
HOUSE BILL 2327

State of Washington

66th Legislature

2020 Regular Session

By Representatives Pollet, Kilduff, Frame, Bergquist, Orwall, Wylie, and Appleton

Prefiled 01/09/20. Read first time 01/13/20. Referred to Committee on College & Workforce Development.

1 AN ACT Relating to addressing sexual misconduct at postsecondary
2 educational institutions; adding new sections to chapter 28B.112 RCW;
3 adding a new section to chapter 42.56 RCW; and creating a new
4 section.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

6 NEW SECTION. **Sec. 1.** The legislature recognizes that
7 Washington's postsecondary educational institutions are some of the
8 best schools in the nation, offering high quality education and life
9 experiences for thousands of students. Washington institutions strive
10 to create learning environments where all students can reach their
11 full potential. The legislature also recognizes that in instances in
12 which an employee of an institution engages in sexual misconduct
13 against a student, institutions do not consistently disclose that
14 information. The legislature declares that disclosure of such
15 information is a matter of public safety for all Washington students
16 as well as for students on campuses across the nation. The
17 legislature finds that sexual misconduct, which may include
18 harassment or assault, has serious public health and safety effects
19 on students in Washington. These effects may deprive students of
20 their opportunities to obtain an education which would otherwise
21 improve their lives and health, and that of their own children. Other

1 effects include an employee in a position of power and authority over
2 students causing irreversible harm to the physical and mental health
3 of students from sexual misconduct. The legislature finds that
4 students of any postsecondary institution in Washington should be
5 protected from their institution hiring an employee who has been
6 found to have committed sexual misconduct at another postsecondary
7 institution. The legislature, therefore, also finds that
8 postsecondary institutions in Washington need to know if a
9 prospective employee has been found to have committed sexual
10 misconduct while employed at another institution. The legislature
11 finds that nondisclosure agreements which prevent an institution from
12 disclosing that an employee has committed sexual misconduct create a
13 high potential for students in jeopardy of being victimized.
14 Therefore, the legislature finds such nondisclosure agreements
15 between an employee and institution, pursuant to which the
16 institution agrees not to disclose findings of misconduct supported
17 by a preponderance of evidence or not to complete an investigation,
18 are against public policy and should not be entered into by any
19 Washington postsecondary institution and should not be enforced by
20 Washington courts. Therefore, the legislature intends to provide
21 clarity and direction to postsecondary educational institutions for
22 disclosing substantiated findings of sexual misconduct committed by
23 its employees against students.

24 NEW SECTION. **Sec. 2.** A new section is added to chapter 28B.112
25 RCW to read as follows:

26 The definitions in this section apply throughout this section and
27 sections 3 through 6 of this act unless the context clearly requires
28 otherwise.

29 (1) "Applicant" means a person applying for employment as
30 faculty, instructor, staff, advisor, counselor, coach, athletic
31 department staff, and any position in which the applicant will likely
32 have direct ongoing contact with students. "Applicant" does not
33 include enrolled students who are applying for temporary student
34 employment with the postsecondary educational institutions, unless
35 the student is applying for a position in which the student will have
36 a supervisory role or authority over other students.

37 (2) "Employee" means a person who is receiving or has received
38 wages as an employee from the postsecondary educational institutions
39 and includes current and former workers, whether the person is

1 classified as an employee, independent contractor, or consultant.
2 "Employee" does not include a person who was employed by the
3 institution in temporary student employment while the person was an
4 enrolled student unless the student is or was in a position in which
5 the student has or had a supervisory role or authority over other
6 students. A person who would be considered an "employee" under this
7 subsection, remains an "employee" even if the person enrolls in
8 classes under an institution's employee tuition waiver program or
9 similar program that allows faculty, staff, or other employees to
10 take classes.

11 (3) "Employer" includes postsecondary educational institutions or
12 school employers in this or any other state, and any other employer
13 in this state or any other state.

14 (4) "Postsecondary educational institution" means an institution
15 of higher education as defined in RCW 28B.10.016, a degree-granting
16 institution as defined in RCW 28B.85.010, a private vocational school
17 as defined in RCW 28C.10.020, or school as defined in RCW 18.16.020,
18 that participates in the state student financial aid program.

