

**SHB 1813 - H AMD 244**

By Representative Stokesbary

**ADOPTED 03/08/2019**

1       On page 2, line 14, after "equivalent to the" strike "total  
2 employer and employee contribution rate to the" and insert "plans 2  
3 and 3 normal cost employer contribution rate of the"

4

EFFECT: Reduces the pension plan-equivalent funds calculation applied to employees of a contractor performing services on a pupil transportation services contract. The percentage of estimated salaries added is reduced from a percentage equal to the total employer and employee contribution rate to the School Employees' Retirement System, currently expected to be 21.26 percent of pay in the 2019-21 fiscal biennium, to a percentage equal to the Plans 2 and 3 normal cost employer contribution rate of the School Employees' Retirement System, currently expected to be 8.25 percent of pay in the 2019-21 fiscal biennium.
