

HB 1809 - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Increases the amount of maximum credit against business and occupation taxes and public utility taxes for each clean alternative fuel commercial vehicle.

Allows a person who is applying for credit to apply for multiple vehicles on the same application, but the application must include the required information for each vehicle.

Revises the definition of "commercial vehicle" to include a commercial vehicle that is used for the transportation of passengers, and requires those commercial vehicles to be operated by an auto transportation company.
