

SB 5945 - DIGEST

States that the growth management act does not prohibit:
(1) A county from authorizing the siting of a school in a rural area that serves students that reside in an urban growth area or a local jurisdiction from extending public facilities and utilities to serve a school sited in a rural area if certain requirements are met; or

(2) Either the expansion or modernization of an existing school in a rural area or the placement of portable classrooms at an existing school in a rural area.

Authorizes a public facility or utility, when the facility or utility has been extended beyond the urban growth area to serve a school, to serve a property in addition to the school if a property owner so requests.
