

HB 2809 - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Addresses capital budget appropriations allocated for public art, and efficiency updates for.

Allows a state agency working with the state arts commission, for projects funded in the capital budget, to expend up to ten percent of the projected art allocation for a project during the design phase in order to select an artist and design art to be integrated in the building design.

Requires at least eighty-five percent of the money spent by the state arts commission during each biennium to be expended solely for direct acquisition of works of art.
