

SB 5624-S - DIGEST

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Requires an electric utility to: (1) Provide written or electronic notice of public hearings where changes in electricity rates will be considered or approved by the utilities and transportation commission or governing body; and

(2) Disclose on each billing statement the rate of tax imposed on the electric utility, if any, and the amount of the tax to be paid directly by the retail electric customer through the billing statement.
