5 (4) For purposes of this section, "disposition" means the sale,
6 exchange, or other action resulting in a transfer of ownership.

7 **PART 3 - DISPOSAL OF PUBLIC PROPERTY FOR PUBLIC BENEFIT**

8 NEW SECTION. **Sec. 3.** A new section is added to chapter 39.33
9 RCW to read as follows:

10 (1) Any state agency, municipality, or political subdivision,
11 with authority to dispose of surplus public property, may transfer,
12 lease, or other disposal of such property for a public benefit
13 purpose, consistent with and subject to this section. Any such
14 transfer, lease, or other disposal may be made to a public, private,
15 or nongovernmental body on any mutually agreeable terms and
16 conditions, including a no cost transfer, subject to and consistent
17 with this section. Consideration must include appraisal costs, debt
18 service, all closing costs, and any other liabilities to the agency,
19 municipality, or political subdivision. However, the property may not
20 be so transferred, leased, or disposed of if such transfer, lease, or
21 disposal would violate any bond covenant or encumber or impair any
22 contract.

23 (2) A deed, lease, or other instrument transferring or conveying
24 property pursuant to subsection (1) of this section must include:

25 (a) A covenant or other requirement that the property shall be
26 used for the designated public benefit purpose; and

27 (b) Remedies that apply if the recipient of the property fails to
28 use it for the designated public purpose or ceases to use it for such
29 purpose.

30 (3) To implement the authority granted by this section, the
31 governing body or legislative authority of a municipality or
32 political subdivision must enact rules to regulate the disposition of
33 property for public benefit purposes. Any transfer, lease, or other
34 disposition of property authorized under this section must be
35 consistent with existing locally adopted comprehensive plans as
36 described in RCW 36.70A.070.

37 (4) This section is deemed to provide a discretionary alternative
38 method for the doing of the things authorized herein, and shall not

1 be construed as imposing any additional condition upon the exercise
2 of any other powers vested in any state agency, municipality, or
3 political subdivision.

4 (5) No transfer, lease, or other disposition of property for
5 public benefit purposes made pursuant to any other provision of law
6 prior to the effective date of this section may be construed to be
7 invalid solely because the parties thereto did not comply with the
8 procedures of this section.

9 (6) The transfer at no cost, lease, or other disposal of surplus
10 real property for public benefit purposes is deemed a lawful purpose
11 of any state agency, municipality, or political subdivision, for
12 which accounts are kept on an enterprise fund or equivalent basis,
13 regardless of the primary purpose or function of such agency.

14 (7) This section does not apply to the sale or transfer of any
15 state forestlands, any state lands or property granted to the state
16 by the federal government for the purposes of common schools or
17 education, or subject to a legal restriction that would be violated
18 by compliance with this section.

19 (8) For purposes of this section:

20 (a) "Public benefit" means affordable housing for low-income and
21 very low-income households as defined in RCW 43.63A.510, and related
22 facilities that support the goals of affordable housing development
23 in providing economic and social stability for low-income persons;
24 and

25 (b) "Surplus public property" means excess real property that is
26 not required for the needs of or the discharge of the
27 responsibilities of the state agency, municipality, or political
28 subdivision.

29 **Sec. 4.** RCW 35.94.040 and 1973 1st ex.s. c 95 s 1 are each
30 amended to read as follows:

31 (1) Whenever a city shall determine, by resolution of its
32 legislative authority, that any lands, property, or equipment
33 originally acquired for public utility purposes is surplus to the
34 city's needs and is not required for providing continued public
35 utility service, then such legislative authority by resolution and
36 after a public hearing may cause such lands, property, or equipment
37 to be leased, sold, or conveyed. Such resolution shall state the fair
38 market value or the rent or consideration to be paid and such other

1 terms and conditions for such disposition as the legislative
2 authority deems to be in the best public interest.

3 (2) The provisions of RCW 35.94.020 and 35.94.030 shall not apply
4 to dispositions authorized by this section.

5 (3) This section does not apply to property transferred, leased,
6 or otherwise disposed in accordance with section 3 of this act.

