

**2SHB 1110 - H AMD 74**

By Representative Irwin

WITHDRAWN 03/12/2019

1 On page 10, after line 23, insert the following:

2 "(4) By June 1, 2021, and each June 1st thereafter, a regional  
3 transit authority created under chapter 81.112 RCW must submit a  
4 report to the appropriate committees of the legislature. The report  
5 must contain estimates of the transportation-related greenhouse gas  
6 emissions associated with the following aspects of the authority's  
7 activities during the previous calendar year:

8 (a) Greenhouse gas emissions from the operations of buses;

9 (b) Greenhouse gas emissions from the operations of other motor  
10 vehicles operated by the authority;

11 (c) Greenhouse gas emissions from the operations of trains on  
12 rail fixed guideway systems;

13 (d) Greenhouse gas emissions from the operations of trains on  
14 other rail systems;

15 (e) Greenhouse gas emissions associated with the manufacture of  
16 materials used by the authority for facility and infrastructure  
17 construction, such as concrete, steel, and glass, during the  
18 manufacture of which greenhouse gases were emitted; and

19 (f) Greenhouse gas emissions from the operation of construction  
20 equipment on facility and infrastructure construction projects  
21 managed by the authority. Qualifying construction equipment  
22 operational emissions under this subsection (4)(f) includes, but is  
23 not limited to, the emissions from vehicles used to haul construction  
24 materials and equipment to a site, the emissions from earth moving  
25 equipment, and the emissions from vehicles and equipment used for  
26 demolition purposes, such as excavators, loaders, and bulldozers."

EFFECT: Requires regional transit authorities (RTA) to annually submit certain information to the appropriate committees of the legislature regarding the greenhouse gas emissions associated with certain RTA fleet operation and construction activities.
