining case assignment;

(ii) Allow for a change in response assignment based on new information that alters risk or safety level;

(iii) Allow families assigned to family assessment to choose to receive an investigation rather than a family assessment;

(iv) Provide a full investigation if a family refuses the initial family assessment;

(v) Provide voluntary services to families based on the results of the initial family assessment. If a family refuses voluntary services, and the department cannot identify specific facts related to risk or safety that warrant assignment to investigation under this chapter, and there is not a history of reports of child abuse or neglect related to the family, then the department must close the family assessment response case. However, if at any time the department identifies risk or safety factors that warrant an investigation under this chapter, then the family assessment response case must be reassigned to investigation;

(vi) Conduct an investigation, and not a family assessment, in response to an allegation that, the department determines based on the intake assessment:

(A) Poses a risk of "imminent harm" consistent with the definition provided in RCW 13.34.050, which includes, but is not limited to, sexual abuse and sexual exploitation as defined in this chapter;

(B) Poses a serious threat of substantial harm to a child;

(C) Constitutes conduct involving a criminal offense that has, or is about to occur, in which the child is the victim;

(D) The child is an abandoned child as defined in RCW 13.34.030;

(E) The child is an adjudicated dependent child as defined in RCW 13.34.030, or the child is in a facility that is licensed, operated,
or certified for care of children by the department under chapter 74.15 RCW (or by the department of early learning)).

(c) The department may not be held civilly liable for the decision to respond to an allegation of child abuse or neglect by using the family assessment response under this section unless the state or its officers, agents, or employees acted with reckless disregard.

(12)(a) For reports of alleged abuse or neglect that are accepted for investigation by the department, the investigation shall be conducted within time frames established by the department in rule. In no case shall the investigation extend longer than ninety days from the date the report is received, unless the investigation is being conducted under a written protocol pursuant to RCW 26.44.180 and a law enforcement agency or prosecuting attorney has determined that a longer investigation period is necessary. At the completion of the investigation, the department shall make a finding that the report of child abuse or neglect is founded or unfounded.

(b) If a court in a civil or criminal proceeding, considering the same facts or circumstances as are contained in the report being investigated by the department, makes a judicial finding by a preponderance of the evidence or higher that the subject of the pending investigation has abused or neglected the child, the department shall adopt the finding in its investigation.

(13) For reports of alleged abuse or neglect that are responded to through family assessment response, the department shall:

(a) Provide the family with a written explanation of the procedure for assessment of the child and the family and its purposes;

(b) Collaborate with the family to identify family strengths, resources, and service needs, and develop a service plan with the goal of reducing risk of harm to the child and improving or restoring family well-being;

(c) Complete the family assessment response within forty-five days of receiving the report; however, upon parental agreement, the family assessment response period may be extended up to ninety days;

(d) Offer services to the family in a manner that makes it clear that acceptance of the services is voluntary;

(e) Implement the family assessment response in a consistent and cooperative manner;
(f) Have the parent or guardian sign an agreement to participate in services before services are initiated that informs the parents of their rights under family assessment response, all of their options, and the options the department has if the parents do not sign the consent form.

(14)(a) In conducting an investigation or family assessment of alleged abuse or neglect, the department or law enforcement agency:

(i) May interview children. If the department determines that the response to the allegation will be family assessment response, the preferred practice is to request a parent's, guardian's, or custodian's permission to interview the child before conducting the child interview unless doing so would compromise the safety of the child or the integrity of the assessment. The interviews may be conducted on school premises, at day-care facilities, at the child's home, or at other suitable locations outside of the presence of parents. If the allegation is investigated, parental notification of the interview must occur at the earliest possible point in the investigation that will not jeopardize the safety or protection of the child or the course of the investigation. Prior to commencing the interview the department or law enforcement agency shall determine whether the child wishes a third party to be present for the interview and, if so, shall make reasonable efforts to accommodate the child's wishes. Unless the child objects, the department or law enforcement agency shall make reasonable efforts to include a third party in any interview so long as the presence of the third party will not jeopardize the course of the investigation; and

(ii) Shall have access to all relevant records of the child in the possession of mandated reporters and their employees.

(b) The Washington state school directors' association shall adopt a model policy addressing protocols when an interview, as authorized by this subsection, is conducted on school premises. In formulating its policy, the association shall consult with the department and the Washington association of sheriffs and police chiefs.

(15) If a report of alleged abuse or neglect is founded and constitutes the third founded report received by the department within the last twelve months involving the same child or family, the department shall promptly notify the office of the family and children's ombuds of the contents of the report. The department shall also notify the ombuds of the disposition of the report.
(16) In investigating and responding to allegations of child abuse and neglect, the department may conduct background checks as authorized by state and federal law.

(17)(a) The department shall maintain investigation records and conduct timely and periodic reviews of all founded cases of abuse and neglect. The department shall maintain a log of screened-out nonabusive cases.

(b) In the family assessment response, the department shall not make a finding as to whether child abuse or neglect occurred. No one shall be named as a perpetrator and no investigative finding shall be entered in the department's child abuse or neglect database.

(18) The department shall use a risk assessment process when investigating alleged child abuse and neglect referrals. The department shall present the risk factors at all hearings in which the placement of a dependent child is an issue. Substance abuse must be a risk factor.

(19) Upon receipt of a report of alleged abuse or neglect the law enforcement agency may arrange to interview the person making the report and any collateral sources to determine if any malice is involved in the reporting.

(20) Upon receiving a report of alleged abuse or neglect involving a child under the court's jurisdiction under chapter 13.34 RCW, the department shall promptly notify the child's guardian ad litem of the report's contents. The department shall also notify the guardian ad litem of the disposition of the report. For purposes of this subsection, "guardian ad litem" has the meaning provided in RCW 13.34.030.

(21) The department shall make efforts as soon as practicable to determine the military status of parents whose children are subject to abuse or neglect allegations. If the department determines that a parent or guardian is in the military, the department shall notify a department of defense family advocacy program that there is an allegation of abuse and neglect that is screened in and open for investigation that relates to that military parent or guardian.

Sec. 323. RCW 26.44.040 and 1999 c 176 s 32 are each amended to read as follows:

An immediate oral report must be made by telephone or otherwise to the proper law enforcement agency or the department ((of social and health services)) and, upon request, must be followed by a report.
in writing. Such reports must contain the following information, if known:

(1) The name, address, and age of the child;
(2) The name and address of the child's parents, stepparents, guardians, or other persons having custody of the child;
(3) The nature and extent of the alleged injury or injuries;
(4) The nature and extent of the alleged neglect;
(5) The nature and extent of the alleged sexual abuse;
(6) Any evidence of previous injuries, including their nature and extent; and
(7) Any other information that may be helpful in establishing the cause of the child's death, injury, or injuries and the identity of the alleged perpetrator or perpetrators.

Sec. 324. RCW 26.44.050 and 2012 c 259 s 5 are each amended to read as follows:

Except as provided in RCW 26.44.030(11), upon the receipt of a report concerning the possible occurrence of abuse or neglect, the law enforcement agency or the department ((of social and health services)) must investigate and provide the protective services section with a report in accordance with chapter 74.13 RCW, and where necessary to refer such report to the court.

A law enforcement officer may take, or cause to be taken, a child into custody without a court order if there is probable cause to believe that the child is abused or neglected and that the child would be injured or could not be taken into custody if it were necessary to first obtain a court order pursuant to RCW 13.34.050. The law enforcement agency or the department ((of social and health services)) investigating such a report is hereby authorized to photograph such a child for the purpose of providing documentary evidence of the physical condition of the child.

Sec. 325. RCW 26.44.063 and 2008 c 267 s 4 are each amended to read as follows:

(1) It is the intent of the legislature to minimize trauma to a child involved in an allegation of sexual or physical abuse. The legislature declares that removing the child from the home or the care of a parent, guardian, or legal custodian often has the effect of further traumatizing the child. It is, therefore, the legislature's intent that the alleged abuser, rather than the child,
shall be removed or restrained from the child's residence and that this should be done at the earliest possible point of intervention in accordance with RCW 10.31.100, chapter 13.34 RCW, this section, and RCW 26.44.130.

(2) In any judicial proceeding in which it is alleged that a child has been subjected to sexual or physical abuse, if the court finds reasonable grounds to believe that an incident of sexual or physical abuse has occurred, the court may, on its own motion, or the motion of the guardian ad litem or other parties, issue a temporary restraining order or preliminary injunction restraining or enjoining the person accused of committing the abuse from:

(a) Molesting or disturbing the peace of the alleged victim;
(b) Entering the family home of the alleged victim except as specifically authorized by the court;
(c) Having any contact with the alleged victim, except as specifically authorized by the court;
(d) Knowingly coming within, or knowingly remaining within, a specified distance of a specified location.

(3) If the caretaker is willing, and does comply with the duties prescribed in subsection (8) of this section, uncertainty by the caretaker that the alleged abuser has in fact abused the alleged victim shall not, alone, be a basis to remove the alleged victim from the caretaker, nor shall it be considered neglect.

(4) In issuing a temporary restraining order or preliminary injunction, the court may impose any additional restrictions that the court in its discretion determines are necessary to protect the child from further abuse or emotional trauma pending final resolution of the abuse allegations.

(5) The court shall issue a temporary restraining order prohibiting a person from entering the family home if the court finds that the order would eliminate the need for an out-of-home placement to protect the child's right to nurturance, health, and safety and is sufficient to protect the child from further sexual or physical abuse or coercion.

(6) The court may issue a temporary restraining order without requiring notice to the party to be restrained or other parties only if it finds on the basis of the moving affidavit or other evidence that irreparable injury could result if an order is not issued until the time for responding has elapsed.

(7) A temporary restraining order or preliminary injunction:
(a) Does not prejudice the rights of a party or any child which
are to be adjudicated at subsequent hearings in the proceeding; and
(b) May be revoked or modified.

(8) The person having physical custody of the child shall have an
affirmative duty to assist in the enforcement of the restraining
order including but not limited to a duty to notify the court as soon
as practicable of any violation of the order, a duty to request the
assistance of law enforcement officers to enforce the order, and a
duty to notify the department ((of social and health services)) of
any violation of the order as soon as practicable if the department
is a party to the action. Failure by the custodial party to discharge
these affirmative duties shall be subject to contempt proceedings.

(9) Willful violation of a court order entered under this section
is a misdemeanor. A written order shall contain the court's directive
and shall bear the legend: "Violation of this order with actual
notice of its terms is a criminal offense under chapter 26.44 RCW, is
also subject to contempt proceedings, and will subject a violator to
arrest."

(10) If a restraining order issued under this section is modified
or terminated, the clerk of the court shall notify the law
enforcement agency specified in the order on or before the next
judicial day. Upon receipt of notice that an order has been
terminated, the law enforcement agency shall remove the order from
any computer-based criminal intelligence system.

