18 perpetration of vehicular assault or, in cases where the perpetrator
19 of the vehicular assault is unascertainable because he or she left
20 the scene of the accident in violation of RCW 46.52.020 or, because
21 of physical or mental infirmity or disability the perpetrator is
22 incapable of standing trial for vehicular assault, the department
23 may, by a preponderance of the evidence, establish that a vehicular
24 assault had been committed and authorize benefits;

25 (D) The injury or death was caused by a driver in violation of
26 RCW 46.61.502; or

27 (E) The injury or death was caused by a driver in violation of
28 RCW 46.61.655(7)(a), failure to secure a load in the first degree;

35 of receiving benefits pursuant to this chapter, "victim" is
36 interchangeable with "employee" or "worker" as defined in chapter
37 51.08 RCW as now or hereafter amended.

38 **Sec. 2.** RCW 7.68.030 and 2011 c 346 s 206 are each amended to
39 read as follows:

1 (1) It shall be the duty of the director to establish and
2 administer a program of benefits to innocent victims of criminal acts
3 within the terms and limitations of this chapter. The director may
4 apply for and, subject to appropriation, expend federal funds under
5 Public Law 98-473 and any other federal program providing financial
6 assistance to state crime victim compensation programs. The federal
7 funds shall be deposited in the state general fund and may be
8 expended only for purposes authorized by applicable federal law.

9 (2) The director shall:

10 (a) Establish and adopt rules governing the administration of
11 this chapter in accordance with chapter 34.05 RCW;

12 (b) Regulate the proof of accident and extent thereof, the proof
13 of death, and the proof of relationship and the extent of dependency;

14 (c) Supervise the medical, surgical, and hospital treatment to
15 the intent that it may be in all cases efficient and up to the
16 recognized standard of modern surgery;

17 (d) Issue proper receipts for moneys received and certificates
18 for benefits accrued or accruing;

19 (e) Designate a medical director who is licensed under chapter
20 18.57 or 18.71 RCW;

21 (f) Supervise the providing of prompt and efficient care and
22 treatment, including care provided by physician assistants governed
23 by the provisions of chapters 18.57A and 18.71A RCW, acting under a
24 supervising physician, including chiropractic care, and including
25 care provided by licensed advanced registered nurse practitioners, to
26 victims at the least cost consistent with promptness and efficiency,
27 without discrimination or favoritism, and with as great uniformity as
28 the various and diverse surrounding circumstances and locations of
29 industries will permit and to that end shall, from time to time,
30 establish and adopt and supervise the administration of printed
31 forms, electronic communications, rules, regulations, and practices
32 for the furnishing of such care and treatment. The medical coverage
33 decisions of the department do not constitute a "rule" as used in RCW
34 34.05.010(16), nor are such decisions subject to the rule-making
35 provisions of chapter 34.05 RCW except that criteria for establishing
36 medical coverage decisions shall be adopted by rule. The department
37 may recommend to a victim particular health care services and
38 providers where specialized treatment is indicated or where cost-
39 effective payment levels or rates are obtained by the department, and
40 the department may enter into contracts for goods and services

1 including, but not limited to, durable medical equipment so long as
2 statewide access to quality service is maintained for injured
3 victims;

4 (g) In consultation with interested persons, establish and, in
5 his or her discretion, periodically change as may be necessary, and
6 make available a fee schedule of the maximum charges to be made by
7 any physician, surgeon, chiropractor, hospital, druggist, licensed
8 advanced registered nurse practitioner, and physician assistants as
9 defined in chapters 18.57A and 18.71A RCW, acting under a supervising
10 physician or other agency or person rendering services to victims.
11 The department shall coordinate with other state purchasers of health
12 care services to establish as much consistency and uniformity in
13 billing and coding practices as possible, taking into account the
14 unique requirements and differences between programs. No service
15 covered under this title, including services provided to victims,
16 whether aliens or other victims, who are not residing in the United
17 States at the time of receiving the services, shall be charged or
18 paid at a rate or rates exceeding those specified in such fee
19 schedule, and no contract providing for greater fees shall be valid
20 as to the excess. The establishment of such a schedule, exclusive of
21 conversion factors, does not constitute "agency action" as used in
22 RCW 34.05.010(3), nor does such a fee schedule constitute a "rule" as
23 used in RCW 34.05.010(16). Payments for providers' services under the
24 fee schedule established pursuant to this subsection (2) may not be
25 less than payments provided for comparable services under the
26 workers' compensation program under Title 51 RCW, provided:

