

HB 1449 - DIGEST

(DIGEST AS ENACTED)

Requires the state board of health, when adopting rules regarding the operation or design of a recreational water contact facility, to review and consider the most recent version of the United States centers for disease control and prevention's model aquatic health code.

Exempts the following from the requirements of chapter 70.90 RCW (water recreation facilities): Inflatable equipment operated at a temporary event, including inflatable water slides.
