State of Washington

66th Legislature

2020 Regular Session

By Representatives Duerr, Kirby, Ryu, Kilduff, Springer, Tarleton, Valdez, Tharinger, and Ormsby

Read first time 01/15/20. Referred to Committee on Consumer Protection & Business.

1 AN ACT Relating to creating the secure choice retirement savings
2 program; amending RCW 43.330.732, 43.330.735, and 30B.04.040;
3 reenacting and amending RCW 43.79A.040; adding new sections to
4 chapter 43.330 RCW; creating new sections; decodifying RCW
5 43.330.730; and prescribing penalties.

6 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

7 NEW SECTION. **Sec. 1.** This act may be known and cited as the
8 secure choice retirement savings program act.

9 NEW SECTION. **Sec. 2.** The legislature finds: That large numbers
10 of households in this state have no or inadequate retirement savings
11 and many of those households do not have access to any savings plan
12 at work; that this lack of retirement savings and coverage is more
13 prevalent among low-income households; and that it is well-
14 established that most workers will save for retirement if they are
15 offered a workplace savings program using an opt-out approach.
16 Washington state is deeply concerned about the retirement prospects
17 of its citizens and the strain that large numbers of ill-prepared
18 retirees may impose on taxpayer-financed elderly assistance programs
19 for housing, food, medical care, and other necessities. Accordingly,
20 this act will facilitate voluntary retirement savings by workers in

1 this state by establishing an IRA savings program with automatic
2 enrollment ("auto-IRA") and requiring employers in this state that do
3 not offer a retirement plan to make the program available to their
4 employees.

6 throughout sections 2 through 13 of this act unless the context

38 plan under sections 401(a), 401(k), 403(a), 403(b), 408(k), or 408(p)
39 of the internal revenue code, including such a plan sponsored or

1 maintained by a professional employer organization with which the
2 employer has a professional employer agreement, as such terms are

39 administering the program;

1 (c) To enter into contracts necessary or desirable for the
2 establishment and administration of the program;

32 (k) To adopt rules and procedures for the establishment and
33 operation of the program and to take such other actions necessary or
34 desirable to establish and operate the program in accordance with
35 sections 2 through 13 of this act.

36 (2) The commissioner shall use the following principles in the
37 design and operation of the program:

38 (a) Operate with reasonable costs but sufficient to ensure that
39 the program is sustainable;

1 (b) Structure the program so that covered employees are
2 automatically enrolled and covered employer participation is
3 required;

4 (c) Ensure that the program does not conflict with or be
5 preempted by federal law, including the employee retirement income
6 security act of 1974;

7 (d) Provide customer service processes to any and all pertinent
8 persons and disseminate program information to covered employers and
9 covered employees;

13 assistance to the commissioner as needed, including gathering data
14 and information, in order for the commissioner to carry out the
15 purpose of sections 2 through 13 of this act. The commissioner may
16 reimburse the other state agencies from the administrative fund
17 established in section 7 of this act for reasonable expenses incurred
18 in providing appropriate and reasonable assistance.

19 (4) The commissioner shall not impose any obligations on the
20 state, nor may it pledge the credit of the state.

21 (5) The commissioner, in consultation with the legislature, has
22 the discretion to establish an advisory board of individuals with
23 experience in investments or retirement plan oversight and
24 management.

25 (6) The commissioner, in consultation with the state investment
26 board and the department of financial institutions, has discretion to
27 establish and maintain the program by: Contracting with another state
28 to use that state's auto-IRA program, partnering with one or more
29 states to create a joint auto-IRA program that includes the program,
30 or forming a consortium with one or more other states in which
31 certain aspects of each state's program are combined for
32 administrative convenience and efficiency, provided that in any such
33 case, the auto-IRA program used, the joint program, or the consortium
34 otherwise satisfies the requirements of this chapter.

35 NEW SECTION. **Sec. 5.** (1) The commissioner, the trustee, and
36 each investment adviser or other person which has discretionary
37 control of the assets of the trust shall be a fiduciary with respect
38 to the trust and IRAs established and maintained under the program.

