AN ACT Relating to allowing animal care and control agencies and nonprofit humane societies to provide additional veterinary services to low-income households; and amending RCW 18.92.260.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

Sec. 1. RCW 18.92.260 and 2002 c 157 s 2 are each amended to read as follows:

(1)(a) Subject to the limitations in this section, animal care and control agencies as defined in RCW 16.52.011 and nonprofit humane societies, that have qualified under section 501(c)(3) of the internal revenue code may provide veterinary services to animals owned by qualified low-income households. The veterinary services provided shall be limited to electronic identification, surgical sterilization, and vaccinations. A veterinarian or veterinary technician acting within his or her scope of practice must perform the veterinary services. For purposes of this section, "low-income household" means the same as in RCW 43.185A.010.

(b) Animal control agencies and nonprofit humane societies, receiving any animals on an emergency basis, may provide emergency care, subject to a local ordinance that defines an emergency situation and establishes temporary time limits where there is an unexpected, serious occurrence or situation that urgently requires
prompt action in order to prevent an animal's death or permanent
injury of the animal.

(c) Animal control agencies and nonprofit humane societies may
provide veterinary care for sick animals up to thirty days
postadoption.

(d) Any local ordinance addressing the needs under this section
that was approved by the voters and is in effect on July 1, 2003,
remains in effect.

(2) Veterinarians and veterinary technicians employed at these
facilities must be licensed under this chapter. No officer, director,
supervisor, or any other individual associated with an animal care or
control agency or nonprofit humane society owning and operating a
veterinary medical facility may impose any terms or conditions of
employment or direct or attempt to direct an employed veterinarian in
any way that interferes with the free exercise of the veterinarian's
professional judgment or infringes upon the utilization of his or her
professional skills.

(3) Veterinarians, veterinary technicians, veterinary medication
clerks, and animal control agencies and humane societies acting under
this section shall, for purposes of providing the ((limited))
veterinary services, meet the requirements established under this
chapter and are subject to the rules adopted by the veterinary board
of governors in the same fashion as any licensed veterinarian or
veterinary medical facility in the state.

(4) The Washington state veterinary board of governors shall
adopt rules to:

(a) Establish registration and registration renewal requirements;
(b) ((Govern the purchase and use of drugs for the limited
veterinary services authorized under this section)) Establish annual
reporting requirements that demonstrate the animal care and control
facilities and nonprofit humane societies are serving only low-income
households as defined in RCW 43.185A.010; and
(c) Ensure that agencies and societies are in compliance with
this section.

(5) The ((limited)) veterinary medical service authority granted
by registration under this section may be denied, suspended, revoked,
or conditioned by a determination of the board of governors for any
act of noncompliance with this chapter. The uniform disciplinary act,
chapter 18.130 RCW, governs unregistered operation, the issuance and

p. 2 SB 5004
denial of registrations, and the discipline of registrants under this section.

(6) No animal control agency or humane society may operate under this chapter without registering with the department. An application for registration shall be made upon forms provided by the department and shall include the information the department reasonably requires, as provided by RCW 43.70.280. The department shall establish registration and renewal fees as provided by RCW 43.70.250. A registration fee shall accompany each application for registration or renewal.