Sec. 326. RCW 26.44.105 and 1985 c 183 s 2 are each amended to
read as follows:

Whenever a dependency petition is filed by the department ((of
social and health services)), it shall advise the parents, and any
child over the age of twelve who is subject to the dependency action,
of their respective rights under RCW 13.34.090. The parents and the
child shall be provided a copy of the dependency petition and a copy
of any court orders which have been issued. This advice of rights
under RCW 13.34.090 shall be in writing. The department caseworker
shall also make reasonable efforts to advise the parent and child of
these same rights orally.

Sec. 327. RCW 26.44.140 and 1997 c 344 s 1 are each amended to
read as follows:
The court shall require that an individual who, while acting in a parental role, has physically or sexually abused a child and has been removed from the home pursuant to a court order issued in a proceeding under chapter 13.34 RCW, prior to being permitted to reside in the home where the child resides, complete the treatment and education requirements necessary to protect the child from future abuse. The court may require the individual to continue treatment as a condition for remaining in the home where the child resides. Unless a parent, custodian, or guardian has been convicted of the crime for the acts of abuse determined in a fact-finding hearing under chapter 13.34 RCW, such person shall not be required to admit guilt in order to begin to fulfill any necessary treatment and education requirements under this section.

The department (of social and health services) or supervising agency shall be responsible for advising the court as to appropriate treatment and education requirements, providing referrals to the individual, monitoring and assessing the individual's progress, informing the court of such progress, and providing recommendations to the court.

The person removed from the home shall pay for these services unless the person is otherwise eligible to receive financial assistance in paying for such services. Nothing in this section shall be construed to create in any person an entitlement to services or financial assistance in paying for services.

Sec. 328. RCW 43.20A.360 and 2001 c 291 s 101 are each amended to read as follows:

(1) The secretary is hereby authorized to appoint such advisory committees or councils as may be required by any federal legislation as a condition to the receipt of federal funds by the department. The secretary may appoint statewide committees or councils in the following subject areas: (a) Health facilities; (b) (children and youth services; (c)) blind services; ((d)) (c) medical and health care; ((e)) (d) drug abuse and alcoholism; ((f)) (e) social services; ((g)) (f) economic services; ((h)) (g) vocational services; ((i)) (h) rehabilitative services; and (i) on such other subject matters as are or come within the department's responsibilities. The statewide councils shall have representation from both major political parties and shall have substantial consumer representation. Such committees or councils shall be constituted as
required by federal law or as the secretary in his or her discretion may determine. The members of the committees or councils shall hold office for three years except in the case of a vacancy, in which event appointment shall be only for the remainder of the unexpired term for which the vacancy occurs. No member shall serve more than two consecutive terms.

(2) Members of such state advisory committees or councils may be paid their travel expenses in accordance with RCW 43.03.050 and 43.03.060 as now existing or hereafter amended.

Sec. 329. RCW 74.04.800 and 2007 c 384 s 3 are each amended to read as follows:

(1)(a) The secretary of social and health services and the secretary of the department of children, youth, and families shall review current department policies and assess the adequacy and availability of programs targeted at persons who receive services through the department who are the children and families of a person who is incarcerated in a department of corrections facility. Great attention shall be focused on programs and policies affecting foster youth who have a parent who is incarcerated.

(b) The secretary of social and health services and the secretary of the department of children, youth, and families shall adopt policies that encourage familial contact and engagement between inmates of the department of corrections facilities and their children with the goal of facilitating normal child development, while reducing recidivism and intergenerational incarceration. Programs and policies should take into consideration the children's need to maintain contact with his or her parent, the inmate's ability to develop plans to financially support their children, assist in reunification when appropriate, and encourage the improvement of parenting skills where needed. The programs and policies should also meet the needs of the child while the parent is incarcerated.

(2) The secretary of social and health services and the secretary of the department of children, youth, and families shall conduct the following activities to assist in implementing the requirements of subsection (1) of this section:

(a) Gather information and data on the recipients of public assistance, or children in the care of the state under chapter 13.34 RCW, who are the children and families of inmates incarcerated in department of corrections facilities; and
(b) Participate in the children of incarcerated parents advisory
commitee and report information obtained under this section to the
advisory committee.

Sec. 330. RCW 26.34.030 and 1971 ex.s. c 168 s 3 are each
amended to read as follows:
The "appropriate public authorities" as used in Article III of
the Interstate Compact on the Placement of Children shall, with
reference to this state, mean the department of ((social and health
services)) children, youth, and families, and said agency shall
receive and act with reference to notices required by said Article
III.

Sec. 331. RCW 26.34.040 and 1971 ex.s. c 168 s 4 are each
amended to read as follows:
As used in paragraph (a) of Article V of the Interstate Compact
on the Placement of Children, the phrase "appropriate authority in
the receiving state" with reference to this state shall mean the
department of ((social and health services)) children, youth, and
families.

Sec. 332. RCW 70.02.220 and 2013 c 200 s 6 are each amended to
read as follows:
(1) No person may disclose or be compelled to disclose the
identity of any person who has investigated, considered, or requested
a test or treatment for a sexually transmitted disease, except as
authorized by this section, RCW 70.02.210, or chapter 70.24 RCW.
(2) No person may disclose or be compelled to disclose
information and records related to sexually transmitted diseases,
except as authorized by this section, RCW 70.02.210, or chapter 70.24
RCW. A person may disclose information related to sexually
transmitted diseases about a patient without the patient's
authorization, to the extent a recipient needs to know the
information, if the disclosure is to:
(a) The subject of the test or the subject's legal representative
for health care decisions in accordance with RCW 7.70.065, with the
exception of such a representative of a minor fourteen years of age
or over and otherwise competent;
(b) The state public health officer as defined in RCW 70.24.017,
a local public health officer, or the centers for disease control of
the United States public health service in accordance with reporting
requirements for a diagnosed case of a sexually transmitted disease;

(c) A health facility or health care provider that procure,
processes, distributes, or uses: (i) A human body part, tissue, or
blood from a deceased person with respect to medical information
regarding that person; (ii) semen, including that was provided prior
to March 23, 1988, for the purpose of artificial insemination; or
(iii) blood specimens;

(d) Any state or local public health officer conducting an
investigation pursuant to RCW 70.24.024, so long as the record was
obtained by means of court-ordered HIV testing pursuant to RCW
70.24.340 or 70.24.024;

(e) A person allowed access to the record by a court order
granted after application showing good cause therefor. In assessing
good cause, the court shall weigh the public interest and the need
for disclosure against the injury to the patient, to the physician-
patient relationship, and to the treatment services. Upon the
granting of the order, the court, in determining the extent to which
any disclosure of all or any part of the record of any such test is
necessary, shall impose appropriate safeguards against unauthorized
disclosure. An order authorizing disclosure must: (i) Limit
disclosure to those parts of the patient's record deemed essential to
fulfill the objective for which the order was granted; (ii) limit
disclosure to those persons whose need for information is the basis
for the order; and (iii) include any other appropriate measures to
keep disclosure to a minimum for the protection of the patient, the
physician-patient relationship, and the treatment services;

(f) Persons who, because of their behavioral interaction with the
infected individual, have been placed at risk for acquisition of a
sexually transmitted disease, as provided in RCW 70.24.022, if the
health officer or authorized representative believes that the exposed
person was unaware that a risk of disease exposure existed and that
the disclosure of the identity of the infected person is necessary;

(g) A law enforcement officer, firefighter, health care provider,
health care facility staff person, department of correction's staff
person, jail staff person, or other persons as defined by the board
of health in rule pursuant to RCW 70.24.340(4), who has requested a
test of a person whose bodily fluids he or she has been substantially
exposed to, pursuant to RCW 70.24.340(4), if a state or local public
health officer performs the test;
(h) Claims management personnel employed by or associated with an insurer, health care service contractor, health maintenance organization, self-funded health plan, state administered health care claims payer, or any other payer of health care claims where such disclosure is to be used solely for the prompt and accurate evaluation and payment of medical or related claims. Information released under this subsection must be confidential and may not be released or available to persons who are not involved in handling or determining medical claims payment; and

(i) A department of (social and health services) children, youth, and families worker, a child placing agency worker, or a guardian ad litem who is responsible for making or reviewing placement or case-planning decisions or recommendations to the court regarding a child, who is less than fourteen years of age, has a sexually transmitted disease, and is in the custody of the department of (social and health services) children, youth, and families or a licensed child placing agency. This information may also be received by a person responsible for providing residential care for such a child when the department of social and health services, the department of children, youth, and families, or a licensed child placing agency determines that it is necessary for the provision of child care services.

(3) No person to whom the results of a test for a sexually transmitted disease have been disclosed pursuant to subsection (2) of this section may disclose the test results to another person except as authorized by that subsection.

(4) The release of sexually transmitted disease information regarding an offender or detained person, except as provided in subsection (2)(d) of this section, is governed as follows:

(a) The sexually transmitted disease status of a department of corrections offender who has had a mandatory test conducted pursuant to RCW 70.24.340(1), 70.24.360, or 70.24.370 must be made available by department of corrections health care providers and local public health officers to the department of corrections health care administrator or infection control coordinator of the facility in which the offender is housed. The information made available to the health care administrator or the infection control coordinator under this subsection (4)(a) may be used only for disease prevention or control and for protection of the safety and security of the staff, offenders, and the public. The information may be submitted to
transferring officers and receiving facilities, including facilities that are not under the department of corrections' jurisdiction according to the provisions of (d) and (e) of this subsection.

(b) The sexually transmitted disease status of a person detained in a jail who has had a mandatory test conducted pursuant to RCW 70.24.340(1), 70.24.360, or 70.24.370 must be made available by the local public health officer to a jail health care administrator or infection control coordinator. The information made available to a health care administrator under this subsection (4)(b) may be used only for disease prevention or control and for protection of the safety and security of the staff, offenders, detainees, and the public. The information may be submitted to transporting officers and receiving facilities according to the provisions of (d) and (e) of this subsection.

(c) Information regarding the sexually transmitted disease status of an offender or detained person is confidential and may be disclosed by a correctional health care administrator or infection control coordinator or local jail health care administrator or infection control coordinator only as necessary for disease prevention or control and for protection of the safety and security of the staff, offenders, and the public. Unauthorized disclosure of this information to any person may result in disciplinary action, in addition to the penalties prescribed in RCW 70.24.080 or any other penalties as may be prescribed by law.

(d) Notwithstanding the limitations on disclosure contained in (a), (b), and (c) of this subsection, whenever any member of a jail staff or department of corrections staff has been substantially exposed to the bodily fluids of an offender or detained person, then the results of any tests conducted pursuant to RCW 70.24.340(1), 70.24.360, or 70.24.370, must be immediately disclosed to the staff person in accordance with the Washington Administrative Code rules governing employees' occupational exposure to blood-borne pathogens. Disclosure must be accompanied by appropriate counseling for the staff member, including information regarding follow-up testing and treatment. Disclosure must also include notice that subsequent disclosure of the information in violation of this chapter or use of the information to harass or discriminate against the offender or detainee may result in disciplinary action, in addition to the penalties prescribed in RCW 70.24.080, and imposition of other penalties prescribed by law.
(e) The staff member must also be informed whether the offender or detained person had any other communicable disease, as defined in RCW 72.09.251(3), when the staff person was substantially exposed to the offender's or detainee's bodily fluids.