1 (2) Each covered employer is required to provide covered
2 employees with such information as the commissioner directs. No
3 employer acting as such is a fiduciary with respect to the trust or
4 an IRA or has fiduciary responsibilities under sections 2 through 13
5 of this act.

6 (3) Each fiduciary shall discharge its duties with respect to the
7 program solely in the interests of covered employees and with the
8 care, skill, prudence, and diligence under the circumstances then
9 prevailing that a prudent person acting in a like capacity and
10 familiar with those matters would use in the conduct of an enterprise
11 of like character and aims.

12 NEW SECTION. **Sec. 6.** The secure choice retirement savings
13 program must be designed, established, and operated in accordance
14 with the following:

15 (1) Each covered employer is required to offer to each covered
16 employee an opportunity to contribute to an IRA established under the
17 program for the benefit of the covered employee through withholding
18 from his or her compensation. No employer is permitted to contribute
19 to the program or to endorse or otherwise promote the program.

20 (2) Unless the covered employee chooses otherwise, he or she
21 shall be automatically enrolled in the program and contributions
22 shall be withheld from such covered employee's compensation at a rate
23 set by the commissioner unless the covered employee elects not to
24 contribute or to contribute at a different rate.

25 (3) The contribution rate of each covered employee shall be
26 increased at such rate and at such intervals as from time to time
27 established by the commissioner, unless the covered employee elects
28 not to have such automatic increases apply.

29 (4) The contribution rate of each covered employee shall be
30 applied whenever a covered employer compensates a covered employee. A
31 covered employer may not withhold contributions in lump sums from a
32 covered employee.

33 (5) The IRAs are intended to qualify for favorable federal income
34 tax treatment under section 408 or 408A of the internal revenue code.

35 (6) The commissioner may establish intervals after which a
36 covered employee must reaffirm elections, including opt-out
37 elections, with regard to participation or escalation.

38 (7) Each covered employer shall deposit covered employees'
39 withheld contributions under the program with the trustee in such

1 manner as is determined by the commissioner, provided that the
2 employer shall deliver the amounts withheld to the trustee in good
3 order within ten business days after the date such amounts otherwise
4 would have been paid to the covered employee.

5 (8) The commissioner shall determine the rules and procedures for
6 withdrawals, distributions, transfers, and rollovers of IRAs and for
7 the designation of IRA beneficiaries.

8 (9) The commissioner shall report annually to the governor and
9 the legislature outlining the commissioner's activities and the
10 program's operations.

11 (10) The commissioner shall cause to be furnished to each covered
12 employer and may provide directly to covered employees:

13 (a) Information regarding the program;

14 (b) Required disclosures to be furnished to covered employees.

15 Such disclosures must include:

16 (i) A description of the benefits and risks associated with
17 making contributions under the program;

18 (ii) Instructions about how to obtain additional information
19 about the program;

20 (iii) A description of the tax consequences of an IRA, which may
21 consist of or include the disclosure statement required to be
22 distributed by the trustee under the internal revenue code and the
23 treasury regulations thereunder;

24 (iv) A statement that covered employees seeking financial advice
25 should contact their own financial advisers and that covered
26 employers are not in a position to provide financial advice and that
27 covered employers are not liable for decisions covered employees make
28 under sections 2 through 13 of this act;

29 (v) A statement that the program is not an employer-sponsored
30 retirement plan;

31 (vi) A statement that neither the program nor the covered
32 employee's IRA established under the program is guaranteed by the
33 state;

34 (vii) A statement that neither a covered employer nor the state
35 will monitor or has an obligation to monitor the covered employee's
36 eligibility under the internal revenue code to make contributions to
37 an IRA or to monitor whether the covered employee's contributions to
38 the IRA established for the covered employee under the program exceed
39 the maximum permissible IRA contribution; that it is the covered
40 employee's responsibility to monitor such matters; and that the

1 state, the program, and the covered employer have no liability with
2 respect to any failure of the covered employee to be eligible to make
3 IRA contributions or any contribution in excess of the maximum IRA
4 contribution;

5 (c) Information, forms, and instructions to be furnished to
6 covered employees at such times as the commissioner determines that
7 provide the covered employee with the procedures for:

8 (i) Making contributions to the covered employee's IRA
9 established under the program, including a description of the
10 automatic enrollment rate, the automatic escalation rate and
11 frequency, and the right to elect to make no contribution or to
12 change the contribution rate under the program;

13 (ii) Making an investment election with respect to the covered
14 employee's IRA established under the program, including a description
15 of the default investment fund;

16 (iii) Making transfers, rollovers, withdrawals, and other
17 distributions from the covered employee's IRA.