7 **Sec. 5.** RCW 43.09.210 and 2000 c 183 s 2 are each amended to
8 read as follows:

9 (1) Separate accounts shall be kept for every appropriation or
10 fund of a taxing or legislative body showing date and manner of each
11 payment made therefrom, the name, address, and vocation of each
12 person, organization, corporation, or association to whom paid, and
13 for what purpose paid.

14 (2) Separate accounts shall be kept for each department, public
15 improvement, undertaking, institution, and public service industry
16 under the jurisdiction of every taxing body.

17 (3) All service rendered by, or property transferred from, one
18 department, public improvement, undertaking, institution, or public
19 service industry to another, shall be paid for at its true and full
20 value by the department, public improvement, undertaking,
21 institution, or public service industry receiving the same, and no
22 department, public improvement, undertaking, institution, or public
23 service industry shall benefit in any financial manner whatever by an
24 appropriation or fund made for the support of another.

25 (4) All unexpended balances of appropriations shall be
26 transferred to the fund from which appropriated, whenever the account
27 with an appropriation is closed.

28 (5) This section does not apply to:

29 (a) Agency surplus personal property handled under RCW
30 43.19.1919(~~(+5)~~) (1)(e); or

31 (b) The transfer, lease, or other disposal of surplus property
32 for public benefit purposes, as provided under section 3 of this act.

33 **Sec. 6.** RCW 43.43.115 and 1993 c 438 s 1 are each amended to
34 read as follows:

35 (1) Whenever real property owned by the state of Washington and
36 under the jurisdiction of the Washington state patrol is no longer
37 required, it may be sold at fair market value, or otherwise disposed
38 as permitted under section 3 of this act. Any such sale or disposal

1 must be in accordance with RCW 43.17.400. All proceeds received from
2 the sale of real property, less any real estate broker commissions up
3 to four percent of the sale price, shall be deposited into the state
4 patrol highway account: PROVIDED, That if accounts or funds other
5 than the state patrol highway account have contributed to the
6 purchase or improvement of the real property, the office of financial
7 management shall determine the proportional equity of each account or
8 fund in the property and improvements, and shall direct the proceeds
9 to be deposited proportionally therein.

10 (2) Through June 30, 2029, unless specifically prohibited by law,
11 any real property sold at fair market value must include a remittance
12 of an amount equal to ten percent of the net proceeds to the state
13 treasurer to be deposited in the Washington housing trust fund,
14 pursuant to RCW 43.185.030. For purposes of this subsection, "net
15 proceeds" means the sale price less the original purchase price, real
16 estate broker commission and fees, transaction costs, and any debt or
17 lien to the property.

18 **Sec. 7.** RCW 43.82.010 and 2015 c 99 s 1 are each amended to read
19 as follows:

20 (1) The director of enterprise services, on behalf of the agency
21 involved and after consultation with the office of financial
22 management, shall purchase, lease, lease purchase, rent, or otherwise
23 acquire all real estate, improved or unimproved, as may be required
24 by elected state officials, institutions, departments, commissions,
25 boards, and other state agencies, or federal agencies where joint
26 state and federal activities are undertaken and may grant easements
27 and transfer, exchange, sell, lease, or sublease all or part of any
28 surplus real estate for those state agencies which do not otherwise
29 have the specific authority to dispose of real estate. Any such
30 transfer, exchange, or sale must comply with RCW 43.17.400, and may
31 be made in accordance with section 3 of this act. This section does
32 not transfer financial liability for the acquired property to the
33 department of enterprise services.

34 (2) Except for real estate occupied by federal agencies, the
35 director shall determine the location, size, and design of any real
36 estate or improvements thereon acquired or held pursuant to
37 subsection (1) of this section. Facilities acquired or held pursuant
38 to this chapter, and any improvements thereon, shall conform to
39 standards adopted by the director and approved by the office of

1 financial management governing facility efficiency unless a specific
2 exemption from such standards is provided by the director of
3 enterprise services. The director of enterprise services shall report
4 to the office of financial management and the appropriate committees
5 of the legislature annually on any exemptions granted pursuant to
6 this subsection.

