

**ESHB 1817** - S AMD TO S-3312.1 523

By Senator Ericksen

WITHDRAWN 04/10/2019

1       On page 3, line 8, after "section." insert "All contracts and  
2 contract related documents between an owner or operator of a facility  
3 described in subsection (1) of this section and a contractor to  
4 perform any onsite work described in subsection (1) of this section  
5 must be made available for public review and inspection."

6       EFFECT:   Requires contracts between owners or operators of high  
hazard facilities and contractors to perform onsite work be made  
open to public review and inspection.

--- END ---
