

HB 1940 - DIGEST

Requires an application for a renewal vehicle registration to include a field designating the applicant's liability insurance policy information.

Requires an application for an original vehicle registration to include current proof of financial responsibility for the owner to operate a vehicle and a field designating the applicant's liability insurance policy information.

Prohibits the department of licensing from issuing an original or renewal vehicle registration on or after July 1, 2018, unless the applicant provides proof of meeting financial responsibility requirements.