7 (3) Except for leases permitted under subsection (4) of this
8 section, the director of enterprise services may fix the terms and
9 conditions of each lease entered into under this chapter, except that
10 no lease shall extend greater than twenty years in duration. The
11 director of enterprise services may enter into a long-term lease
12 greater than ten years in duration upon a determination by the
13 director of the office of financial management that the long-term
14 lease provides a more favorable rate than would otherwise be
15 available, it appears to a substantial certainty that the facility is
16 necessary for use by the state for the full length of the lease term,
17 and the facility meets the standards adopted pursuant to subsection
18 (2) of this section. The director of enterprise services may enter
19 into a long-term lease greater than ten years in duration if an
20 analysis shows that the life-cycle cost of leasing the facility is
21 less than the life-cycle cost of purchasing or constructing a
22 facility in lieu of leasing the facility.

23 (4) The director of enterprise services may fix the terms of
24 leases for property under the department of enterprise services'
25 control at the former Northern State Hospital site for up to sixty
26 years.

27 (5) Except as permitted under chapter 39.94 RCW, no lease for or
28 on behalf of any state agency may be used or referred to as
29 collateral or security for the payment of securities offered for sale
30 through a public offering. Except as permitted under chapter 39.94
31 RCW, no lease for or on behalf of any state agency may be used or
32 referred to as collateral or security for the payment of securities
33 offered for sale through a private placement without the prior
34 written approval of the state treasurer. However, this limitation
35 shall not prevent a lessor from assigning or encumbering its interest
36 in a lease as security for the repayment of a promissory note
37 provided that the transaction would otherwise be an exempt
38 transaction under RCW 21.20.320. The state treasurer shall adopt
39 rules that establish the criteria under which any such approval may
40 be granted. In establishing such criteria the state treasurer shall

1 give primary consideration to the protection of the state's credit
2 rating and the integrity of the state's debt management program. If
3 it appears to the state treasurer that any lease has been used or
4 referred to in violation of this subsection or rules adopted under
5 this subsection, then he or she may recommend that the governor cause
6 such lease to be terminated. The department of enterprise services
7 shall promptly notify the state treasurer whenever it may appear to
8 the department that any lease has been used or referred to in
9 violation of this subsection or rules adopted under this subsection.

10 (6) It is the policy of the state to encourage the colocation and
11 consolidation of state services into single or adjacent facilities,
12 whenever appropriate, to improve public service delivery, minimize
13 duplication of facilities, increase efficiency of operations, and
14 promote sound growth management planning.

15 (7) The director of enterprise services shall provide coordinated
16 long-range planning services to identify and evaluate opportunities
17 for collocating and consolidating state facilities. Upon the renewal
18 of any lease, the inception of a new lease, or the purchase of a
19 facility, the director of enterprise services shall determine whether
20 an opportunity exists for collocating the agency or agencies in a
21 single facility with other agencies located in the same geographic
22 area. If a colocation opportunity exists, the director of enterprise
23 services shall consult with the affected state agencies and the
24 office of financial management to evaluate the impact colocation
25 would have on the cost and delivery of agency programs, including
26 whether program delivery would be enhanced due to the centralization
27 of services. The director of enterprise services, in consultation
28 with the office of financial management, shall develop procedures for
29 implementing colocation and consolidation of state facilities.

30 (8) The director of enterprise services is authorized to
31 purchase, lease, rent, or otherwise acquire improved or unimproved
32 real estate as owner or lessee and to lease or sublet all or a part
33 of such real estate to state or federal agencies. The director of
34 enterprise services shall charge each using agency its proportionate
35 rental which shall include an amount sufficient to pay all costs,
36 including, but not limited to, those for utilities, janitorial and
37 accounting services, and sufficient to provide for contingencies;
38 which shall not exceed five percent of the average annual rental, to
39 meet unforeseen expenses incident to management of the real estate.