(f) The test results of voluntary and anonymous HIV testing or HIV-related condition, as defined in RCW 70.24.017, may not be disclosed to a staff person except as provided in this section and RCW 70.02.050(1)((e)) (d) and 70.24.340(4). A health care administrator or infection control coordinator may provide the staff member with information about how to obtain the offender's or detainee's test results under this section and RCW 70.02.050(1)((e)) (d) and 70.24.340(4).

(5) The requirements of this section do not apply to the customary methods utilized for the exchange of medical information among health care providers in order to provide health care services to the patient, nor do they apply within health care facilities where there is a need for access to confidential medical information to fulfill professional duties.

(6) Upon request of the victim, disclosure of test results under this section to victims of sexual offenses under chapter 9A.44 RCW must be made if the result is negative or positive. The county prosecuting attorney shall notify the victim of the right to such disclosure. The disclosure must be accompanied by appropriate counseling, including information regarding follow-up testing.

(7) A person, including a health care facility or health care provider, shall disclose the identity of any person who has investigated, considered, or requested a test or treatment for a sexually transmitted disease and information and records related to sexually transmitted diseases to federal, state, or local public health authorities, to the extent the health care provider is required by law to report health care information; when needed to determine compliance with state or federal certification or registration rules or laws; or when needed to protect the public health. Any health care information obtained under this subsection is exempt from public inspection and copying pursuant to chapter 42.56 RCW.

**Sec. 333.** RCW 26.10.135 and 2003 c 105 s 1 are each amended to read as follows:
Before granting any order regarding the custody of a child under this chapter, the court shall consult the judicial information system, if available, to determine the existence of any information and proceedings that are relevant to the placement of the child.

(2) Before entering a final order, the court shall:

(a) Direct the department of ((social and health services)) children, youth, and families to release information as provided under RCW 13.50.100; and

(b) Require the petitioner to provide the results of an examination of state and national criminal identification data provided by the Washington state patrol criminal identification system as described in chapter 43.43 RCW for the petitioner and adult members of the petitioner's household.

Sec. 334. RCW 26.50.150 and 2010 c 274 s 501 are each amended to read as follows:

Any program that provides domestic violence treatment to perpetrators of domestic violence must be certified by the department of ((social and health services)) children, youth, and families and meet minimum standards for domestic violence treatment purposes. The department of ((social and health services)) children, youth, and families shall adopt rules for standards of approval of domestic violence perpetrator programs. The treatment must meet the following minimum qualifications:

(1) All treatment must be based upon a full, complete clinical intake including but not limited to: Current and past violence history; a lethality risk assessment; history of treatment from past domestic violence perpetrator treatment programs; a complete diagnostic evaluation; a substance abuse assessment; criminal history; assessment of cultural issues, learning disabilities, literacy, and special language needs; and a treatment plan that adequately and appropriately addresses the treatment needs of the individual.

(2) To facilitate communication necessary for periodic safety checks and case monitoring, the program must require the perpetrator to sign the following releases:

(a) A release for the program to inform the victim and victim's community and legal advocates that the perpetrator is in treatment with the program, and to provide information, for safety purposes, to the victim and victim's community and legal advocates;
(b) A release to prior and current treatment agencies to provide information on the perpetrator to the program; and

(c) A release for the program to provide information on the perpetrator to relevant legal entities including: Lawyers, courts, parole, probation, child protective services, and child welfare services.

(3) Treatment must be for a minimum treatment period defined by the secretary of the department of children, youth, and families by rule. The weekly treatment sessions must be in a group unless there is a documented, clinical reason for another modality. Any other therapies, such as individual, marital, or family therapy, substance abuse evaluations or therapy, medication reviews, or psychiatric interviews, may be concomitant with the weekly group treatment sessions described in this section but not a substitute for it.

(4) The treatment must focus primarily on ending the violence, holding the perpetrator accountable for his or her violence, and changing his or her behavior. The treatment must be based on nonvictim-blaming strategies and philosophies and shall include education about the individual, family, and cultural dynamics of domestic violence. If the perpetrator or the victim has a minor child, treatment must specifically include education regarding the effects of domestic violence on children, such as the emotional impacts of domestic violence on children and the long-term consequences that exposure to incidents of domestic violence may have on children.

(5) Satisfactory completion of treatment must be contingent upon the perpetrator meeting specific criteria, defined by rule by the secretary of the department of children, youth, and families, and not just upon the end of a certain period of time or a certain number of sessions.

(6) The program must have policies and procedures for dealing with reoffenses and noncompliance.

(7) All evaluation and treatment services must be provided by, or under the supervision of, qualified personnel.

(8) The secretary of the department of children, youth, and families may adopt rules and establish fees as necessary to implement this section.

(9) The department of children, youth, and families may conduct on-site monitoring visits as part of its plan for certifying domestic violence perpetrator programs and monitoring implementation of the
rules adopted by the secretary of the department of children, youth, and families to determine compliance with the minimum qualifications for domestic violence perpetrator programs. The applicant or certified domestic violence perpetrator program shall cooperate fully with the department of children, youth, and families in the monitoring visit and provide all program and management records requested by the department of children, youth, and families to determine the program's compliance with the minimum certification qualifications and rules adopted by the department of children, youth, and families.

Sec. 335. RCW 26.50.160 and 2006 c 138 s 26 are each amended to read as follows:

To prevent the issuance of competing protection orders in different courts and to give courts needed information for issuance of orders, the judicial information system shall be available in each district, municipal, and superior court by July 1, 1997, and shall include a database containing the following information:

(1) The names of the parties and the cause number for every order of protection issued under this title, every sexual assault protection order issued under chapter 7.90 RCW, every criminal no-contact order issued under chapters 9A.46 and 10.99 RCW, every antiharassment order issued under chapter 10.14 RCW, every dissolution action under chapter 26.09 RCW, every third-party custody action under chapter 26.10 RCW, every parentage action under chapter 26.26 RCW, every restraining order issued on behalf of an abused child or adult dependent person under chapter 26.44 RCW, every foreign protection order filed under chapter 26.52 RCW, and every order for protection of a vulnerable adult under chapter 74.34 RCW. When a guardian or the department of social and health services or department of children, youth, and families has petitioned for relief on behalf of an abused child, adult dependent person, or vulnerable adult, the name of the person on whose behalf relief was sought shall be included in the database as a party rather than the guardian or appropriate department;

(2) A criminal history of the parties; and

(3) Other relevant information necessary to assist courts in issuing orders under this chapter as determined by the judicial information system committee.
Sec. 336. RCW 28A.150.510 and 2012 c 163 s 9 are each amended to read as follows:

(1) In order to effectively serve students who are dependent pursuant to chapter 13.34 RCW, education records shall be transmitted to the department of ((social and health services)) children, youth, and families within two school days after receiving the request from the department provided that the department certifies that it will not disclose to any other party the education records without prior written consent of the parent or student unless authorized to disclose the records under state law. The department of ((social and health services)) children, youth, and families is authorized to disclose education records it obtains pursuant to this section to a foster parent, guardian, or other entity authorized by the department to provide residential care to the student. parents in providing foster care. Moneys paid from liability
insurance for any claim are limited to the amount by which the claim
exceeds the amount available to the claimant from any valid and
collectible liability insurance.

(2) The secretary ((of social and health services)) may purchase
the insurance required in subsection (1) of this section or may
choose a self-insurance method. The total moneys expended pursuant to
this authorization shall not exceed five hundred thousand dollars per
biennium. If the secretary elects a method of self-insurance, the

Sec. 510. RCW 74.14C.005 and 1995 c 311 s 1 are each amended to
read as follows:

(1) The legislature believes that protecting the health and
safety of children is paramount. The legislature recognizes that the
number of children entering out-of-home care is increasing and that a
number of children receive long-term foster care protection.
Reasonable efforts by the department to shorten out-of-home placement or avoid it altogether should be a major focus of the child welfare system. It is intended that providing up-front services decrease the number of children entering out-of-home care and have the effect of eventually lowering foster care expenditures and strengthening the family unit.

Within available funds, the legislature directs the department to focus child welfare services on protecting the child, strengthening families and, to the extent possible, providing necessary services in the family setting, while drawing upon the strengths of the family. The legislature intends services be locally based and offered as early as possible to avoid disruption to the family, out-of-home placement of the child, and entry into the dependency system. The legislature also intends that these services be used for those families whose children are returning to the home from out-of-home care. These services are known as family preservation services and intensive family preservation services and are characterized by the following values, beliefs, and goals:

(a) Safety of the child is always the first concern;
(b) Children need their families and should be raised by their own families whenever possible;
(c) Interventions should focus on family strengths and be responsive to the individual family's cultural values and needs;
(d) Participation should be voluntary; and
(e) Improvement of family functioning is essential in order to promote the child's health, safety, and welfare and thereby allow the family to remain intact and allow children to remain at home.

(2) Subject to the availability of funds for such purposes, the legislature intends for these services to be made available to all eligible families on a statewide basis through a phased-in process. Except as otherwise specified by statute, the department ((of social and health services)) shall have the authority and discretion to implement and expand these services as provided in ((this chapter)) RCW 74.14C.010 through 74.14C.100. The department shall consult with the community public health and safety networks when assessing a community's resources and need for services.

(3) It is the legislature's intent that, within available funds, the department develop services in accordance with ((this chapter)) RCW 74.14C.010 through 74.14C.100.
Nothing in RCW 74.14C.010 through 74.14C.100 shall be construed to create an entitlement to services nor to create judicial authority to order the provision of preservation services to any person or family if the services are unavailable or unsuitable or that the child or family are not eligible for such services.

Sec. 511. RCW 74.14C.010 and 1996 c 240 s 2 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

1. "Department" means the department of ((social and health services)) children, youth, and families.

4. "Imminent" means a decision has been made by the department that, without intensive family preservation services, a petition requesting the removal of a child from the family home will be immediately filed under chapter 13.32A or 13.34 RCW, or that a voluntary placement agreement will be immediately initiated.