18 (11) Each covered employer shall deliver or facilitate the
19 delivery of the items set forth in subsection (10)(b) and (c) of this
20 section to each covered employee at such time and in such manner as
21 determined by the commissioner.

22 (12) The program must be designed and operated in a manner that
23 will cause it not to be an employee benefit plan within the meaning
24 of section 3(3) of the employee retirement income security act of
25 1974. If any provision of this act is found to be in conflict with
26 federal law or regulations, including the employee retirement income
27 security act of 1974, the conflicting provision of this act is
28 declared to be inoperative solely to the extent of the conflict, and
29 that finding or determination shall not affect the operation of the
30 remainder of this act.

31 (13) Nothing in sections 2 through 13 of this act prohibits a
32 covered employer from contracting with a third party, such as a
33 payroll service provider or a professional employer organization, to
34 assist such employer with the tasks required of a covered employer
35 under sections 2 through 13 of this act.

36 NEW SECTION. **Sec. 7.** (1) The secure choice retirement savings
37 administrative fund is hereby established in the custody of the state
38 treasurer as a nonappropriated account separate and apart from the
39 trust. The commissioner shall use moneys in the administrative fund

1 to pay for administrative expenses it incurs in the performance of
2 its duties under sections 2 through 13 of this act. The
3 administrative fund may receive any grants or other moneys designated
4 for the administrative fund from the state, or any unit of federal or
5 local government, or any other person. Any interest earnings that are
6 attributable to moneys in the administrative fund must be deposited
7 into the administrative fund. Only the commissioner may authorize
8 expenditures from the fund. The fund is subject to allotment
9 procedures under chapter 43.88 RCW, but an appropriation is not
10 required for expenditures.

11 (2) The fund is authorized to maintain a cash deficit in the fund
12 for a period of no more than eight fiscal years after the
13 implementation of the secure choice retirement savings program to
14 defray its initial program administration costs. By January 1, 2021,
15 the commissioner shall establish a program administration spending
16 plan and an administrative fee schedule to discharge any projected
17 cash deficit to the fund. The legislature may make appropriations
18 into the fund for the purpose of reducing program administration
19 costs.

20 (3) Administrative fees may be used to contract with another
21 state to use that state's program or to create a joint program or
22 consortium with one or more states offering an existing program. No
23 other state funds may be used to contract or partner with one or more
24 other states.

25 NEW SECTION. **Sec. 8.** There is hereby created as an
26 instrumentality of the state a trust to be known as the secure choice
27 retirement savings trust.

28 (1) The commissioner shall appoint an institution qualified to
29 act as trustee of IRA trusts or insurance company issuing annuity
30 contracts under section 408 of the internal revenue code and licensed
31 to do business in the state to act as trustee.

32 (2) The assets of IRAs established for covered employees must be
33 allocated to the trust and combined for investment purposes. Trust
34 assets must be managed and administered for the exclusive purposes of
35 providing benefits to covered employees and defraying reasonable
36 expenses of administering and maintaining, and managing investments,
37 of the IRAs and the trust, including the expenses of the commissioner
38 under this act.

1 (3) The commissioner shall establish within the trust one or more
2 investment funds, each pursuing an investment strategy and policy
3 established by the commissioner. The underlying investments of each
4 investment fund shall be diversified, to the extent the commissioner
5 determines to be appropriate, so as to minimize the risk of large
6 losses under the circumstances. The commissioner may, at any time and
7 from time to time, add, replace, or remove any investment fund.

