

HB 2530 - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Extends the date in which certain behavioral health services must be integrated into the managed health care plan for foster children.

Allows the parent or guardian of a child, who is no longer a dependent child, to choose to continue enrollment in the integrated managed health care plan for foster children for up to twelve months following reunification with the child's parents or guardian if the child meets certain requirements.