5. "Intensive family preservation services" means community-based services that are delivered primarily in the home, that follow intensive service models with demonstrated effectiveness in reducing

This transfer may be made in those regions that lower foster care expenditures through efficient use of preservation services and permanency planning efforts. The transfer shall be equivalent to the amount of reduced foster care expenditures and shall be made in accordance with the provisions of this chapter and with the approval of the office of financial management. The department shall present an annual report to the legislature regarding any transfers under this section only if transfers occur. The department shall include caseload, expenditure, cost avoidance, identified improvements to the out-of-home care system, and outcome data related to the transfer in the report. Sec. 601. RCW 13.04.011 and 2011 c 330 s 2 are each amended to read as follows:

For purposes of this title:

(1) "Adjudication" has the same meaning as "conviction" in RCW 9.94A.030, but only for the purposes of sentencing under chapter 9.94A RCW;

(2) Except as specifically provided in RCW 13.40.020 and chapters 13.24 and 13.34 RCW, "juvenile," "youth," and "child" mean any individual who is under the chronological age of eighteen years;

(1) Except as provided in this section, the juvenile courts in this state shall have exclusive original jurisdiction over all proceedings:

(a) Under the interstate compact on placement of children as provided in chapter 26.34 RCW;

(b) Relating to children alleged or found to be dependent as provided in chapter 26.44 RCW and in RCW 13.34.030 through 13.34.161;

(d) To approve or disapprove out-of-home placement as provided in RCW 13.32A.170;

(e) Relating to juveniles alleged or found to have committed offenses, traffic or civil infractions, or violations as provided in RCW 13.40.020 through 13.40.230, unless:

(i) The juvenile court transfers jurisdiction of a particular juvenile to adult criminal court pursuant to RCW 13.40.110;

(ii) The statute of limitations applicable to adult prosecution for the offense, traffic or civil infraction, or violation has expired;

(iii) The alleged offense or infraction is a traffic, fish, boating, or game offense, or traffic or civil infraction committed by a juvenile sixteen years of age or older and would, if committed by an adult, be tried or heard in a court of limited jurisdiction, in which instance the appropriate court of limited jurisdiction shall
have jurisdiction over the alleged offense or infraction, and no guardian ad litem is required in any such proceeding due to the juvenile's age. If such an alleged offense or infraction and an alleged offense or infraction subject to juvenile court jurisdiction arise out of the same event or incident, the juvenile court may have jurisdiction of both matters. The jurisdiction under this subsection does not constitute "transfer" or a "decline" for purposes of RCW 13.40.110 (1) or (2) or (e)(i) of this subsection. Courts of limited jurisdiction which confine juveniles for an alleged offense or infraction may place juveniles in juvenile detention facilities under an agreement with the officials responsible for the administration of the juvenile detention facility in RCW 13.04.035 and 13.20.060;

(iv) The alleged offense is a traffic or civil infraction, a violation of compulsory school attendance provisions under chapter 28A.225 RCW, or a misdemeanor, and a court of limited jurisdiction has assumed concurrent jurisdiction over those offenses as provided in RCW 13.04.030; or

(v) The juvenile is sixteen or seventeen years old on the date the alleged offense is committed and the alleged offense is:

(A) A serious violent offense as defined in RCW 9.94A.030;

(B) A violent offense as defined in RCW 9.94A.030 and the juvenile has a criminal history consisting of: (I) One or more prior serious violent offenses; (II) two or more prior violent offenses; or (III) three or more of any combination of the following offenses: Any class A felony, any class B felony, vehicular assault, or manslaughter in the second degree, all of which must have been committed after the juvenile's thirteenth birthday and prosecuted separately;

(C) Robbery in the first degree, rape of a child in the first degree, or drive-by shooting, committed on or after July 1, 1997;

(D) Burglary in the first degree committed on or after July 1, 1997, and the juvenile has a criminal history consisting of one or more prior felony or misdemeanor offenses; or

(E) Any violent offense as defined in RCW 9.94A.030 committed on or after July 1, 1997, and the juvenile is alleged to have been armed with a firearm.

(I) In such a case the adult criminal court shall have exclusive original jurisdiction, except as provided in (e)(v)(E)(II) and (III) of this subsection.
(II) The juvenile court shall have exclusive jurisdiction over the disposition of any remaining charges in any case in which the juvenile is found not guilty in the adult criminal court of the charge or charges for which he or she was transferred, or is convicted in the adult criminal court of a lesser included offense that is not also an offense listed in (e)(v) of this subsection. The juvenile court shall enter an order extending juvenile court jurisdiction if the juvenile has turned eighteen years of age during the adult criminal court proceedings pursuant to RCW 13.40.300. However, once the case is returned to juvenile court, the court may hold a decline hearing pursuant to RCW 13.40.110 to determine whether to retain the case in juvenile court for the purpose of disposition or return the case to adult criminal court for sentencing.

(III) The prosecutor and respondent may agree to juvenile court jurisdiction and waive application of exclusive adult criminal jurisdiction in (e)(v)(A) through (E) of this subsection and remove the proceeding back to juvenile court with the court's approval. If the juvenile challenges the state's determination of the juvenile's criminal history under (e)(v) of this subsection, the state may establish the offender's criminal history by a preponderance of the evidence. If the criminal history consists of adjudications entered upon a plea of guilty, the state shall not bear a burden of establishing the knowing and voluntariness of the plea;

(f) Under the interstate compact on juveniles as provided in chapter 13.24 RCW;

(g) Relating to termination of a diversion agreement under RCW 13.40.080, including a proceeding in which the divertee has attained eighteen years of age;

(h) Relating to court validation of a voluntary consent to an out-of-home placement under chapter 13.34 RCW, by the parent or Indian custodian of an Indian child, except if the parent or Indian custodian and child are residents of or domiciled within the boundaries of a federally recognized Indian reservation over which the tribe exercises exclusive jurisdiction;

(i) Relating to petitions to compel disclosure of information filed by the department of social and health services pursuant to RCW 74.13.042; and

(j) Relating to judicial determinations and permanency planning hearings involving developmentally disabled children who have been placed in out-of-home care pursuant to a voluntary placement
agreement between the child's parent, guardian, or legal custodian and the department of social and health services and the department of children, youth, and families.

(2) The family court shall have concurrent original jurisdiction with the juvenile court over all proceedings under this section if the superior court judges of a county authorize concurrent jurisdiction as provided in RCW 26.12.010.

(3) The juvenile court shall have concurrent original jurisdiction with the family court over child custody proceedings under chapter 26.10 RCW and parenting plans or residential schedules under chapters 26.09 and 26.26 RCW as provided for in RCW 13.34.155.

(4) A juvenile subject to adult superior court jurisdiction under subsection (1)(e)(i) through (v) of this section, who is detained pending trial, may be detained in a detention facility as defined in RCW 13.40.020 pending sentencing or a dismissal.

Sec. 603. RCW 13.04.116 and 1987 c 462 s 1 are each amended to read as follows:

(1) A juvenile shall not be confined in a jail or holding facility for adults, except:

(a) For a period not exceeding twenty-four hours excluding weekends and holidays and only for the purpose of an initial court appearance in a county where no juvenile detention facility is available, a juvenile may be held in an adult facility provided that the confinement is separate from the sight and sound of adult inmates; or

(b) For not more than six hours and pursuant to a lawful detention in the course of an investigation, a juvenile may be held in an adult facility provided that the confinement is separate from the sight and sound of adult inmates.

(2) For purposes of this section a juvenile is an individual under the chronological age of eighteen years who has not been transferred previously to adult courts.

(3) The department ((of social and health services)) shall monitor and enforce compliance with this section.

(4) This section shall not be construed to expand or limit the authority to lawfully detain juveniles.

A program of education shall be provided for by the several counties and school districts of the state for common school-age persons confined in each of the detention facilities staffed and maintained by the several counties of the state under this chapter and chapters 13.16 and 13.20 RCW. The division of duties, authority, and liabilities of the several counties and school districts of the state respecting the educational programs is the same in all respects as set forth in chapter 28A.190 RCW respecting programs of education for state residential school residents. For the purposes of this section, the terms "department of children, youth, and families," "residential school" or "schools," and "superintendent or chief administrator of a residential school" as used in chapter 28A.190 RCW shall be respectively construed to mean "the several counties of the state," "detention facilities," and "the administrator of juvenile court detention services." (36) "Violation" means an act or omission, which if committed by an adult, must be proven beyond a reasonable doubt, and is punishable by sanctions which do not include incarceration;

(37) "Violent offense" means a violent offense as defined in RCW 9.94A.030;

(38) "Youth court" means a diversion unit under the supervision of the juvenile court.

Sec. 606. RCW 13.40.040 and 2002 c 171 s 2 are each amended to read as follows:

(1) A juvenile may be taken into custody:

(a) Pursuant to a court order if a complaint is filed with the court alleging, and the court finds probable cause to believe, that
the juvenile has committed an offense or has violated terms of a disposition order or release order; or

(b) Without a court order, by a law enforcement officer if grounds exist for the arrest of an adult in identical circumstances. Admission to, and continued custody in, a court detention facility shall be governed by subsection (2) of this section; or

(c) Pursuant to a court order that the juvenile be held as a material witness; or

(d) Where the secretary or the secretary's designee has suspended the parole of a juvenile offender.

(2) A juvenile may not be held in detention unless there is probable cause to believe that:

(a) The juvenile has committed an offense or has violated the terms of a disposition order; and

(i) The juvenile will likely fail to appear for further proceedings; or

(ii) Detention is required to protect the juvenile from himself or herself; or

(iii) The juvenile is a threat to community safety; or

(iv) The juvenile will intimidate witnesses or otherwise unlawfully interfere with the administration of justice; or

(v) The juvenile has committed a crime while another case was pending; or

(b) The juvenile is a fugitive from justice; or

(c) The juvenile's parole has been suspended or modified; or

(d) The juvenile is a material witness.

(3) Notwithstanding subsection (2) of this section, and within available funds, a juvenile who has been found guilty of one of the following offenses shall be detained pending disposition: Rape in the first or second degree (RCW 9A.44.040 and 9A.44.050); or rape of a child in the first degree (RCW 9A.44.073).

(4) Upon a finding that members of the community have threatened the health of a juvenile taken into custody, at the juvenile's request the court may order continued detention pending further order of the court.

(5) Except as provided in RCW 9.41.280, a juvenile detained under this section may be released upon posting a probation bond set by the court. The juvenile's parent or guardian may sign for the probation bond. A court authorizing such a release shall issue an order containing a statement of conditions imposed upon the juvenile and
shall set the date of his or her next court appearance. The court shall advise the juvenile of any conditions specified in the order and may at any time amend such an order in order to impose additional or different conditions of release upon the juvenile or to return the juvenile to custody for failing to conform to the conditions imposed. In addition to requiring the juvenile to appear at the next court date, the court may condition the probation bond on the juvenile's compliance with conditions of release. The juvenile's parent or guardian may notify the court that the juvenile has failed to conform to the conditions of release or the provisions in the probation bond. If the parent notifies the court of the juvenile's failure to comply with the probation bond, the court shall notify the surety. As provided in the terms of the bond, the surety shall provide notice to the court of the offender's noncompliance. A juvenile may be released only to a responsible adult or the department of children, youth, and families. Failure to appear on the date scheduled by the court pursuant to this section shall constitute the crime of bail jumping.

Sec. 607. RCW 13.40.045 and 1997 c 338 s 14 are each amended to read as follows:

The secretary or the secretary's designee shall issue arrest warrants for juveniles who escape from department residential custody. The secretary or the secretary's designee may issue arrest warrants for juveniles who abscond from parole supervision or fail to meet conditions of parole. These arrest warrants shall authorize any law enforcement, probation and parole, or peace officer of this state, or any other state where the juvenile is located, to arrest the juvenile and to place the juvenile in physical custody pending the juvenile's return to confinement in a state juvenile rehabilitation facility.

Sec. 608. RCW 13.40.185 and 1994 sp.s. c 7 s 524 are each amended to read as follows:

(1) Any term of confinement imposed for an offense which exceeds thirty days shall be served under the supervision of the department. If the period of confinement imposed for more than one offense exceeds thirty days but the term imposed for each offense is less than thirty days, the confinement may, in the discretion of the
court, be served in a juvenile facility operated by or pursuant to a contract with the state or a county.

