

HB 1728.E - DIGEST

(DIGEST AS ENACTED)

Requires the prosecuting attorney, in a criminal investigation of an offense involving the sexual exploitation of children, to use the special inquiry judge process when he or she determines it is necessary to the investigation to subpoena a provider of electronic communication services or remote computing services to obtain records relevant to the investigation.

Requires the court, upon petition of the special inquiry judge proceeding, to establish the proceeding, if appropriate, no later than seventy-two hours after the filing of the petition.
