

SB 6055-S - DIGEST

(DIGEST AS ENACTED)

Allows a city or town, located partially inside a quarantine area for apple maggot established by the department of agriculture, to apply for a permit for the burning of brush and yard waste generated within the city or town, provided that the city or town satisfies certain requirements.

Authorizes the department of agriculture, upon the request of the city or town, to issue a special transit permit for the limited purpose of transporting brush and yard waste or debris generated within the city or town through a pest-free area to a destination located inside a quarantine area for apple maggot.