(2) Whenever a juvenile is confined in a detention facility or is committed to the department, the court may not directly order a juvenile into a particular county or state facility. The juvenile court administrator and the secretary (assistant secretary, or the secretary's designee, as appropriate) has the sole discretion to determine in which facility a juvenile should be confined or committed. The counties may operate a variety of detention facilities as determined by the county legislative authority subject to available funds.

Sec. 609. RCW 13.40.210 and 2014 c 117 s 3 are each amended to read as follows:

(1) The secretary shall set a release date for each juvenile committed to its custody. The release date shall be within the prescribed range to which a juvenile has been committed under RCW 13.40.0357 or 13.40.030 except as provided in RCW 13.40.320 concerning offenders the department determines are eligible for the juvenile offender basic training camp program. Such dates shall be determined prior to the expiration of sixty percent of a juvenile's minimum term of confinement included within the prescribed range to which the juvenile has been committed. The secretary shall release any juvenile committed to the custody of the department within four calendar days prior to the juvenile's release date or on the release date set under this chapter. Days spent in the custody of the department shall be tolled by any period of time during which a juvenile has absented himself or herself from the department's supervision without the prior approval of the secretary or the secretary's designee.

(2) The secretary shall monitor the average daily population of the state's juvenile residential facilities. When the secretary concludes that in-residence population of residential facilities exceeds one hundred five percent of the rated bed capacity specified in statute, or in absence of such specification, as specified by the department in rule, the secretary may recommend reductions to the governor. On certification by the governor that the recommended reductions are necessary, the secretary has authority to administratively release a sufficient number of offenders to reduce in-residence population to one hundred percent of rated bed capacity.
The secretary shall release those offenders who have served the greatest proportion of their sentence. However, the secretary may deny release in a particular case at the request of an offender, or if the secretary finds that there is no responsible custodian, as determined by the department, to whom to release the offender, or if the release of the offender would pose a clear danger to society. The department shall notify the committing court of the release at the time of release if any such early releases have occurred as a result of excessive in-residence population. In no event shall an offender adjudicated of a violent offense be granted release under the provisions of this subsection.

(3)(a) Following the release of any juvenile under subsection (1) of this section, the secretary may require the juvenile to comply with a program of parole to be administered by the department in his or her community which shall last no longer than eighteen months, except that in the case of a juvenile sentenced for rape in the first or second degree, rape of a child in the first or second degree, child molestation in the first degree, or indecent liberties with forcible compulsion, the period of parole shall be twenty-four months and, in the discretion of the secretary, may be up to thirty-six months when the secretary finds that an additional period of parole is necessary and appropriate in the interests of public safety or to meet the ongoing needs of the juvenile. A parole program is mandatory for offenders released under subsection (2) of this section and for offenders who receive a juvenile residential commitment sentence for theft of a motor vehicle, possession of a stolen motor vehicle, or taking a motor vehicle without permission 1. A juvenile adjudicated for unlawful possession of a firearm, possession of a stolen firearm, theft of a firearm, or drive-by shooting may participate in aggression replacement training, functional family therapy, or functional family parole aftercare if the juvenile meets eligibility requirements for these services. The decision to place an offender in an evidence-based parole program shall be based on an assessment by the department of the offender's risk for reoffending upon release and an assessment of the ongoing treatment needs of the juvenile. The department shall prioritize available parole resources to provide supervision and services to offenders at moderate to high risk for reoffending.

(b) The secretary shall, for the period of parole, facilitate the juvenile's reintegration into his or her community and to further
this goal shall require the juvenile to refrain from possessing a firearm or using a deadly weapon and refrain from committing new offenses and may require the juvenile to: (i) Undergo available medical, psychiatric, drug and alcohol, sex offender, mental health, and other offense-related treatment services; (ii) report as directed to a parole officer and/or designee; (iii) pursue a course of study, vocational training, or employment; (iv) notify the parole officer of the current address where he or she resides; (v) be present at a particular address during specified hours; (vi) remain within prescribed geographical boundaries; (vii) submit to electronic monitoring; (viii) refrain from using illegal drugs and alcohol, and submit to random urinalysis when requested by the assigned parole officer; (ix) refrain from contact with specific individuals or a specified class of individuals; (x) meet other conditions determined by the parole officer to further enhance the juvenile's reintegration into the community; (xi) pay any court-ordered fines or restitution; and (xii) perform community restitution. Community restitution for the purpose of this section means compulsory service, without compensation, performed for the benefit of the community by the offender. Community restitution may be performed through public or private organizations or through work crews.

(c) The secretary may further require up to twenty-five percent of the highest risk juvenile offenders who are placed on parole to participate in an intensive supervision program. Offenders participating in an intensive supervision program shall be required to comply with all terms and conditions listed in (b) of this subsection and shall also be required to comply with the following additional terms and conditions: (i) Obey all laws and refrain from any conduct that threatens public safety; (ii) report at least once a week to an assigned community case manager; and (iii) meet all other requirements imposed by the community case manager related to participating in the intensive supervision program. As a part of the intensive supervision program, the secretary may require day reporting.

(d) After termination of the parole period, the juvenile shall be discharged from the department's supervision.

(4)(a) The department may also modify parole for violation thereof. If, after affording a juvenile all of the due process rights to which he or she would be entitled if the juvenile were an adult, the secretary finds that a juvenile has violated a condition of his
or her parole, the secretary shall order one of the following which is reasonably likely to effectuate the purpose of the parole and to protect the public: (i) Continued supervision under the same conditions previously imposed; (ii) intensified supervision with increased reporting requirements; (iii) additional conditions of supervision authorized by this chapter; (iv) except as provided in (a)(v) and (vi) of this subsection, imposition of a period of confinement not to exceed thirty days in a facility operated by or pursuant to a contract with the state of Washington or any city or county for a portion of each day or for a certain number of days each week with the balance of the days or weeks spent under supervision; (v) the secretary may order any of the conditions or may return the offender to confinement for the remainder of the sentence range if the offense for which the offender was sentenced is rape in the first or second degree, rape of a child in the first or second degree, child molestation in the first degree, indecent liberties with forcible compulsion, or a sex offense that is also a serious violent offense as defined by RCW 9.94A.030; and (vi) the secretary may order any of the conditions or may return the offender to confinement for the remainder of the sentence range if the youth has completed the basic training camp program as described in RCW 13.40.320.

(b) The secretary may modify parole and order any of the conditions or may return the offender to confinement for up to twenty-four weeks if the offender was sentenced for a sex offense as defined under RCW ((9A.44.130)) 9A.44.128 and is known to have violated the terms of parole. Confinement beyond thirty days is intended to only be used for a small and limited number of sex offenders. It shall only be used when other graduated sanctions or interventions have not been effective or the behavior is so egregious it warrants the use of the higher level intervention and the violation: (i) Is a known pattern of behavior consistent with a previous sex offense that puts the youth at high risk for reoffending sexually; (ii) consists of sexual behavior that is determined to be predatory as defined in RCW 71.09.020; or (iii) requires a review under chapter 71.09 RCW, due to a recent overt act. The total number of days of confinement for violations of parole conditions during the parole period shall not exceed the number of days provided by the maximum sentence imposed by the disposition for the underlying offense pursuant to RCW 13.40.0357. The department shall not aggregate multiple parole violations that occur prior to the parole
revocation hearing and impose consecutive twenty-four week periods of
confinement for each parole violation. The department is authorized
to engage in rule making pursuant to chapter 34.05 RCW, to implement
this subsection, including narrowly defining the behaviors that could
lead to this higher level intervention.

(c) If the department finds that any juvenile in a program of
parole has possessed a firearm or used a deadly weapon during the
program of parole, the department shall modify the parole under (a)
of this subsection and confine the juvenile for at least thirty days.
Confinement shall be in a facility operated by or pursuant to a
contract with the state or any county.

(5) A parole officer of the department of ((social and health
services)) children, youth, and families shall have the power to
arrest a juvenile under his or her supervision on the same grounds as
a law enforcement officer would be authorized to arrest the person.

(6) If so requested and approved under chapter 13.06 RCW, the
secretary shall permit a county or group of counties to perform
functions under subsections (3) through (5) of this section.

Sec. 610. RCW 13.40.220 and 1995 c 300 s 1 are each amended to
read as follows:

(1) Whenever legal custody of a child is vested in someone other
than his or her parents, under this chapter, and not vested in the
department ((of social and health services)), after due notice to the
parents or other persons legally obligated to care for and support
the child, and after a hearing, the court may order and decree that
the parent or other legally obligated person shall pay in such a
manner as the court may direct a reasonable sum representing in whole
or in part the costs of support, treatment, and confinement of the
child after the decree is entered.

(2) If the parent or other legally obligated person willfully
fails or refuses to pay such sum, the court may proceed against such
person for contempt.

(3) Whenever legal custody of a child is vested in the department
under this chapter, the parents or other persons legally obligated to
care for and support the child shall be liable for the costs of
support, treatment, and confinement of the child, in accordance with
the department's reimbursement of cost schedule. The department shall
adopt a reimbursement of cost schedule based on the costs of
providing such services, and shall determine an obligation based on

p. 182 E2SHB 1661
the responsible parents' or other legally obligated person's ability
to pay. The department is authorized to adopt additional rules as
appropriate to enforce this section.

(4) To enforce subsection (3) of this section, the department
shall serve on the parents or other person legally obligated to care
for and support the child a notice and finding of financial
responsibility requiring the parents or other legally obligated
person to appear and show cause in an adjudicative proceeding why the
finding of responsibility and/or the amount thereof is incorrect and
should not be ordered. This notice and finding shall relate to the
costs of support, treatment, and confinement of the child in
accordance with the department's reimbursement of cost schedule
adopted under this section, including periodic payments to be made in
the future. The hearing shall be held pursuant to chapter 34.05 RCW, the
administrative procedure act, and the rules of the department.

(5) The notice and finding of financial responsibility shall be
served in the same manner prescribed for the service of a summons in
a civil action or may be served on the parent or legally obligated
person by certified mail, return receipt requested. The receipt shall
be prima facie evidence of service.

(6) If the parents or other legally obligated person objects to
the notice and finding of financial responsibility, then an
application for an adjudicative hearing may be filed within twenty
days of the date of service of the notice. If an application for an
adjudicative proceeding is filed, the presiding or reviewing officer
shall determine the past liability and responsibility, if any, of the
parents or other legally obligated person and shall also determine
the amount of periodic payments to be made in the future. If the
parents or other legally responsible person fails to file an
application within twenty days, the notice and finding of financial
responsibility shall become a final administrative order.

(7) Debts determined pursuant to this section are subject to
collection action without further necessity of action by a presiding
or reviewing officer. The department may collect the debt in
accordance with RCW 43.20B.635, 43.20B.640, 74.20A.060, and
74.20A.070. The department shall exempt from payment parents
receiving adoption support under RCW (74.13.100 through 74.13.145)
74.13A.005 through 74.13A.080, parents eligible to receive adoption
support under RCW (74.13.150) 74.13A.085, and a parent or other
legally obligated person when the parent or other legally obligated
person, or such person's child, spouse, or spouse's child, was the victim of the offense for which the child was committed.

