By Representative Gildon

WITHDRAWN 02/17/2020

1 On page 4, line 29, after "(9)" insert: "(a) Each agency,
2 municipality, and political subdivision that transfers, leases, or
3 otherwise disposes of surplus public property for a public benefit
4 purpose pursuant to this section must submit a biennial report to the
5 relevant committees of the legislature containing information
6 regarding each property that was transferred, leased, or otherwise
7 disposed of. The report must contain the following information:
8 (i) A list identifying each property that was transferred, leased,
9 or disposed of pursuant to this section and each entity that received
10 the property; and
11 (ii) The number of units of affordable housing that were developed
12 on each property that was transferred, leased, or disposed of pursuant
13 to this section.
14 (b) The first report required by (a) of this subsection must be
15 submitted by January 1, 2022. Subsequent reports must be submitted
16 every two years thereafter.
17 (10)"

EFFECT: Requires each agency, municipality, and political subdivision to submit a biennial report to the legislature containing: (1) a list identifying each property that was transferred, leased, or disposed of for a public benefit purpose and each entity that received the property; and (2) the number of units of affordable housing that were developed on each property.
