

SB 6326 - DIGEST

Requires all data collected by the department of labor and industries, for establishing the shipbuilding and ship repair prevailing rate of wage, in Clallam, Jefferson, Kitsap, Mason, Thurston, Pierce, King, Snohomish, Skagit, Whatcom, Island, and San Juan counties to be used to establish the maritime Puget Sound regional rate using the collective data from these counties.

Requires the survey data to be recalculated and republished in the next semiannual wage publication for any newly established rates for shipbuilding and ship repair established before the effective date of this act.