(8) An administrative order entered pursuant to this section shall supersede any court order entered prior to June 13, 1994.

(9) The department shall be subrogated to the right of the child and his or her parents or other legally responsible person to receive support payments for the benefit of the child from any parent or legally obligated person pursuant to a support order established by a superior court or pursuant to RCW 74.20A.055. The department's right of subrogation under this section is limited to the liability established in accordance with its cost schedule for support, treatment, and confinement, except as addressed in subsection (10) of this section.

(10) Nothing in this section precludes the department from recouping such additional support payments from the child's parents or other legally obligated person as required to qualify for receipt of federal funds. The department may adopt such rules dealing with liability for recoupment of support, treatment, or confinement costs as may become necessary to entitle the state to participate in federal funds unless such rules would be expressly prohibited by law. If any law dealing with liability for recoupment of support, treatment, or confinement costs is ruled to be in conflict with federal requirements which are a prescribed condition of the allocation of federal funds, such conflicting law is declared to be inoperative solely to the extent of the conflict.

Sec. 611. RCW 13.40.280 and 1989 c 410 s 2 and 1989 c 407 s 8 are each reenacted and amended to read as follows:

(1) The secretary of the department of children, youth, and families, with the consent of the secretary of the department of corrections, has the authority to transfer a juvenile presently or hereafter committed to the department of (social and health services) children, youth, and families to the department of corrections for appropriate institutional placement in accordance with this section.

(2) The secretary of the department of (social and health services) children, youth, and families may, with the consent of the secretary of the department of corrections, transfer a juvenile offender to the department of corrections if it is established at a hearing before a review board that continued placement of the
juvenile offender in an institution for juvenile offenders presents a continuing and serious threat to the safety of others in the institution. The department of children, youth, and families shall establish rules for the conduct of the hearing, including provision of counsel for the juvenile offender.

(3) Assaults made against any staff member at a juvenile corrections institution that are reported to a local law enforcement agency shall require a hearing held by the department of children, youth, and families review board within ten judicial working days. The board shall determine whether the accused juvenile offender represents a continuing and serious threat to the safety of others in the institution.

(4) Upon conviction in a court of law for custodial assault as defined in RCW 9A.36.100, the department of children, youth, and families review board shall conduct a second hearing, within five judicial working days, to recommend to the secretary of the department of children, youth, and families that the convicted juvenile be transferred to an adult correctional facility if the review board has determined the juvenile offender represents a continuing and serious threat to the safety of others in the institution.

The juvenile has the burden to show cause why the transfer to an adult correctional facility should not occur.

(5) A juvenile offender transferred to an institution operated by the department of corrections shall not remain in such an institution beyond the maximum term of confinement imposed by the juvenile court.

(6) A juvenile offender who has been transferred to the department of corrections under this section may, in the discretion of the secretary of the department of children, youth, and families and with the consent of the secretary of the department of corrections, be transferred from an institution operated by the department of corrections to a facility for juvenile offenders deemed appropriate by the secretary.

Sec. 612. RCW 13.40.285 and 1983 c 191 s 23 are each amended to read as follows:

A juvenile offender ordered to serve a term of confinement with the department of children, youth, and families who is subsequently sentenced to the department of
corrections may, with the consent of the department of corrections, be transferred by the secretary of ((social and health services)) children, youth, and families to the department of corrections to serve the balance of the term of confinement ordered by the juvenile court. The juvenile and adult sentences shall be served consecutively. In no case shall the secretary credit time served as a result of an adult conviction against the term of confinement ordered by the juvenile court.

Sec. 613. RCW 13.40.300 and 2005 c 238 s 2 are each amended to read as follows:

(1) In no case may a juvenile offender be committed by the juvenile court to the department of ((social and health services)) children, youth, and families for placement in a juvenile correctional institution beyond the juvenile offender's twenty-first birthday. A juvenile may be under the jurisdiction of the juvenile court or the authority of the department of ((social and health services)) children, youth, and families beyond the juvenile's eighteenth birthday only if prior to the juvenile's eighteenth birthday:

(a) Proceedings are pending seeking the adjudication of a juvenile offense and the court by written order setting forth its reasons extends jurisdiction of juvenile court over the juvenile beyond his or her eighteenth birthday;

(b) The juvenile has been found guilty after a fact finding or after a plea of guilty and an automatic extension is necessary to allow for the imposition of disposition;

(c) Disposition has been held and an automatic extension is necessary to allow for the execution and enforcement of the court's order of disposition. If an order of disposition imposes commitment to the department, then jurisdiction is automatically extended to include a period of up to twelve months of parole, in no case extending beyond the offender's twenty-first birthday; or

(d) While proceedings are pending in a case in which jurisdiction has been transferred to the adult criminal court pursuant to RCW 13.04.030, the juvenile turns eighteen years of age and is subsequently found not guilty of the charge for which he or she was transferred, or is convicted in the adult criminal court of a lesser included offense, and an automatic extension is necessary to impose the disposition as required by RCW 13.04.030(1)(e)(v)(E).
(2) If the juvenile court previously has extended jurisdiction beyond the juvenile offender's eighteenth birthday and that period of extension has not expired, the court may further extend jurisdiction by written order setting forth its reasons.

(3) In no event may the juvenile court have authority to extend jurisdiction over any juvenile offender beyond the juvenile offender's twenty-first birthday except for the purpose of enforcing an order of restitution or penalty assessment.

(4) Notwithstanding any extension of jurisdiction over a person pursuant to this section, the juvenile court has no jurisdiction over any offenses alleged to have been committed by a person eighteen years of age or older.

Sec. 614. RCW 13.40.310 and 1991 c 326 s 4 are each amended to read as follows:

(1) The department (of social and health services) may contract with a community-based nonprofit organization to establish a three-step transitional treatment program for gang and drug-involved juvenile offenders committed to the custody of the department under this chapter (13.40 RCW). Any such program shall provide six to twenty-four months of treatment. The program shall emphasize the principles of self-determination, unity, collective work and responsibility, cooperative economics, and creativity. The program shall be culturally relevant and appropriate and shall include:

(a) A culturally relevant and appropriate institution-based program that provides comprehensive drug and alcohol services, individual and family counseling, and a wilderness experience of constructive group living, rigorous physical exercise, and academic studies;

(b) A culturally relevant and appropriate community-based structured group living program that focuses on individual goals, positive community involvement, coordinated drug and alcohol treatment, coordinated individual and family counseling, academic and vocational training, and employment in apprenticeship, internship, and entrepreneurial programs; and

(c) A culturally relevant and appropriate transitional group living program that provides support services, academic services, and coordinated individual and family counseling.

(2) Participation in any such program shall be on a voluntary basis.
(3) The department shall adopt rules as necessary to implement any such program.

Sec. 615. RCW 13.40.320 and 2015 3rd sp.s. c 23 s 1 are each amended to read as follows:

(1) The department (of social and health services) may establish a medium security juvenile offender basic training camp program. This program for juvenile offenders serving a term of confinement under the supervision of the department is exempt from the licensing requirements of chapter 74.15 RCW.

(2) The department may contract under this chapter with private companies, the national guard, or other federal, state, or local agencies to operate the juvenile offender basic training camp.

(3) The juvenile offender basic training camp shall be a structured and regimented model emphasizing the building up of an offender's self-esteem, confidence, and discipline. The juvenile offender basic training camp program shall provide participants with basic education, prevocational training, work-based learning, work experience, work ethic skills, conflict resolution counseling, substance abuse intervention, anger management counseling, and structured intensive physical training. The juvenile offender basic training camp program shall have a curriculum training and work schedule that incorporates a balanced assignment of these or other rehabilitation and training components for no less than sixteen hours per day, six days a week.

The department shall develop standards for the safe and effective operation of the juvenile offender basic training camp program, for an offender's successful program completion, and for the continued after-care supervision of offenders who have successfully completed the program.

(4) Offenders eligible for the juvenile offender basic training camp option shall be those with a disposition of not more than sixty-five weeks. Violent and sex offenders shall not be eligible for the juvenile offender basic training camp program.

(5) If the court determines that the offender is eligible for the juvenile offender basic training camp option, the court may recommend that the department place the offender in the program. The department shall evaluate the offender and may place the offender in the program. The evaluation shall include, at a minimum, a risk assessment developed by the department and designed to determine the
offender's suitability for the program. No juvenile who is assessed
as a high risk offender or suffers from any mental or physical
problems that could endanger his or her health or drastically affect
his or her performance in the program shall be admitted to or
retained in the juvenile offender basic training camp program.

(6) All juvenile offenders eligible for the juvenile offender
basic training camp sentencing option shall spend one hundred twenty
days of their disposition in a juvenile offender basic training camp. This period may be extended for up to forty days by the secretary if a juvenile offender requires additional time to successfully complete the basic training camp program. If the juvenile offender's activities while in the juvenile offender basic training camp are so disruptive to the juvenile offender basic training camp program, as determined by the secretary according to standards developed by the department, as to result in the removal of the juvenile offender from the juvenile offender basic training camp program, or if the offender cannot complete the juvenile offender basic training camp program due to medical problems, the secretary shall require that the offender be committed to a juvenile institution to serve the entire remainder of his or her disposition, less the amount of time already served in the juvenile offender basic training camp program.

(7) All offenders who successfully graduate from the juvenile offender basic training camp program shall spend the remainder of their disposition on parole in a department juvenile rehabilitation administration intensive aftercare program in the local community. Violation of the conditions of parole is subject to sanctions specified in RCW 13.40.210(4). The program shall provide for the needs of the offender based on his or her progress in the aftercare program as indicated by ongoing assessment of those needs and progress. The intensive aftercare program shall monitor postprogram juvenile offenders and assist them to successfully reintegrate into the community. In addition, the program shall develop a process for closely monitoring and assessing public safety risks. The intensive aftercare program shall be designed and funded by the department ((of social and health services)).

(8) The department shall also develop and maintain a database to measure recidivism rates specific to this incarceration program. The database shall maintain data on all juvenile offenders who complete the juvenile offender basic training camp program for a period of two years after they have completed the program. The database shall also
maintain data on the criminal activity, educational progress, and employment activities of all juvenile offenders who participated in the program.

Sec. 616. RCW 13.40.460 and 2003 c 229 s 1 are each amended to read as follows:

The secretary or the secretary's designee shall manage and administer the department's juvenile rehabilitation responsibilities, including but not limited to the operation of all state institutions or facilities used for juvenile rehabilitation.

