SENATE COMMITTEE ON AGRICULTURE, WATER, NATURAL RESOURCES & PARKS

Majority Report: Do pass.

Signed by Senators Van De Wege, Chair; Salomon, Vice Chair; Warnick, Ranking Member; Honeyford, McCoy, Rolfes and Short.

Staff: Jeff Olsen (786-7428)

Background: The IYS is an initiative of the North Atlantic Salmon Conservation Organization (NASCO) and the North Pacific Anadromous Fish Commission (NPAFC), with the stated goal to create awareness and foster understanding of the issues facing wild salmon and their impact on the communities that benefit from the resource. The focal year of the IYS is 2019, with IYS-related activities continuing into 2022. Activities associated with the IYS include education, research, and outreach. For research activities in collaboration with the scientific community, the NASCO and the NPAFC have identified broad research themes including understanding the current status of salmon and their environments; natural and
