### SENATE COMMITTEE ON WAYS & MEANS

**Staff:** Amanda Cecil (786-7460)

**Background:** Prior to October 1, 1977, most public employees who were eligible for a pension benefit were enrolled in the Plan 1 of the Public Employees' Retirement System (PERS Plan 1) or the Teachers' Retirement System (TRS Plan 1). Exceptions include some local government employees, law enforcement officers, firefighters and judges, who were enrolled in different pension plans.

The basic retirement allowance for PERS Plan 1 and TRS Plan 1 is equal to 2 percent of the member's average final compensation, calculated on the member's highest consecutive two years of compensation, for each year of service. Retirement benefits in PERS Plan 1 and TRS Plan 1 are available to members after 30 years of service at any age, with 25 years of service at age 55, and with five years of service at age 60. The basic retirement allowance does not

assume an annual cost of living adjustment like some other state pension systems but since 1987 PERS Plan 1 and TRS Plan 1 retirees had the option to take a reduced initial benefit and receive an annual cost-of-living adjustment (COLA) based on the Consumer Price Index, up to 3 percent annually.

In addition to the optional COLA, between 1995 and 2011, PERS Plan 1 and TRS Plan 1 retirees' benefits could be eligible for an annual increase from a benefit generally referred to as the Uniform COLA (UCOLA). The UCOLA was enacted in 1995 to replace a number of prior COLAs and was a fixed dollar amount multiplied by the member's total years of service. The dollar amount of the UCOLA was about \$1.88 per year of service, meaning that a member with 25 years of service would receive an additional \$47 per month, and the UCOLA was increased by 3 percent per year. The UCOLA, and those increases ceased with the repeal of the UCOLA in 2011.

In 2018, the Legislature provided a one-time increase of 1.5 percent that was applied to the PERS Plan 1 and the TRS Plan 1 on July 1, 2018, up to a maximum increase of \$62.50 per month.

**Summary of Bill:** The PERS and TRS Plans 1 benefits for members retired by July 1, 2019, are increased by 3 percent on July 1, 2019, up to a maximum increase of \$62.50 per month. The increase goes in to effect on July 1, 2020.