8 (4) The commissioner may allow covered employees to allocate
9 assets of their IRAs among such investment funds and in such case,
10 the commissioner also may designate an investment fund as a default
11 investment for the IRAs of covered employees who do not make an
12 investment choice.

13 (5) Subject to subsection (6) of this section, the commissioner,
14 in consultation with such third-party professional investment
15 advisers, managers, or consultants as it may retain, shall select the
16 underlying investments of each investment fund. Such underlying
17 investments may include, without limitation, shares of mutual funds
18 and exchange-traded funds, publicly traded equity, and fixed-income
19 securities, and other investments available for investment by the
20 trust. No investment fund may invest in any bond, debt instrument, or
21 other security issued by this state.

22 (6) The commissioner may, in its discretion, retain an investment
23 adviser to select and manage the investments of an investment fund on
24 a discretionary basis, subject to the commissioner's ongoing review
25 and oversight.

26 (7) The trustee is subject to directions of the commissioner
27 under subsection (5) of this section or an investment adviser under
28 subsection (6) of this section and otherwise has no responsibility
29 for the selection, retention, or disposition of trust investments or
30 assets.

31 (8) The assets of the trust must at all times be preserved,
32 invested, and expended solely for the purposes of the trust and no
33 property rights therein shall exist in favor of the state or any
34 covered employer. Trust assets may not be transferred or used by the
35 state for any purposes other than the purposes of the trust or
36 funding the expenses of operating the program, including the expenses
37 of the commissioner. Amounts deposited with the trustee are not
38 property of the state and may not be commingled with state funds and
39 the state has no claim to or against, or interest in, the trust
40 assets.

1 (9) The assets of the trust shall at all times be held separate
2 and apart from the assets of the state. None of the state, the
3 program, the commissioner, nor any employer may guaranty any
4 investment, rate of return, or interest on amounts held in the trust,
5 an investment fund, or any IRA. None of the state, the program, the
6 commissioner, or any employer is liable for any losses incurred by
7 trust investments or otherwise by any covered employee or other
8 person as a result of participating in the program except for any
9 liability that arises out of such person's breach of fiduciary duty
10 under section 5 of this act. The state, the program, the
11 commissioner, or any employer is not liable for the payment of
12 benefits earned by participating employees.

13 (10) Any security issued, managed, or invested by the
14 commissioner within the secure choice retirement savings trust on
15 behalf of an individual participating in the program is exempt from
16 RCW 21.20.140.

17 (11) The trust is authorized to engage in trust business under
18 Title 30B RCW and is exempt from the requirement to obtain a
19 certificate of authority from the department of financial
20 institutions under Title 30B RCW.

21 (12) If the commissioner determines to exercise his or her
22 discretion under section 4(6) of this act to establish the program by
23 using another state's auto-IRA program, establishing a joint program,
24 or a consortium with one or more other states, then the trust may be
25 established by adopting the trust established under such other
26 state's program or as a master trust or similar arrangement with such
27 other states, provided that such trust, master trust, or similar
28 arrangement otherwise satisfies the requirements of this section.

29 NEW SECTION. **Sec. 9.** (1) If the commissioner determines to
30 exercise his or her discretion under section 4(6) of this act:

31 (a) Only the secure choice retirement savings administrative fund
32 may be used to contract with another state to use that state's
33 program or to create a joint program or consortium with one or more
34 states offering an existing program.

35 (b) The rate of the administrative fee for covered employees may
36 not exceed the rate charged to employees of another state
37 participating in the same program.

38 (2) If the commissioner determines to not exercise his or her
39 authority under section 4(5) of this act, the rate of the

1 administrative fee for covered employees may not exceed one and five-
2 hundredths percent.

3 NEW SECTION. **Sec. 10.** (1) The commissioner may establish a
4 pilot program for covered employers to auto enroll employees into an
5 IRA by January 1, 2021. The commissioner may also provide for a
6 staggered rollout of the program so that covered employers are
7 initially required to offer the program to covered employees in
8 stages based on employee headcount or such other criteria as may be
9 established by the commissioner.

