

**HB 2543-S - DIGEST**

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Allows private schools to participate in annual school safety summits held by the office of the superintendent of public instruction and the school safety advisory committee.

Requires the summit participants to: (1) Review various proposed and implemented models for regionalizing school safety planning, including proposals to establish regional safety centers;

(2) Review the 2017 report on funding for safety and security in schools prepared by the state institute for public policy; and

(3) Report to the superintendent of public instruction and the appropriate legislative committees on the progress of implementing an effective and efficient statewide plan for school safety that meets local needs.