19 (5) "Sexual misconduct" includes, but is not limited to,
20 unwelcome sexual contact, unwelcome sexual advances, requests for
21 sexual favors, other unwelcome verbal, nonverbal, electronic, or
22 physical conduct of a sexual nature, sexual harassment, and any
23 misconduct of a sexual nature that is in violation of the
24 postsecondary educational institution's policies or has been
25 determined to constitute sex discrimination pursuant to state or
26 federal law.

27 (6) "Student" means a person enrolled at a postsecondary
28 educational institution and for whom educational records are
29 maintained.

30 NEW SECTION. **Sec. 3.** A new section is added to chapter 28B.112
31 RCW to read as follows:

33 campus climate assessments to gauge the prevalence of sexual
34 misconduct on their campuses.

35 (b) The state board for community and technical colleges shall
36 administer campus climate assessments of community and technical
37 colleges to gauge the prevalence of sexual misconduct on community
38 and technical college campuses.

1 (c) The student achievement council shall develop a standardized
2 statewide campus climate assessment to be administered by the
3 postsecondary educational institutions and the state board for
4 community and technical colleges. The assessment must be designed to
5 capture information on the prevalence and effects of sexual
6 misconduct on students who have traditionally been marginalized or
7 experience disproportionate impacts of systemic oppression based on,
8 for example, race, ethnicity, nationality, sexual orientation, gender
9 identity, gender expression, and disability.

10 (d) The assessment must include, but is not limited to, the
11 following:

12 (i) The prevalence of sexual misconduct on and off campus;

13 (ii) Options for reporting sexual misconduct presented to
14 survivors and witnesses and how those options were presented;

15 (iii) Whether survivors or witnesses reported to the
16 institutions, campus police, or any other local law enforcement
17 agency, and reasons why they did or did not report, including any
18 barriers or discouragement they experienced in reporting or not
19 reporting;

20 (iv) Whether survivors or witnesses experienced retaliation for
21 reporting, filing complaints, or working with investigators; whether
22 there were perceptions that such actions might result in retaliation
23 affecting students' or staff members' education or careers; and
24 whether there were perceived pressures not to report to law
25 enforcement or not to file complaints with outside agencies;

26 (v) An evaluation of student and employee attitudes and awareness
27 of campus sexual misconduct issues and consent.

28 (2) The postsecondary educational institutions and the state
29 board for community and technical colleges shall work with the
30 student achievement council to develop definitions of terms, survey
31 questions, scope of the assessment, or any other assessment features
32 the student achievement council finds necessary for the purposes of
33 consistency.

34 (3) (a) The postsecondary educational institutions and state board
35 for community and technical colleges shall submit assessment results
36 to the student achievement council every five years, beginning July
37 1, 2023. The student achievement council shall submit reports

2 portion of the student achievement council's report relating to the
3 institution widely available to its campus community, including by
4 posting on the institution's web site and by email informing
5 students, faculty, and staff of the report's availability.

6 NEW SECTION. **Sec. 4.** A new section is added to chapter 28B.112
7 RCW to read as follows:

8 (1) Except as provided in subsection (2) of this section, any
9 provision of a settlement agreement between an institution of higher
10 education and an employee is against public policy and void and
11 unenforceable if the provision prohibits the employee, the
12 institution, a survivor, or any other person from disclosing that the
13 employee has been the subject of allegations, investigations, or
14 findings of sexual misconduct committed by the employee.

15 (2) A settlement agreement may contain provisions requiring
16 nondisclosure of personal identifying information of persons filing
17 complaints or making allegations and of any witnesses asked to
18 participate in an investigation of the allegations.

19 (3) Personal identifying information in a settlement agreement
20 that reveals the identity of persons filing complaints or making
21 allegations and of any witnesses asked to participate in an

27 otherwise, when a postsecondary educational institution investigates
28 a complaint or allegation of sexual misconduct committed by an
29 employee against a student of the institution, the institution shall
30 complete the investigation whether or not the employee voluntarily or
31 involuntarily leaves employment with the institution. When the
32 institution completes its investigation, the institution shall make
33 written findings of whether the complaint or allegation is
34 substantiated.

35 (2)(a) A postsecondary educational institution shall include in
36 the employee's personnel file or employment records any substantiated
37 findings of sexual misconduct committed by the employee while the
38 employee was employed with the postsecondary educational institution.

1 (b) When disclosing records included in an employee's personnel
2 file or employment records under this section, the institution shall
3 keep personal identifying information of the complainant and any
4 witnesses confidential, unless disclosure of identifying information

15 sexual misconduct.