27 (i) If the department, using caseload estimates, projects a
28 deficit in funding for the program by July 15th for the following
29 fiscal year, the director shall notify the governor and the
30 appropriate committees of the legislature and request funding
31 sufficient to continue payments to not less than payments provided
32 for comparable services under the workers' compensation program. If
33 sufficient funding is not provided to continue payments to not less
34 than payments provided for comparable services under the workers'
35 compensation program, the director shall reduce the payments under
36 the fee schedule for the following fiscal year based on caseload
37 estimates and available funding, except payments may not be reduced
38 to less than seventy percent of payments for comparable services
39 under the workers' compensation program;

1 (ii) If an unforeseeable catastrophic event results in
2 insufficient funding to continue payments to not less than payments
3 provided for comparable services under the workers' compensation
4 program, the director shall reduce the payments under the fee
5 schedule to not less than seventy-five percent of payments provided
6 for comparable services under the workers' compensation program,
7 provided that the reduction may not be more than necessary to fund
8 benefits under the program; and

9 (iii) Once sufficient funding is provided or otherwise available,
10 the director shall increase the payments under the fee schedule to
11 not less than payments provided for comparable services under the
12 workers' compensation program;

13 (h) Make a record of the commencement of every disability and the
14 termination thereof and, when bills are rendered for the care and
15 treatment of injured victims, shall approve and pay those which
16 conform to the adopted rules, regulations, established fee schedules,
17 and practices of the director and may reject any bill or item thereof
18 incurred in violation of the principles laid down in this section or
19 the rules, regulations, or the established fee schedules and rules
20 and regulations adopted under it.

21 (3) The director and his or her authorized assistants:

22 (a) Have power to issue subpoenas to enforce the attendance and
23 testimony of witnesses and the production and examination of books,
24 papers, photographs, tapes, and records before the department in
25 connection with any claim made to the department or any billing
26 submitted to the department. The superior court has the power to
27 enforce any such subpoena by proper proceedings;

28 (b)(i) May apply for and obtain a superior court order approving
29 and authorizing a subpoena in advance of its issuance. The
30 application may be made in the county where the subpoenaed person
31 resides or is found, or the county where the subpoenaed records or
32 documents are located, or in Thurston county. The application must
33 (A) state that an order is sought pursuant to this subsection; (B)
34 adequately specify the records, documents, or testimony; and (C)
35 declare under oath that an investigation is being conducted for a
36 lawfully authorized purpose related to an investigation within the
37 department's authority and that the subpoenaed documents or testimony
38 are reasonably related to an investigation within the department's
39 authority.

1 (ii) Where the application under this subsection (3)(b) is made
2 to the satisfaction of the court, the court must issue an order
3 approving the subpoena. An order under this subsection constitutes
4 authority of law for the agency to subpoena the records or testimony.

5 (iii) The director and his or her authorized assistants may seek
6 approval and a court may issue an order under this subsection without
7 prior notice to any person, including the person to whom the subpoena
8 is directed and the person who is the subject of an investigation.

9 (4) In all hearings, actions, or proceedings before the
10 department, any physician or licensed advanced registered nurse
11 practitioner having theretofore examined or treated the claimant may
12 be required to testify fully regarding such examination or treatment,
13 and shall not be exempt from so testifying by reason of the relation
14 of the physician or licensed advanced registered nurse practitioner
15 to the patient.

16 **Sec. 3.** RCW 7.68.031 and 2013 c 125 s 1 are each amended to read
17 as follows:

18 On all claims under this chapter, claimants' written or
19 electronic notices, orders, or payments must be forwarded directly to
20 the claimant until such time as there has been entered an order on
21 the claim appealable to the ~~((department))~~ board of industrial
22 insurance appeals. Claimants' written or electronic notices, orders,
23 or payments may be forwarded to the claimant in care of a
24 representative before an order has been entered if the claimant sets
25 forth in writing the name and address of the representative to whom
26 the claimant desires this information to be forwarded.

27 **Sec. 4.** RCW 7.68.062 and 2011 c 346 s 302 are each amended to
28 read as follows:

29 (1)(a) Where a victim is eligible for compensation under this
30 chapter he or she shall file with the department his or her
31 application for such, together with the certificate of the
32 ~~((physician or licensed advanced registered nurse practitioner))~~
33 treating provider who attended him or her. An application for
34 compensation form developed by the department shall include a notice
35 specifying the victim's right to receive health services from a
36 ~~((physician or licensed advanced registered nurse practitioner))~~
37 treating provider utilizing his or her private or public insurance or
38 if no insurance, of the victim's choice under RCW 7.68.095.

