1 AN ACT Relating to state agency collection, use, and retention of
2 biometric identifiers; amending RCW 40.---.---; providing a contingent
3 effective date; and declaring an emergency.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 **Sec. 1.** RCW 40.---.--- and 2017 1st sp.s. c ... (SHB 1717) s 2
6 are each amended to read as follows:

7 (1) Unless authorized by law, an agency may not collect, capture,
8 purchase, or otherwise obtain a biometric identifier without first
9 providing notice and obtaining the individual's consent, as follows:

10 (a) The notice provided must clearly specify the purpose and use
11 of the biometric identifier; and

12 (b) The consent obtained must be specific to the terms of the
13 notice, and must be recorded and maintained by the agency for the
14 duration of the retention of the biometric identifier.

15 (2) Any biometric identifier obtained by an agency:

16 (a) May not be sold;

17 (b) May only be used consistent with the terms of the notice and
18 consent obtained under subsection (1) of this section, or as
19 authorized by law; and

20 (c) May be shared, including with other state agencies or local
21 governments, only:

1 (i) As needed to execute the purposes of the collection,
2 consistent with the notice and consent obtained under subsection (1)
3 of this section, or as authorized by law; or

4 (ii) If such sharing is specified within the original consent.

5 (3) An agency that collects, purchases, or otherwise obtains
6 biometric identifiers must:

7 (a) Establish security policies that ensure the integrity and
8 appropriate confidentiality of the biometric identifiers;

9 (b) Address biometric identifiers in the agency's privacy
10 policies;

11 (c) Only retain biometric identifiers necessary to fulfill the
12 original purpose and use, as specified in the notice and consent
13 obtained under subsection (1) of this section, or as authorized by
14 law;

15 (d) Set record retention schedules tailored to the original
16 purpose of the collection of biometric identifiers;

17 (e) Otherwise minimize the review and retention of the biometric
18 identifiers, consistent with state record retention requirements; and

19 (f) Design a biometric policy to ensure that the agency is
20 minimizing the collection of biometric identifiers to the fewest
21 number necessary to accomplish the agency mission.

22 (4) The use and storage of biometric identifiers obtained by an
23 agency must comply with all other applicable state and federal laws
24 and regulations, including the health insurance portability and
25 accountability act (HIPAA), the family educational rights and privacy
26 act (FERPA), regulations regarding data breach notifications and
27 individual privacy protections, and any policies or standards
28 published by the office of the chief information officer.

29 (5) Biometric identifiers (~~((used or retained by an agency or a~~
30 ~~general authority Washington law enforcement agency))~~) may not be
31 disclosed under the public records act, chapter 42.56 RCW.

32 (6) Agency policies, regulations, guidance, and retention

7 derived from:

8 (i) Writing samples, written signatures, photographs, human