The secretary or the secretary's designee shall:

(1) Prepare a biennial budget request sufficient to meet the confinement and rehabilitative needs of the juvenile rehabilitation program, as forecast by the office of financial management;

(2) Create by rule a formal system for inmate classification. This classification system shall consider:

(a) Public safety;

(b) Internal security and staff safety;

(c) Rehabilitative resources both within and outside the department;

(d) An assessment of each offender's risk of sexually aggressive behavior as provided in RCW 13.40.470; and

(e) An assessment of each offender's vulnerability to sexually aggressive behavior as provided in RCW 13.40.470;

(3) Develop agreements with local jurisdictions to develop regional facilities with a variety of custody levels;

(4) Adopt rules establishing effective disciplinary policies to maintain order within institutions;

(5) Develop a comprehensive diagnostic evaluation process to be used at intake, including but not limited to evaluation for substance addiction or abuse, literacy, learning disabilities, fetal alcohol syndrome or effect, attention deficit disorder, and mental health;

(6) Develop placement criteria:

(a) To avoid assigning youth who present a moderate or high risk of sexually aggressive behavior to the same sleeping quarters as youth assessed as vulnerable to sexual victimization under RCW 13.40.470(1)(c); and
(b) To avoid placing a juvenile offender on parole status who has been assessed as a moderate to high risk for sexually aggressive behavior in a department community residential program with another child who is: (i) Dependent under chapter 13.34 RCW, or an at-risk youth or child in need of services under chapter 13.32A RCW; and (ii) not also a juvenile offender on parole status;

(7) Develop a plan to implement, by July 1, 1995:
- Substance abuse treatment programs for all state juvenile rehabilitation facilities and institutions;
- Vocational education and instruction programs at all state juvenile rehabilitation facilities and institutions; and
- An educational program to establish self-worth and responsibility in juvenile offenders. This educational program shall emphasize instruction in character-building principles such as: Respect for self, others, and authority; victim awareness; accountability; work ethics; good citizenship; and life skills; and

(8)(a) The ((juvenile rehabilitation administration)) department shall develop uniform policies related to custodial assaults consistent with RCW 72.01.045 and 9A.36.100 that are to be followed in all juvenile rehabilitation ((administration)) facilities; and

(b) The ((juvenile rehabilitation administration)) department will report assaults in accordance with the policies developed in (a) of this subsection.

Sec. 617. RCW 13.40.462 and 2011 1st sp.s. c 32 s 4 are each amended to read as follows:

(1) The department ((of social and health services juvenile rehabilitation administration)) shall establish a reinvesting in youth program that awards grants to counties for implementing research-based early intervention services that target juvenile justice-involved youth and reduce crime, subject to the availability of amounts appropriated for this specific purpose.

(2) Effective July 1, 2007, any county or group of counties may apply for participation in the reinvesting in youth program.

(3) Counties that participate in the reinvesting in youth program shall have a portion of their costs of serving youth through the research-based intervention service models paid for with moneys from the reinvesting in youth account established pursuant to RCW 13.40.466.
The department shall review county applications for funding through the reinvesting in youth program and shall select the counties that will be awarded grants with funds appropriated to implement this program. The department, in consultation with the Washington state institute for public policy, shall develop guidelines to determine which counties will be awarded funding in accordance with the reinvesting in youth program. At a minimum, counties must meet the following criteria in order to participate in the reinvesting in youth program:

(a) Counties must match state moneys awarded for research-based early intervention services with nonstate resources that are at least proportional to the expected local government share of state and local government cost avoidance that would result from the implementation of such services;

(b) Counties must demonstrate that state funds allocated pursuant to this section are used only for the intervention service models authorized pursuant to RCW 13.40.464;

(c) Counties must participate fully in the state quality assurance program established in RCW 13.40.468 to ensure fidelity of program implementation. If no state quality assurance program is in effect for a particular selected research-based service, the county must submit a quality assurance plan for state approval with its grant application. Failure to demonstrate continuing compliance with quality assurance plans shall be grounds for termination of state funding; and

(d) Counties that submit joint applications must submit for approval by the department multicounty plans for efficient program delivery.

Sec. 618. RCW 13.40.464 and 2006 c 304 s 3 are each amended to read as follows:

(1)(a) In order to receive funding through the reinvesting in youth program established pursuant to RCW 13.40.462, intervention service models must meet the following minimum criteria:

(i) There must be scientific evidence from at least one rigorous evaluation study of the specific service model that measures recidivism reduction;
(ii) There must be evidence that the specific service model’s results can be replicated outside of an academic research environment;

(iii) The evaluation or evaluations of the service model must permit dollar cost estimates of both benefits and costs so that the benefit-cost ratio of the model can be calculated; and

(iv) The public taxpayer benefits to all levels of state and local government must exceed the service model costs.

(b) In calendar year 2006, for use beginning in fiscal year 2008, the Washington state institute for public policy shall publish a list of service models that are eligible for reimbursement through the investing in youth program. As authorized by the board of the institute and to the extent necessary to respond to new research and information, the institute shall periodically update the list of service models. The institute shall use the technical advisory committee established in RCW 13.40.462(5) to review and provide comments on the list of service models that are eligible for reimbursement.

(2) In calendar year 2006, for use beginning in fiscal year 2008, the Washington state institute for public policy shall review and update the methodology for calculating cost savings resulting from implementation of this program. As authorized by the board of the institute and to the extent necessary to respond to new research and information, the institute shall periodically further review and update the methodology. As authorized by the board of the institute, when the institute reviews and updates the methodology for calculating cost savings, the institute shall provide an estimate of savings and avoided costs resulting from this program, along with a projection of future savings and avoided costs, to the appropriate committees of the legislature. The institute shall use the technical advisory committee established in RCW 13.40.462(5) to review and provide comments on its methodology and cost calculations.

(3) In calendar year 2006, for use beginning in fiscal year 2008, the department ((of social and health services’ juvenile rehabilitation administration)) shall establish a distribution formula to provide funding to local governments that implement research-based intervention services pursuant to this program. The department shall periodically update the distribution formula. The distribution formula shall require that the state allocation to local governments be proportional to the expected state government share of
state and local government cost avoidance that would result from the
development of such services based on the methodology maintained
by the Washington state institute for public policy pursuant to
subsection (2) of this section. The department shall use the
technical advisory committee established in RCW 13.40.462(5) to
review and provide comments on its proposed distribution formula.

children, youth, and families or the secretary's designee is
authorized to order and effect such move or transfer for a period of
up to fourteen days, provided that the secretary notifies the
original committing court of the transfer and the evaluation and

(1) Whenever any child under the age of eighteen is convicted as an adult in the courts of this state of a crime amounting to a felony, and is committed for a term of confinement, that child shall be initially placed in a facility operated by the department of corrections to determine the child's earned release date.

(a) If the earned release date is prior to the child's twenty-first birthday, the department of corrections shall transfer the child to the custody of the department of ((social and health services)) children, youth, and families, or to such other institution as is now, or may hereafter be authorized by law to receive such child, until such time as the child completes the ordered term of confinement or arrives at the age of twenty-one years.

(i) While in the custody of the department of ((social and health services)) children, youth, and families, the child must have the same treatment, housing options, transfer, and access to program resources as any other child committed directly to that juvenile correctional facility or institution pursuant to chapter 13.40 RCW. Treatment, placement, and program decisions shall be at the sole discretion of the department of ((social and health services)) children, youth, and families. The youth shall only be transferred back to the custody of the department of corrections with the approval of the department of ((social and health services)) children, youth, and families or when the child reaches the age of twenty-one.

(b) If the child's earned release date is on or after the child's twenty-first birthday, the department of corrections shall, with the consent of the secretary of ((social and health services)) children, youth, and families, transfer the child to a facility or institution operated by the department of ((social and health services)) children, youth, and families. When the child turns age twenty-one, he or she must be transferred back to the department of corrections. The department of ((social and health services)) children, youth, and families has all routine and day-to-day operations authority for the child while in its custody.

(2)(a) Except as provided in (b) and (c) of this subsection, an offender under the age of eighteen who is convicted in adult criminal court and who is committed to a term of confinement at the department of corrections must be placed in a housing unit, or a portion of a housing unit, that is separated from offenders eighteen years of age or older, until the offender reaches the age of eighteen.

(b) An offender who reaches eighteen years of age may remain in a housing unit for offenders under the age of eighteen if the secretary of corrections determines that: (i) The offender's needs and the correctional goals for the offender could continue to be better met by the programs and housing environment that is separate from offenders eighteen years of age and older; and (ii) the programs or housing environment for offenders under the age of eighteen will not be substantially affected by the continued placement of the offender in that environment. The offender may remain placed in a housing unit for offenders under the age of eighteen until such time as the secretary of corrections determines that the offender's needs and
correctional goals are no longer better met in that environment but
in no case past the offender's twenty-first birthday.

(c) An offender under the age of eighteen may be housed in an
intensive management unit or administrative segregation unit
containing offenders eighteen years of age or older if it is

department of social and health services reviewed the person's
otherwise disqualifying criminal history through the department of
social and health services' background assessment review team process

Nothing in this section is interpreted as restoring or creating a means to restore any firearms rights or eligibility to obtain a firearm dealer license pursuant to RCW 9.41.110 or requiring the removal of a protection order.

(a)(i) Criminal justice agencies, as defined in RCW 10.97.030, and the Washington state bar association are exempt from this section.

(b) Unless otherwise addressed in statute, in cases where an applicant would be disqualified under RCW 43.20A.710, and the applicant has obtained a certificate of restoration of opportunity, the department of social and health services and the department of children, youth, and families may, after review of relevant factors, including the nature and seriousness of the offense, time that has
passed since conviction, changed circumstances since the offense occurred, and the nature of the employment or license sought, at their discretion:

(i) Allow the applicant to have unsupervised access to children, vulnerable adults, or individuals with mental illness or developmental disabilities if the applicant is otherwise qualified and suitable; or

(ii) Disqualify the applicant solely based on the applicant's criminal history.

This section does not create a protected class; private right of action; any right, privilege, or duty; or change to any right, privilege, or duty existing under law. This section does not modify a licensing or certification applicant's right to a review of an agency's decision under the administrative procedure act or other applicable statute or agency rule. A certificate of restoration of opportunity does not remove or alter citizenship or legal residency requirements already in place for state agencies and employers.
(2) A qualified court has jurisdiction to issue a certificate of restoration of opportunity to a qualified applicant.

(a) A court must determine, in its discretion whether the certificate:

(i) Applies to all past criminal history; or

(ii) Applies only to the convictions or adjudications in the jurisdiction of the court.

(b) The certificate does not apply to any future criminal justice involvement that occurs after the certificate is issued.

(c) A court must determine whether to issue a certificate by determining whether the applicant is a qualified applicant as defined in RCW 9.97.010.

(3) An employer or housing provider may, in its sole discretion, determine whether to consider a certificate of restoration of opportunity issued under this chapter in making employment or rental decisions. An employer or housing provider is immune from suit in law, equity, or under the administrative procedure act for damages based upon its exercise of discretion under this section or the refusal to exercise such discretion. In any action at law against an employer or housing provider arising out of the employment of or provision of housing to the recipient of a certificate of restoration of opportunity, evidence of the crime for which a certificate of restoration of opportunity has been issued may not be introduced as evidence of negligence or intentionally tortious conduct on the part of the employer or housing provider. This subsection does not create a protected class, private right of action, any right, privilege, or duty, or to change any right, privilege, or duty existing under law related to employment or housing except as provided in RCW 7.60.035.