1 (b) The (~~physician or licensed advanced registered nurse~~
2 ~~practitioner~~) treating provider who attended the injured victim
3 shall inform the injured victim of his or her rights under this
4 chapter and lend all necessary assistance in making this application
5 for compensation and such proof of other matters as required by the
6 rules of the department without charge to the victim.

7 (2) If the application required by this section is filed on
8 behalf of the victim by the (~~physician~~) treating provider who
9 attended the victim, the (~~physician~~) treating provider may transmit
10 the application to the department electronically.

11 **Sec. 5.** RCW 7.68.070 and 2011 c 346 s 401 are each amended to
12 read as follows:

13 The eligibility for benefits under this chapter and the amount
14 thereof will be governed insofar as is applicable by the provisions
15 contained in this chapter.

16 (1) Each victim injured as a result of a criminal act, including
17 criminal acts committed between July 1, 1981, and January 1, 1983, or
18 the victim's family or beneficiary in case of death of the victim,
19 are eligible for benefits in accordance with this chapter, subject to
20 the limitations under RCW 7.68.015. Except for medical benefits
21 authorized under RCW 7.68.080, no more than (~~fifty~~) forty thousand
22 dollars shall be (~~paid in total per claim, of which nonmedical~~
23 ~~benefits shall not exceed forty thousand dollars of the entire claim.~~
24 Benefits may include a combination of burial expenses, financial
25 support for lost wages, and medical expenses) granted as a result of
26 a single injury or death.

27 (a) Benefits payable for temporary total disability that results
28 in financial support for lost wages shall not exceed fifteen thousand
29 dollars.

30 (b) Benefits payable for a permanent total disability or fatality
31 that results in financial support for lost wages shall not exceed
32 forty thousand dollars. After at least twelve monthly payments have
33 been paid, the department shall have the sole discretion to make a
34 final lump sum payment of the balance remaining.

35 (~~(c) Benefits for disposition of remains or burial expenses~~
36 ~~shall not exceed five thousand seven hundred fifty dollars per~~
37 ~~claim.))~~

38 (2) If the victim was not gainfully employed at the time of the
39 criminal act or for a total of twelve weeks in the six months

1 preceding the date of the criminal act, no financial support for lost
2 wages will be paid to the victim or any beneficiaries.

3 (3) No victim or beneficiary shall receive compensation for or
4 during the day on which the injury was received.

5 (4) If a victim's employer continues to pay the victim's wages
6 that he or she was earning at the time of the crime, the victim shall
7 not receive any financial support for lost wages.

8 (5) When the director determines that a temporary total
9 disability results in a loss of wages, the victim shall receive
10 monthly subject to subsection (1) of this section, during the period
11 of disability, sixty percent of the victim's monthly wage but no more
12 than one hundred percent of the state's average monthly wage as
13 defined in RCW 7.68.020. The minimum monthly payment shall be no less
14 than five hundred dollars. Monthly wages shall be based upon employer
15 wage statements, employment security records, or documents reported
16 to and certified by the internal revenue service. Monthly wages must
17 be determined using the actual documented monthly wage or averaging
18 the total wages earned for up to twelve successive calendar months
19 preceding the injury. In cases where the victim's wages and hours are
20 fixed, they shall be determined by multiplying the daily wage the
21 victim was receiving at the time of the injury:

22 (a) By five, if the victim was normally employed one day a week;

23 (b) By nine, if the victim was normally employed two days a week;

24 (c) By thirteen, if the victim was normally employed three days a
25 week;

26 (d) By eighteen, if the victim was normally employed four days a
27 week;

28 (e) By twenty-two, if the victim was normally employed five days
29 a week;

30 (f) By twenty-six, if the victim was normally employed six days a
31 week; or

32 (g) By thirty, if the victim was normally employed seven days a
33 week.

34 (6) When the director determines that a permanent total
35 disability or death results in a loss of wages, the victim or
36 eligible spouse shall receive the monthly payments established in
37 this subsection, not to exceed forty thousand dollars or the limits
38 established in this chapter.

1 (7) If the director determines that the victim is voluntarily
2 retired and is no longer attached to the workforce, benefits shall
3 not be paid under this section.

4 (8) In the case of death, if there is no eligible spouse,
5 benefits shall be paid to the child or children of the deceased
6 victim. If there is no spouse or children, no payments shall be made
7 under this section. If the spouse remarries before this benefit is
8 paid in full benefits shall be paid to the victim's child or children
9 and the spouse shall not receive further payment. If there is no
10 child or children no further payments will be made.

