

HB 2590 - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Requires school districts to meet specific requirements when assigning staff to provide supplemental instruction for eligible pupils using funds for the transitional bilingual instruction program.

Removes the requirement that certain classroom teachers hold an endorsement in bilingual education or English language learner.

Requires that the superintendent of public instruction, in order to ensure that school districts are meeting certain requirements, to monitor transitional bilingual instruction programs at least once every five years by reviewing certain components.