(4)(a) Department of social and health services: A certificate of restoration of opportunity does not apply to the state abuse and neglect registry. No finding of abuse, neglect, or misappropriation of property may be removed from the registry based solely on a certificate. The department must include such certificates as part of its criminal history record reports, qualifying letters, or other assessments pursuant to RCW 43.43.830 through 43.43.838. The department shall adopt rules to implement this subsection.

(b) Washington state patrol: The Washington state patrol is not required to remove any records based solely on a certificate of restoration of opportunity. The state patrol must include a certificate as part of its criminal history record report.
(c) Court records:

(i) A certificate of restoration of opportunity has no effect on any other court records, including records in the judicial information system. The court records related to a certificate of restoration of opportunity must be processed and recorded in the same manner as any other record.

(ii) The qualified court where the applicant seeks the certificate of restoration of opportunity must administer the court records regarding the certificate in the same manner as it does regarding all other proceedings.

(d) Effect in other judicial proceedings: A certificate of restoration of opportunity may only be submitted to a court to demonstrate that the individual met the specific requirements of this section and not for any other procedure, including evidence of character, reputation, or conduct. A certificate is not an equivalent procedure under Rule of Evidence 609(c).

(e) Department of health: The department of health must include a certificate of restoration of opportunity on its public web site if:

(i) Its web site includes an order, stipulation to informal disposition, or notice of decision related to the conviction identified in the certificate of restoration of opportunity; and

(ii) The credential holder has provided a certified copy of the certificate of restoration of opportunity to the department of health.

(f) Department of children, youth, and families: A certificate of restoration of opportunity does not apply to founded findings of child abuse or neglect. No finding of child abuse or neglect may be destroyed based solely on a certificate. The department of children, youth, and families must include such certificates as part of its criminal history record reports, qualifying letters, or other assessments pursuant to RCW 43.43.830 through 43.43.838. The department of children, youth, and families shall adopt rules to implement this subsection (4)(f).

(5) In all cases, an applicant must provide notice to the prosecutor in the county where he or she seeks a certificate of restoration of opportunity of the pendency of such application. If the applicant has been sentenced by any other jurisdiction in the five years preceding the application for a certificate, the applicant must also notify the prosecuting attorney in those jurisdictions. The prosecutor in the county where an applicant applies for a certificate
shall provide the court with a report of the applicant's criminal history.

(6) Application for a certificate of restoration of opportunity must be filed as a civil action.

(7) A superior court in the county in which the applicant resides may decline to consider the application for certificate of restoration of opportunity. If the superior court in which the applicant resides declines to consider the application, the court must dismiss the application without prejudice and the applicant may refile the application in another qualified court. The court must state the reason for the dismissal on the order. If the court determines that the applicant does not meet the required qualifications, then the court must dismiss the application without prejudice and state the reason(s) on the order. The superior court in the county of the applicant's conviction or adjudication may not decline to consider the application.

(8) Unless the qualified court determines that a hearing on an application for certificate of restoration is necessary, the court must decide without a hearing whether to grant the certificate of restoration of opportunity based on a review of the application filed by the applicant and pleadings filed by the prosecuting attorney.

(9) The clerk of the court in which the certificate of restoration of opportunity is granted shall transmit the certificate of restoration of opportunity to the Washington state patrol identification section, which holds criminal history information for the person who is the subject of the conviction. The Washington state patrol shall update its records to reflect the certificate of restoration of opportunity.

(10)(a) The administrative office of the courts shall develop and prepare instructions, forms, and an informational brochure designed to assist applicants applying for a certificate of restoration of opportunity.

(b) The instructions must include, at least, a sample of a standard application and a form order for a certificate of restoration of opportunity.

(c) The administrative office of the courts shall distribute a master copy of the instructions, informational brochure, and sample application and form order to all county clerks and a master copy of the application and order to all superior courts by January 1, 2017.
(d) The administrative office of the courts shall determine the significant non-English-speaking or limited English-speaking populations in the state. The administrator shall then arrange for translation of the instructions, which shall contain a sample of the standard application and order, and the informational brochure into languages spoken by those significant non-English-speaking populations and shall distribute a master copy of the translated instructions and informational brochures to the county clerks by January 1, 2017.

(e) The administrative office of the courts shall update the instructions, brochures, standard application and order, and translations when changes in the law make an update necessary.

Sec. 808. RCW 41.56.510 and 2010 c 296 s 2 are each amended to
read as follows:

(1) In addition to the entities listed in RCW 41.56.020, this
chapter applies to the governor with respect to language access
providers. Solely for the purposes of collective bargaining and as
expressly limited under subsections (2) and (3) of this section, the
governor is the public employer of language access providers who,
solely for the purposes of collective bargaining, are public
employees. The governor or the governor's designee shall represent
the public employer for bargaining purposes.

(2) There shall be collective bargaining, as defined in RCW
41.56.030, between the governor and language access providers, except
as follows:

(a) A statewide unit of all language access providers is the only
unit appropriate for purposes of collective bargaining under RCW
41.56.060;

(b) The exclusive bargaining representative of language access
providers in the unit specified in (a) of this subsection shall be
the representative chosen in an election conducted pursuant to RCW
41.56.070.
Bargaining authorization cards furnished as the showing of interest in support of any representation petition or motion for intervention filed under this section are exempt from disclosure under chapter 42.56 RCW;

(c) Notwithstanding the definition of "collective bargaining" in RCW 41.56.030(4), the scope of collective bargaining for language access providers under this section is limited solely to: (i) Economic compensation, such as the manner and rate of payments; (ii) professional development and training; (iii) labor-management committees; and (iv) grievance procedures. Retirement benefits are not subject to collective bargaining. By such obligation neither party may be compelled to agree to a proposal or be required to make a concession unless otherwise provided in this chapter;

(d) In addition to the entities listed in the mediation and interest arbitration provisions of RCW 41.56.430 through 41.56.470 and 41.56.480, the provisions apply to the governor or the governor's designee and the exclusive bargaining representative of language access providers, except that:

(i) In addition to the factors to be taken into consideration by an interest arbitration panel under RCW 41.56.465, the panel shall consider the financial ability of the state to pay for the compensation and benefit provisions of a collective bargaining agreement;

(ii) The decision of the arbitration panel is not binding on the legislature and, if the legislature does not approve the request for funds necessary to implement the compensation and benefit provisions of the arbitrated collective bargaining agreement, the decision is not binding on the state;

(e) Language access providers do not have the right to strike.

(3) Language access providers who are public employees solely for the purposes of collective bargaining under subsection (1) of this section are not, for that reason, employees of the state for any other purpose. This section applies only to the governance of the collective bargaining relationship between the employer and language access providers as provided in subsections (1) and (2) of this section.

(4) Each party with whom the department of social and health services or the department of children, youth, and families contracts for language access services and each of their subcontractors shall provide to the department an accurate list of language access providers.
providers, as defined in RCW 41.56.030, including their names, addresses, and other contact information, annually by January 30th, except that initially the lists must be provided within thirty days of June 10, 2010. The department shall, upon request, provide a list of all language access providers, including their names, addresses, and other contact information, to a labor union seeking to represent language access providers.

(5) This section does not create or modify:
(a) The department's obligation to comply with the federal statute and regulations; and
(b) The legislature's right to make programmatic modifications to the delivery of state services under chapter 74.04 RCW. The governor may not enter into, extend, or renew any agreement under this chapter that does not expressly reserve the legislative rights described in this subsection.

(6) Upon meeting the requirements of subsection (7) of this section, the governor must submit, as a part of the proposed biennial or supplemental operating budget submitted to the legislature under RCW 43.88.030, a request for funds necessary to implement the compensation and benefit provisions of a collective bargaining agreement entered into under this section or for legislation necessary to implement the agreement.

(7) A request for funds necessary to implement the compensation and benefit provisions of a collective bargaining agreement entered into under this section may not be submitted by the governor to the legislature unless the request has been:
(a) Submitted to the director of financial management by October 1st prior to the legislative session at which the requests are to be considered, except that, for initial negotiations under this section, the request may not be submitted before July 1, 2011; and
(b) Certified by the director of financial management as financially feasible for the state or reflective of a binding decision of an arbitration panel reached under subsection (2)(d) of this section.

(8) The legislature must approve or reject the submission of the request for funds as a whole. If the legislature rejects or fails to act on the submission, any collective bargaining agreement must be reopened for the sole purpose of renegotiating the funds necessary to implement the agreement.
If, after the compensation and benefit provisions of an agreement are approved by the legislature, a significant revenue shortfall occurs resulting in reduced appropriations, as declared by proclamation of the governor or by resolution of the legislature, both parties shall immediately enter into collective bargaining for a mutually agreed upon modification of the agreement.

(10) After the expiration date of any collective bargaining agreement entered into under this section, all of the terms and conditions specified in the agreement remain in effect until the effective date of a subsequent agreement, not to exceed one year from the expiration date stated in the agreement.

(11) In enacting this section, the legislature intends to provide state action immunity under federal and state antitrust laws for the joint activities of language access providers and their exclusive bargaining representative to the extent the activities are authorized by this chapter.

(b) Permit the ombuds or the ombuds designee physical access to state institutions serving children, and state licensed facilities or residences for the purpose of carrying out its duties under this chapter;

(c) Upon the ombuds's request, grant the ombuds or the ombuds's designee the right to access, inspect, and copy all relevant information, records, or documents in the possession or control of the department of ((social and health services or the department of early learning)) children, youth, and families that the ombuds considers necessary in an investigation; and

(d) Grant the office of the family and children's ombuds unrestricted online access to the child welfare case management information system and the department of ((early learning)) children,
youth, and families data information system for the purpose of carrying out its duties under this chapter.

(2) For the purposes of this section, "near fatality" means an act that, as certified by a physician, places the child in serious or critical condition.

(3) Nothing in this section creates a duty for the office of the family and children's ombuds under RCW 43.06A.030 as related to children in the care of an early learning program described in RCW 43.215.400 through 43.215.450 (as recodified by this act), a licensed child care center, or a licensed child care home.

((The secretary shall appoint an assistant secretary to administer the juvenile rehabilitation responsibilities required of the department by chapters 13.04, 13.40, and 13.50 RCW.)) The officers appointed under this section, and exempt from the provisions of the state civil service law by the terms of RCW 41.06.076, shall be paid salaries to be fixed by the governor in accordance with the procedure established by law for the fixing of salaries for officers exempt from the operation of the state civil service law.

Sec. 811. RCW 43.06A.060 and 2013 c 23 s 75 are each amended to read as follows:

Neither the ombuds nor the ombuds's staff may be compelled, in any judicial or administrative proceeding, to testify or to produce evidence regarding the exercise of the official duties of the ombuds or of the ombuds's staff. All related memoranda, work product, notes, and case files of the ombuds's office are confidential, are not subject to discovery, judicial or administrative subpoena, or other method of legal compulsion, and are not admissible in evidence in a judicial or administrative proceeding. This section shall not apply.