1 (9) If the director of enterprise services determines that it is
2 necessary or advisable to undertake any work, construction,
3 alteration, repair, or improvement on any real estate acquired
4 pursuant to subsection (1) or (8) of this section, the director shall
5 cause plans and specifications thereof and an estimate of the cost of
6 such work to be made and filed in his or her office and the state
7 agency benefiting thereby is hereby authorized to pay for such work
8 out of any available funds: PROVIDED, That the cost of executing such
9 work shall not exceed the sum of twenty-five thousand dollars. Work,
10 construction, alteration, repair, or improvement in excess of twenty-
11 five thousand dollars, other than that done by the owner of the
12 property if other than the state, shall be performed in accordance
13 with the public works law of this state.

14 (10) In order to obtain maximum utilization of space, the
15 director of enterprise services shall make space utilization studies,
16 and shall establish standards for use of space by state agencies.
17 Such studies shall include the identification of opportunities for
18 colocation and consolidation of state agency office and support
19 facilities.

20 (11) The director of enterprise services may construct new
21 buildings on, or improve existing facilities, and furnish and equip,
22 all real estate under his or her management. Prior to the
23 construction of new buildings or major improvements to existing
24 facilities or acquisition of facilities using a lease purchase
25 contract, the director of enterprise services shall conduct an
26 evaluation of the facility design and budget using life-cycle cost
27 analysis, value-engineering, and other techniques to maximize the
28 long-term effectiveness and efficiency of the facility or
29 improvement.

30 (12) All conveyances and contracts to purchase, lease, rent,
31 transfer, exchange, or sell real estate and to grant and accept
32 easements shall be approved as to form by the attorney general,
33 signed by the director of enterprise services or the director's
34 designee, and recorded with the county auditor of the county in which
35 the property is located.

36 (13) The director of enterprise services may delegate any or all
37 of the functions specified in this section to any agency upon such
38 terms and conditions as the director deems advisable. By January 1st
39 of each year, beginning January 1, 2008, the department shall submit

1 an annual report to the office of financial management and the
2 appropriate committees of the legislature on all delegated leases.

3 (14) This section does not apply to the acquisition of real
4 estate by:

5 (a) The state college and universities for research or
6 experimental purposes;

7 (b) The state liquor (~~control~~) and cannabis board for liquor
8 stores and warehouses;

9 (c) The department of natural resources, the department of fish
10 and wildlife, the department of transportation, and the state parks
11 and recreation commission for purposes other than the leasing of
12 offices, warehouses, and real estate for similar purposes; and

13 (d) The department of commerce for community college health
14 career training programs, offices for the department of commerce or
15 other appropriate state agencies, and other nonprofit community uses,
16 including community meeting and training facilities, where the real
17 estate is acquired during the 2013-2015 fiscal biennium.

18 (15) Notwithstanding any provision in this chapter to the
19 contrary, the department of enterprise services may negotiate ground
20 leases for public lands on which property is to be acquired under a
21 financing contract pursuant to chapter 39.94 RCW under terms approved
22 by the state finance committee.

23 (16) The department of enterprise services shall report annually
24 to the office of financial management and the appropriate fiscal
25 committees of the legislature on facility leases executed for all
26 state agencies for the preceding year, lease terms, and annual lease
27 costs. The report must include leases executed under RCW 43.82.045
28 and subsection (13) of this section.

29 **Sec. 8.** RCW 47.12.063 and 2015 3rd sp.s. c 13 s 2 are each
30 amended to read as follows:

31 (1) It is the intent of the legislature to continue the
32 department's policy giving priority consideration to abutting
33 property owners in agricultural areas when disposing of property
34 through its surplus property program under this section.

35 (2) Whenever the department determines that any real property
36 owned by the state of Washington and under the jurisdiction of the
37 department is no longer required for transportation purposes and that
38 it is in the public interest to do so, the department may sell the
39 property or exchange it in full or part consideration for land or

1 building improvements or for construction of highway improvements at
2 fair market value to any person through the solicitation of written
3 bids through public advertising in the manner prescribed under RCW
4 47.28.050 or in the manner prescribed under RCW 47.12.283. Any such
5 real property subject to sale or exchange under this section must
6 comply with RCW 43.17.400.

