State of Washington

65th Legislature

2017 Regular Session

By Senators Liias, Walsh, Ranker, Pedersen, Rivers, Keiser, Fain, Frockt, Hunt, and Kuderer

Read first time 02/06/17. Referred to Committee on Health Care.

1 AN ACT Relating to restricting the practice of conversion
2 therapy; amending RCW 18.130.020 and 18.130.180; and creating a new
3 section.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** (1) The legislature intends to regulate
6 the professional conduct of licensed health care providers with
7 respect to performing conversion therapy on patients under age
8 eighteen. This act may not be construed to apply to speech that does
9 not constitute the performance of conversion therapy by licensed
10 health care providers on patients under age eighteen, nor shall it be
11 construed to apply to religious practices or counseling under the
12 auspices of a religious denomination, church, or organization that do
13 not constitute the performance of conversion therapy by licensed
14 health care providers on patients under age eighteen.

15 (2) The legislature finds and declares that Washington has a
16 compelling interest in protecting the physical and psychological
17 well-being of minors, including lesbian, gay, bisexual, and
18 transgender youth, and in protecting its minors against exposure to
19 serious harms caused by conversion therapy.

12 **Sec. 3.** RCW 18.130.180 and 2010 c 9 s 5 are each amended to read
13 as follows:

14 The following conduct, acts, or conditions constitute
15 unprofessional conduct for any license holder under the jurisdiction
16 of this chapter:

17 (1) The commission of any act involving moral turpitude,
18 dishonesty, or corruption relating to the practice of the person's
19 profession, whether the act constitutes a crime or not. If the act
20 constitutes a crime, conviction in a criminal proceeding is not a
21 condition precedent to disciplinary action. Upon such a conviction,
22 however, the judgment and sentence is conclusive evidence at the
23 ensuing disciplinary hearing of the guilt of the license holder of
24 the crime described in the indictment or information, and of the
25 person's violation of the statute on which it is based. For the
26 purposes of this section, conviction includes all instances in which
27 a plea of guilty or nolo contendere is the basis for the conviction
28 and all proceedings in which the sentence has been deferred or
29 suspended. Nothing in this section abrogates rights guaranteed under
30 chapter 9.96A RCW;

31 (2) Misrepresentation or concealment of a material fact in
32 obtaining a license or in reinstatement thereof;

33 (3) All advertising which is false, fraudulent, or misleading;

34 (4) Incompetence, negligence, or malpractice which results in
35 injury to a patient or which creates an unreasonable risk that a
36 patient may be harmed. The use of a nontraditional treatment by
37 itself shall not constitute unprofessional conduct, provided that it
38 does not result in injury to a patient or create an unreasonable risk
39 that a patient may be harmed;

1 (5) Suspension, revocation, or restriction of the individual's
2 license to practice any health care profession by competent authority
3 in any state, federal, or foreign jurisdiction, a certified copy of
4 the order, stipulation, or agreement being conclusive evidence of the
5 revocation, suspension, or restriction;

6 (6) Except when authorized by RCW 18.130.345, the possession,
7 use, prescription for use, or distribution of controlled substances
8 or legend drugs in any way other than for legitimate or therapeutic
9 purposes, diversion of controlled substances or legend drugs, the
10 violation of any drug law, or prescribing controlled substances for
11 oneself;

12 (7) Violation of any state or federal statute or administrative
13 rule regulating the profession in question, including any statute or
14 rule defining or establishing standards of patient care or
15 professional conduct or practice;

16 (8) Failure to cooperate with the disciplining authority by:

17 (a) Not furnishing any papers, documents, records, or other
18 items;

19 (b) Not furnishing in writing a full and complete explanation
20 covering the matter contained in the complaint filed with the
21 disciplining authority;

22 (c) Not responding to subpoenas issued by the disciplining
23 authority, whether or not the recipient of the subpoena is the
24 accused in the proceeding; or

25 (d) Not providing reasonable and timely access for authorized
26 representatives of the disciplining authority seeking to perform
27 practice reviews at facilities utilized by the license holder;

28 (9) Failure to comply with an order issued by the disciplining
29 authority or a stipulation for informal disposition entered into with
30 the disciplining authority;

31 (10) Aiding or abetting an unlicensed person to practice when a
32 license is required;

33 (11) Violations of rules established by any health agency;

34 (12) Practice beyond the scope of practice as defined by law or
35 rule;

36 (13) Misrepresentation or fraud in any aspect of the conduct of
37 the business or profession;

38 (14) Failure to adequately supervise auxiliary staff to the
39 extent that the consumer's health or safety is at risk;

1 (15) Engaging in a profession involving contact with the public
2 while suffering from a contagious or infectious disease involving
3 serious risk to public health;

4 (16) Promotion for personal gain of any unnecessary or
5 inefficacious drug, device, treatment, procedure, or service;

6 (17) Conviction of any gross misdemeanor or felony relating to
7 the practice of the person's profession. For the purposes of this
8 subsection, conviction includes all instances in which a plea of
9 guilty or nolo contendere is the basis for conviction and all
10 proceedings in which the sentence has been deferred or suspended.
11 Nothing in this section abrogates rights guaranteed under chapter
12 9.96A RCW;

13 (18) The procuring, or aiding or abetting in procuring, a
14 criminal abortion;

15 (19) The offering, undertaking, or agreeing to cure or treat
16 disease by a secret method, procedure, treatment, or medicine, or the
17 treating, operating, or prescribing for any health condition by a
18 method, means, or procedure which the licensee refuses to divulge
19 upon demand of the disciplining authority;

20 (20) The willful betrayal of a practitioner-patient privilege as
21 recognized by law;

22 (21) Violation of chapter 19.68 RCW;

23 (22) Interference with an investigation or disciplinary
24 proceeding by willful misrepresentation of facts before the
25 disciplining authority or its authorized representative, or by the
26 use of threats or harassment against any patient or witness to
27 prevent them from providing evidence in a disciplinary proceeding or
28 any other legal action, or by the use of financial inducements to any
29 patient or witness to prevent or attempt to prevent him or her from
30 providing evidence in a disciplinary proceeding;

31 (23) Current misuse of:

32 (a) Alcohol;

33 (b) Controlled substances; or

34 (c) Legend drugs;

35 (24) Abuse of a client or patient or sexual contact with a client
36 or patient;

37 (25) Acceptance of more than a nominal gratuity, hospitality, or
38 subsidy offered by a representative or vendor of medical or health-
39 related products or services intended for patients, in contemplation
40 of a sale or for use in research publishable in professional

1 journals, where a conflict of interest is presented, as defined by
2 rules of the disciplining authority, in consultation with the
3 department, based on recognized professional ethical standards;
4 (26) Performing conversion therapy on a patient under age
5 eighteen.
