

SB 6543 - DIGEST

Requires, in the 2018-2019 academic year, tuition operating fees for resident undergraduates at community and technical colleges, excluding applied baccalaureate degrees, to be ten percent less than the 2017-2018 academic year tuition operating fees.

Requires the legislature to appropriate to the state board for community and technical colleges, beginning with the 2018 supplemental omnibus appropriations act, an amount that is at least equal to the total state funds appropriated in the 2017-2019 omnibus appropriations act and the net revenue loss from resident undergraduate tuition operating fees based on budgeted full-time equivalent enrollment received for the 2017-2019 fiscal biennium.