10 (2) The commissioner shall make the secure choice retirement
11 savings program available to all covered employees no earlier than
12 January 1, 2022, and no later than January 1, 2023.

13 NEW SECTION. **Sec. 11.** (1) Any information or records concerning
14 an individual or employer obtained by the commissioner pursuant to
15 the administration of this act shall be private and confidential,
16 except as otherwise provided in this section.

17 (2) If information provided to the commissioner by another
18 governmental agency is held private and confidential by state or
19 federal law, the commissioner may not release such information,
20 unless otherwise provided by this section.

21 (3) Information provided to the commissioner by another
22 governmental entity conditioned upon privacy and confidentiality
23 under a provision of law is to be held private and confidential
24 according to the agreement between the commissioner and the other
25 governmental agency unless otherwise provided by this section.

26 (4) If the commissioner determines to exercise his or her
27 discretion under section 4(5) of this act to establish the program by
28 using another state's auto-IRA program, establishing a joint program,
29 or a consortium with one or more other states, then the laws of the
30 state that is most protective of individual and employer
31 confidentiality shall govern.

32 (5) The commissioner may disclose information or records deemed
33 private and confidential under this chapter to any private person or
34 organization, including the trustee, and by extension, the agents of
35 any private person or organization, when the disclosure is necessary
36 to permit private contracting parties to assist in the operation,
37 management, and implementation of the program. The private person or
38 organization shall use the information or records solely for the

1 purpose for which the information was disclosed and are bound by the
2 same rules of privacy and confidentiality as the commissioner.

3 (6) An individual shall have access to all records and
4 information concerning that individual held by the commissioner
5 unless the information is exempt from disclosure under RCW 42.56.410.

6 (7) An employer shall have access to its own records relating to
7 any audit conducted or penalty assessed by the commissioner under
8 this chapter.

9 (8) No decision by the commissioner or the appeals tribunal shall
10 be deemed private and confidential under this section unless the
11 decision is based on information obtained in a closed hearing.

12 (9) Information or records deemed private and confidential under
13 this section shall be available to parties to judicial or formal
14 administrative proceedings only upon a written finding by the
15 presiding officer that the need for the information or records in the
16 proceeding outweighs any reasons for the privacy and confidentiality
17 of the information or records.

18 (10) Nothing in this chapter shall prevent the disclosure of
19 information or records deemed private and confidential under this
20 section if all details identifying an individual or employer are
21 deleted so long as the information or records cannot be foreseeably
22 combined with other publicly available information to reveal the
23 identity of an individual or employer.

24 (11)(a) All private persons, governmental agencies, and
25 organizations authorized to receive information from the commissioner
26 under this chapter have an affirmative obligation to take all
27 reasonable actions necessary to prevent the disclosure of
28 confidential information.

29 (b) The disclosure of any records or information by a private
30 person, governmental agency, or organization that obtained the
31 records or information from the commissioner under this section is
32 prohibited unless expressly permitted by this section.

33 (c) If misuse or an unauthorized disclosure of confidential
34 records or information occurs, all parties who are aware of the
35 violation must inform the commissioner immediately and must take all
36 reasonably available actions to rectify the disclosure to the
37 commissioner's standards.

38 (d) The misuse or unauthorized release of records or information
39 deemed private and confidential under this chapter by any private
40 person, governmental agency, or organization to which access is

1 permitted by this section shall subject the person, governmental
2 agency, or organization to a civil penalty of up to twenty thousand
3 dollars in the first year of the program and annually adjusted by the
4 commissioner based on changes in the United States consumer price
5 index for all urban consumers. Other applicable sanctions under state
6 and federal law also apply.

7 (e) Suit to enforce this section shall be brought by the attorney
8 general and the amount of any penalties collected shall be paid into
9 the secure choice retirement savings administrative fund established
10 in section 7 of this act. The attorney general may recover reasonable
11 attorneys' fees for any action brought to enforce this section.

12 (12) This section does not contain a rule of evidence.

13 NEW SECTION. **Sec. 12.** (1) A covered employer who fails, without