7 (3) The department may forego the processes prescribed by RCW
8 47.28.050 and 47.12.283 and (~~sell~~) dispose the real property in
9 accordance with section 3 of this act, or sell to any of the
10 following entities or persons at fair market value:

- 11 (a) Any other state agency;
- 12 (b) The city or county in which the property is situated;
- 13 (c) Any other municipal corporation;
- 14 (d) Regional transit authorities created under chapter 81.112
15 RCW;

16 (e) The former owner of the property from whom the state acquired
17 title;

18 (f) In the case of residentially improved property, a tenant of
19 the department who has resided thereon for not less than six months
20 and who is not delinquent in paying rent to the state;

21 (g) Any abutting private owner but only after each other abutting
22 private owner (if any), as shown in the records of the county
23 assessor, is notified in writing of the proposed sale. If more than
24 one abutting private owner requests in writing the right to purchase
25 the property within fifteen days after receiving notice of the
26 proposed sale, the property shall be sold at public auction in the
27 manner provided in RCW 47.12.283;

28 (h) To any other owner of real property required for
29 transportation purposes;

30 (i) In the case of property suitable for residential use, any
31 nonprofit organization dedicated to providing affordable housing to
32 very low-income, low-income, and moderate-income households as
33 defined in RCW 43.63A.510 and is eligible to receive assistance
34 through the Washington housing trust fund created in chapter 43.185
35 RCW; or

36 (j) A federally recognized Indian tribe within whose reservation
37 boundary the property is located.

38 (4) When selling real property pursuant to RCW 47.12.283, the
39 department may withhold or withdraw the property from an auction when
40 requested by one of the entities or persons listed in subsection (3)

1 of this section and only after the receipt of a nonrefundable deposit
2 equal to ten percent of the fair market value of the real property or
3 five thousand dollars, whichever is less. This subsection does not
4 prohibit the department from exercising its discretion to withhold or
5 withdraw the real property from an auction if the department
6 determines that the property is no longer surplus or chooses to sell
7 the property through one of the other means listed in subsection (2)
8 of this section. If a transaction under this subsection is not
9 completed within sixty days, the real property must be put back up
10 for sale.

11 (5) Sales to purchasers may, at the department's option, be for
12 cash, by real estate contract, or exchange of land or highway
13 improvements. Transactions involving the construction of improvements
14 must be conducted pursuant to chapter 47.28 RCW and Title 39 RCW, as
15 applicable, and must comply with all other applicable laws and rules.

16 (6) Conveyances made pursuant to this section shall be by deed
17 executed by the secretary of transportation and shall be duly
18 acknowledged.

19 (7)(a) Unless otherwise provided, all moneys received pursuant to
20 the provisions of this section less any real estate broker
21 commissions paid pursuant to RCW 47.12.320 shall be deposited in the
22 motor vehicle fund. Through June 30, 2029, unless specifically
23 prohibited by law, any real property sold at fair market value must
24 include a remittance of an amount equal to ten percent of the net
25 proceeds to the state treasurer to be deposited in the Washington
26 housing trust fund, pursuant to RCW 43.185.030. For purposes of this
27 subsection, "net proceeds" means the sale price less the original
28 purchase price, real estate broker commission and fees, transaction
29 costs, and any debt or lien to the property.

30 (b) The remittance required by this subsection does not apply to
31 the sale of any surplus real property acquired for use related to,
32 included in any planned design of, or that is in the vicinity of, the
33 following planned or implemented programs: State route 520 bridge
34 replacement and HOV program; Alaskan Way viaduct replacement project;
35 southbound Tacoma Narrows bridge; Interstate 405 corridor program;
36 Puget Sound gateway program; and the U.S. 395 North Spokane corridor
37 program.

38 (8) The department may not enter into equal value exchanges or
39 property acquisitions for building improvements without first

1 consulting with the office of financial management and the joint
2 transportation committee.
