

HB 1787-S - DIGEST

(AS OF HOUSE 2ND READING 3/06/17)

Requires the department of enterprise services to consult with the office of the state chief information officer when it makes information technology goods and services available to ensure consistency with standards and policies to govern information technology as established by the office.

Requires the following to be coordinated with and/or approved by the office: (1) Cooperative purchasing for information technology goods and services; and

(2) The delegation of authority to an agency for the purchase of information technology goods and services.

Authorizes the office to change or withdraw the delegated authority for the purchase of information technology goods and services.

Provides that this act is null and void if appropriations are not approved.
