JAY INSLEE

Governor of the State of Washington

Secretary of State

State of Washington

ENGROSSED SUBSTITUTE HOUSE BILL 1493

Passed Legislature - 2017 Regular Session

State of Washington 65th Legislature 2017 Regular Session

By House Technology & Economic Development (originally sponsored by Representatives Morris, Harmsworth, Smith, Tarleton, and Stanford)

READ FIRST TIME 02/16/17.

- 1 AN ACT Relating to biometric identifiers; and adding a new
- 2 chapter to Title 19 RCW.
- 3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:
- The legislature finds that citizens of 4 NEW SECTION. Sec. 1. 5 Washington are increasingly asked to disclose sensitive biological 6 information that uniquely identifies them for commerce, security, and 7 convenience. The collection and marketing of biometric information about individuals, without consent or knowledge of the individual 8 whose data is collected, is of increasing concern. The legislature 9 10 intends to require a business that collects and can attribute 11 biometric data to a specific uniquely identified individual disclose how it uses that biometric data, and provide notice to and 12 13 obtain consent from an individual before enrolling or changing the use of that individual's biometric identifiers in a database. 14
- NEW SECTION. Sec. 2. (1) A person may not enroll a biometric identifier in a database for a commercial purpose, without first providing notice, obtaining consent, or providing a mechanism to prevent the subsequent use of a biometric identifier for a commercial purpose.

(2) Notice is a disclosure, that is not considered affirmative consent, that is given through a procedure reasonably designed to be readily available to affected individuals. The exact notice and type of consent required to achieve compliance with subsection (1) of this section is context-dependent.

- (3) Unless consent has been obtained from the individual, a person who has enrolled an individual's biometric identifier may not sell, lease, or otherwise disclose the biometric identifier to another person for a commercial purpose unless the disclosure:
- 10 (a) Is consistent with subsections (1), (2), and (4) of this 11 section;
- 12 (b) Is necessary to provide a product or service subscribed to, 13 requested, or expressly authorized by the individual;
 - (c) Is necessary to effect, administer, enforce, or complete a financial transaction that the individual requested, initiated, or authorized, and the third party to whom the biometric identifier is disclosed maintains confidentiality of the biometric identifier and does not further disclose the biometric identifier except as otherwise permitted under this subsection (3);
- 20 (d) Is required or expressly authorized by a federal or state 21 statute, or court order;
 - (e) Is made to a third party who contractually promises that the biometric identifier will not be further disclosed and will not be enrolled in a database for a commercial purpose inconsistent with the notice and consent described in this subsection (3) and subsections (1) and (2) of this section; or
- 27 (f) Is made to prepare for litigation or to respond to or 28 participate in judicial process.
- 29 (4) A person who knowingly possesses a biometric identifier of an 30 individual that has been enrolled for a commercial purpose:
- 31 (a) Must take reasonable care to guard against unauthorized 32 access to and acquisition of biometric identifiers that are in the 33 possession or under the control of the person; and
- 34 (b) May retain the biometric identifier no longer than is 35 reasonably necessary to:
- (i) Comply with a court order, statute, or public records
 retention schedule specified under federal, state, or local law;
- 38 (ii) Protect against or prevent actual or potential fraud, 39 criminal activity, claims, security threats, or liability; and

1 (iii) Provide the services for which the biometric identifier was 2 enrolled.

- (5) A person who enrolls a biometric identifier of an individual for a commercial purpose or obtains a biometric identifier of an individual from a third party for a commercial purpose pursuant to this section may not use or disclose it in a manner that is materially inconsistent with the terms under which the biometric identifier was originally provided without obtaining consent for the new terms of use or disclosure.
- 10 (6) The limitations on disclosure and retention of biometric 11 identifiers provided in this section do not apply to disclosure or 12 retention of biometric identifiers that have been unenrolled.
- 13 (7) Nothing in this section requires an entity to provide notice 14 and obtain consent to collect, capture, or enroll a biometric 15 identifier and store it in a biometric system, or otherwise, in 16 furtherance of a security purpose.
- NEW SECTION. **Sec. 3.** The definitions in this section apply throughout this chapter, unless the context clearly requires otherwise.
 - (1) "Biometric identifier" means data generated by automatic measurements of an individual's biological characteristics, such as a fingerprint, voiceprint, eye retinas, irises, or other unique biological patterns or characteristics that is used to identify a specific individual. "Biometric identifier" does not include a physical or digital photograph, video or audio recording or data generated therefrom, or information collected, used, or stored for health care treatment, payment, or operations under the federal health insurance portability and accountability act of 1996.
 - (2) "Biometric system" means an automated identification system capable of capturing, processing, and storing a biometric identifier, comparing the biometric identifier to one or more references, and matching the biometric identifier to a specific individual.
 - (3) "Capture" means the process of collecting a biometric identifier from an individual.
 - (4) "Commercial purpose" means a purpose in furtherance of the sale or disclosure to a third party of a biometric identifier for the purpose of marketing of goods or services when such goods or services are unrelated to the initial transaction in which a person first

- gains possession of an individual's biometric identifier. "Commercial purpose" does not include a security or law enforcement purpose.
- 3 (5) "Enroll" means to capture a biometric identifier of an 4 individual, convert it into a reference template that cannot be 5 reconstructed into the original output image, and store it in a 6 database that matches the biometric identifier to a specific 7 individual.
- 8 (6) "Law enforcement officer" means a law enforcement officer as 9 defined in RCW 9.41.010 or a federal peace officer as defined in RCW 10.93.020.
- 11 (7) "Person" means an individual, partnership, corporation, 12 limited liability company, organization, association, or any other 13 legal or commercial entity, but does not include a government agency.
- 14 (8) "Security purpose" means the purpose of preventing 15 shoplifting, fraud, or any other misappropriation or theft of a thing 16 of value, including tangible and intangible goods, services, and 17 other purposes in furtherance of protecting the security or integrity 18 of software, accounts, applications, online services, or any person.
- 19 Sec. 4. (1) The legislature finds that the NEW SECTION. 20 practices covered by this chapter are matters vitally affecting the public interest for the purpose of applying the consumer protection 21 act, chapter 19.86 RCW. A violation of this chapter is not reasonable 22 23 in relation to the development and preservation of business and is an unfair or deceptive act in trade or commerce and an unfair method of 24 25 competition for the purpose of applying the consumer protection act, 26 chapter 19.86 RCW.
- 27 (2) This chapter may be enforced solely by the attorney general 28 under the consumer protection act, chapter 19.86 RCW.
- NEW SECTION. Sec. 5. (1) Nothing in this act applies in any manner to a financial institution or an affiliate of a financial institution that is subject to Title V of the federal Gramm-Leach-Bliley act of 1999 and the rules promulgated thereunder.
- 33 (2) Nothing in this act applies to activities subject to Title V 34 of the federal health insurance privacy and portability act of 1996 35 and the rules promulgated thereunder.
- 36 (3) Nothing in this act expands or limits the authority of a law 37 enforcement officer acting within the scope of his or her authority

- 1 including, but not limited to, the authority of a state law
- 2 enforcement officer in executing lawful searches and seizures.
- 3 <u>NEW SECTION.</u> **Sec. 6.** Sections 2 through 5 of this act
- 4 constitute a new chapter in Title 19 RCW.

Passed by the House March 2, 2017. Passed by the Senate April 11, 2017. Approved by the Governor May 16, 2017. Filed in Office of Secretary of State May 16, 2017.