11 (9) The benefits for disposition of remains or burial expenses
12 shall not exceed ~~((five))~~ six thousand ~~((seven))~~ one hundred
13 ~~((fifty))~~ seventy dollars per claim ~~((and))~~. Beginning July 1, 2020,
14 the department shall adjust the amount in this subsection (9) for
15 inflation every three years based upon changes in the consumer price
16 index during that time period. To receive reimbursement for expenses
17 related to the disposition of remains or burial, the department must
18 receive an itemized statement from a provider of services within
19 ~~((twelve))~~ twenty-four months of the date ~~((upon which the death of~~
20 ~~the victim is officially recognized as a homicide))~~ of the claim
21 allowance. If there is a delay in the recovery of remains or the
22 release of remains for disposition or burial, an itemized statement
23 from a provider of services must be received within ~~((twelve))~~
24 twenty-four months of the date of the release of the remains or of
25 the date of the claim allowance, whichever is later.

26 (10) Any person who is responsible for the victim's injuries, or
27 who would otherwise be unjustly enriched as a result of the victim's
28 injuries, shall not be a beneficiary under this chapter.

29 (11) Crime victims' compensation is not available to pay for
30 services covered under chapter 74.09 RCW or Title XIX of the federal
31 social security act.

32 (12) A victim whose crime occurred in another state who qualifies
33 for benefits under RCW 7.68.060(6) may receive appropriate mental
34 health counseling to address distress arising from participation in
35 the civil commitment proceedings. Fees for counseling shall be
36 determined by the department in accordance with RCW 51.04.030,
37 subject to the limitations of RCW 7.68.080.

38 (13) If the provisions of this title relative to compensation for
39 injuries to or death of victims become invalid because of any
40 adjudication, or are repealed, the period intervening between the

1 occurrence of an injury or death, not previously compensated for
2 under this title by lump payment or completed monthly payments, and
3 such repeal or the rendition of the final adjudication of invalidity
4 shall not be computed as a part of the time limited by law for the
5 commencement of any action relating to such injury or death.

6 (14) The benefits established in RCW 51.32.080 for permanent
7 partial disability will not be provided to any crime victim or for
8 any claim submitted on or after July 1, 2011.

9 **Sec. 6.** RCW 7.68.080 and 2011 1st sp.s. c 15 s 69 and 2011 c 346
10 s 501 are each reenacted and amended to read as follows:

11 (1) When the injury to any victim is so serious as to require the
12 victim's being taken from the place of injury to a place of
13 treatment, reasonable transportation costs to the nearest place of
14 proper treatment shall be reimbursed by the department as part of the
15 victim's total claim under RCW 7.68.070(1).

16 (2) In the case of alleged rape or molestation of a child, the
17 reasonable costs of a colposcopy examination shall be reimbursed by
18 the department. Costs for a colposcopy examination given under this
19 subsection shall not be included as part of the victim's total claim
20 under RCW 7.68.070(1).

21 (3) The director shall adopt rules for fees and charges for
22 hospital, clinic, medical, and other health care services, including
23 fees and costs for durable medical equipment, eyeglasses, hearing
24 aids, and other medically necessary devices for crime victims under
25 this chapter. The director shall set these service levels and fees at
26 a level no lower than those established (~~by the health care~~
27 ~~authority~~) for comparable services under the workers' compensation
28 program under Title ((74)) 51 RCW, except the director shall comply
29 with the requirements of RCW 7.68.030(2)(g) (i) through (iii) when
30 setting service levels and fees, including reducing levels and fees
31 when required. In establishing fees for medical and other health care
32 services, the director shall consider the director's duty to purchase
33 health care in a prudent, cost-effective manner. The director shall
34 establish rules adopted in accordance with chapter 34.05 RCW. Nothing
35 in this chapter may be construed to require the payment of interest
36 on any billing, fee, or charge.

37 (4) Whenever the director deems it necessary in order to resolve
38 any medical issue, a victim shall submit to examination by a
39 physician or physicians selected by the director, with the rendition

1 of a report to the person ordering the examination. The department
2 shall provide the physician performing an examination with all
3 relevant medical records from the victim's claim file. The director,
4 in his or her discretion, may charge the cost of such examination or
5 examinations to the crime victims' compensation fund. If the
6 examination is paid for by the victim, then the cost of said
7 examination shall be reimbursed to the victim for reasonable costs
8 connected with the examination as part of the victim's total claim
9 under RCW 7.68.070(1).
