
HOUSE BILL 2080

State of Washington

65th Legislature

2017 Regular Session

By Representatives Hudgins, Pollet, and Macri

Read first time 02/13/17. Referred to Committee on State Govt,
Elections & IT.

1 AN ACT Relating to equalizing access to permanent ballot drop
2 boxes for every Washington citizen; adding a new section to chapter
3 29A.40 RCW; and creating a new section.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** The legislature finds that Congress
6 enacted the voting rights act of 1965 to provide every citizen with
7 an equal opportunity to participate in elections. The legislature
8 also finds that the national voter registration act of 1993
9 establishes a duty for federal, state, and local governments to
10 promote and exercise citizens' fundamental right to vote. Therefore,
11 the legislature intends to ensure that voting remains free and
12 accessible to Washington citizens by providing that the number of
13 permanent ballot drop boxes is proportional to the number of
14 residents in each county.

15 NEW SECTION. **Sec. 2.** A new section is added to chapter 29A.40
16 RCW to read as follows:

17 (1) The county auditor of each county must ensure that by
18 November 1, 2017, a minimum of one permanent ballot drop box for
19 every fifteen thousand county residents is available for the secure
20 deposit of paper ballots.

1 (2) The county auditor may determine the location and placement
2 of each ballot drop box within the county in order to improve
3 accessibility for all county residents.

4 (3) County officials are encouraged to purchase permanent ballot
5 drop boxes produced or provided in whole or in part from class II
6 inmate work programs operated by the department of corrections as
7 identified in RCW 72.60.160.

8 (4) Permanent ballot drop boxes must comply with all applicable
9 state and federal requirements as adopted in rule by the secretary of
10 state.
