

SB 6440 - DIGEST

Makes an appropriation from the connecting Washington account - state funds for the department of transportation to complete an interchange justification report and begin environmental review for an I-5/Exit 274 interchange project in Blaine.

Requires the department of transportation to: (1) Actively pursue 12.9 million dollars in additional funds to pay for the remainder of the project's estimated cost; and

(2) Pursue all relevant funding options including grants from the federal highway administration and the freight mobility strategic investment board and matching funds from local governments or private businesses.
